#### HOSTETTERS' CELEBRATED STOMACH BITTERS

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the

Stomach, Liver and Bowels. Cures, Dyspepsia, Liver Complaint, Headsche, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the

system or produced by special causes.

Nothing that is not wholesome, genial and re storative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest

of all diffusive stimulants.
It is well to be forearmed against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.
In districts infested with Fever and Agus, it has

en found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of on attack escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cared by a very brief course of this marvel-ous medicine. Fever and Ague patients, after be-ing plied with quinine for months in vain until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hustener's Butters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion Acting as a gentle and painless apperrent, as well as upon the liver, it also invariably relieves the Constipation'superinduced by irregular action of the di-

gestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Billious Colic is immediately as-

suaged by a single dose of the stimulent, and by secasionally resorting to it the return of the complaint may be prevented. As a General Tonic, Hostetter's Butters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a de-

Last, but not least, it is the only safe Stimulent, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the drainary

tonics and stomachies of the day.

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past rear proves that the world, while it obeys the Scriptural injunction to "try all things," only "Holds fast to that which is good." Sparious preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are "flung like worthless weeds away." On the other hand, a great antidote that performs all it promises, and even more than its proprietors claimed for it on its introduction, is

not for a day, but for all time. No family medicine has been so universally and it may be truly added, deservedly popular with the intelligent portion of the community, as Hos-

the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture I am indebted to my friend Robert Shoemaker. isq., for the removal of this prejudice by proper tests, and for encouragement to try them suffering from great and long continued debility. The use of three bettles of these Bitters, at the seginning of the present year, was followed by evident relief, and restoration to a degree of bod-ily and mental vigor which I had not felt for six months before, and had almost despaired of re-gaining. I therefore thank God and my friend for directing me to the use of them.

#### Philad'a., June. 23, 1861. J. Newron Brown PARTICULAR NOTICE.

There are many preparations sold under the nam of Bitters put up in quart bottles, compoun-ded of the cheapest whiskey or common rum, cos ting from 20 to 40 cents per gallon, the taste dis-

guised by Anise or Coriander Seed.

This class of Bitters has caused and will continlightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-esto cause, as long as they can be sold, hundreds to die the death of the drunkerd. By their use the system is kept continually under the influ-ence of Alcoholic Stimulants of the worst kind the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters we publish the following receipt: Get One Bottle Hoodand's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far excel in medical virtues, and true excellence. excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor at a much less price than these inferior preparations will cost you.

#### ATTENTION, SOLDIERS! AND THE PRIENDS OF SOLDIERS

We call the attention of all having relations or friends in the army to the fact that "HoofLann's German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost. We call particular attention to the following remarkable and well anthenticated cure of one the nation's heroes whose life, to use his own lan-guage, "has been saved by the Bitters:" -

PAHLADELPHIA, August 23rd, 1862-Messrs. Jones & Evans. - Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the direumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the im-mediate command of Capt. R. B. Ayres. Through ng of the Body, Dryness of the skin. Eruptions the exposure attendant upon my duties. I was a the Face, Palid Countenance he lungs, and was for seventy-two days in the hospital. This was followed by grant debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine, from which I fanded on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital. Mr. Frederick Steinborn of Sixth below Arch Street, advised me, as a forlorn hone. to try your litters, and kindly produced a bottle. From the time I commenced taking them the gloomy shadow of death recoded, and I am now thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for, gentlemen, am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken place of vague fears 100 BUSHELS OF GOOD WHITE BEANS -to your litters will I owe the glorious priviege of again clusping to my bosom those who are Very truly yours.
