BULKLEY'S PATENT-LUMBER DRIED
BY SUPERHEATED STEAM.—The undersigned respectfully informs the people of Clearfield and adjoining counties that he has the agency of the above patent—and will sell individual, ounty or township rights for its use. The lumber dried by this process is stronger, finishes bet-ter, is easier on tools, and requires less time in drying than any other process known, drying 1 inch lumber perfectly in 36 hours better than many months under the old system using the same amount of fuel per day that a common kiln consumes. The certificate of a number of resident mechanics well known in this community is amply sufficient to convince the most sceptical of its utility. Persons desirous of purchasing rights will address JOHN L. CUTTLE. Cearfield, Penn'a.

## HOSTETTERS' STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the

Stomach, Liver and Bowels. Cares, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent

Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and retorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no leadly botanical element; no fiery excitant; but t is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forcarmed against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard. In districts infested with Fever and Ague, it has

been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of on attack, escape the courge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvel-ous medicine. Fever and Ague patients, after being plied with quinine for months in vain until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless appertent, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the di-

gestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languer, find prompt and permanent relief from the Bitters The testimony on this point is most conclusive. and from both sexes.

The agony of Billious Colie is immediately assuaged by a single dose of the stimulent, and by

seasionally resorting to it, the return of the complaint may be prevented. As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age. it exercises the electric influence. In the conva-lescent stages of all diseases it operates as a de-

ightful invigorant. When the powers of nature re relaxed, it operates to re-enforce and re-es-Last, but not least, it is the only safe Stimulent, being manufactured from sound and innocuous materials, and entirely free from the acid ele-ments present more or less in all the ordinary

tonics and stomachies of the day
The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things." only "Holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up. but their character is soon discovered, and they are "flung like worthless weeds" away."
