The lumber dried by this process is stronger, finishes better, is easier on tools, and requires less time in drying than any other process known, drying I inch lumber perfectly in 35 hours better than many months under the old system using the same amount of fuel par day that a common kiln consumes. The certificate of a number of resi-dent mechanics well known in this community is amply sufficient to convince the most sceptical of its utility. Persons desirous of purchasing rights JOHN L. #### HOSTETTERS' CELEBRATED

STOMACH BITTERS

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the

Stomach, Liver and Bowels. Cures. Dyspensia. Liver Complaint, Headache, General Dubility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent

Fevers, Cramps and Spasms, and all Complaints of either Sex. arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and re-storative in its nature enters into the composition of Hastetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but t is a combination of the extracts of rare balsame herbs and plants with the purest and mildest

of all diffusive stimulants. It is well to be forearmed against disease. and. so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and oth-

r external causes, Hostetter's Bitters may be relied on as a safeguard. In districts infested with Fever and Ague, it has been found infallible as a preventive and irresis-tible as a remedy and thousands who resert to it under apprehension of on attack escape the courge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvel-ous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few

days by the use of Hostetter's Bitters. The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the di-

gestive and secretive organs. Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languor, and prompt and permanent relief from the Bitters.

The testimony on this point is most conclusive, and from both sexes.

The agony of Billions Colic is immediately assnaged by a single dose of the stimulent, and by secasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Betters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age. it exercises the electric influence. In the conva lescent stages of all diseases it operates as a delightful invigorant. When the powers of nature re relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the only safe Stimulent. being manufactured from sound and innocuous materials, and entirely free from the acid ele-ments present more or less in all the ordinary tonics and stomachies of the day.

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things," only "Holds fast to that which is good." Spurious preparations, like poisonous fungt, are continually springing up. but their character is soon dis-sovered, and they are "finng like worthless weeds away." On the other hand, a great antidote that performs all it promises, and even more than its proprietors claimed for it on its introduction, is ment should call and examine my stock.

"not for a day, but for all time."
