The lumber dried by this process is stronger, finishes better, is easier on tools, and requires less time in drying than any other process known, drying I inch lumber perfectly in 36 hours better than many months under the old system using the same amount of fuel per day that a common kiln consumes. The certificate of a number of resi-dent mechanics well known in this community is amply sufficient to convince the most sceptical of its utility. #### HOSTETTERS' CELEBRATED STOMACH BITTERS,

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the

Stomach, Liver and Bowels. Cures. Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constitution, Colie, Intermittent Fevers. Cramps and Spasms, and all

Complaints of either Sex. arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly betanical element; no hery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means against maladies engendered by an anwholesome atmosphere, impure water and oth-er external causes. Hostetter's Bitters may be re-

lied on as a safeguard. In districts infested with Fever and Ague, it has been found infallible as a preventive and free is-tible as a remedy and thousands who resort to it under apprehension of on attack escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance. are cared by a very brief course of this marvel ous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated an the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispersia and in less confirmed forms of Indigestion Acting as a gentle and painless appearent, as well as upon the liver, it also invariably relieves the Constipa tion superinduced by irregular action of the di-

gestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languer, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Billious Colic is immediately as-suaged by a single dose of the stimulent, and by occasionally resorting to it the return of the com-

plaint may be prevented.

As a General Tonic. Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness Premature Decay and Debility and Decrepitude arising from Old Age. it exercises the electric influence. In the convalescent stages of all diseases it operates as a de-lightful invigorant. When the powers of nature re relaxed, it operates to re-enforce and re-es-Last, but not least, it is the only safe Stimulent,

being manufactured from sound and innocuous materials, and entirely free from the acid ele-ments present more or less in all the ordinary

tonics and stomachies of the day. The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things," only "Holds fast to that which is good." Spurious preparations, like poissnous fungi, are continually springing up, but their character is soon discovered, and they are "dung like worthless weeds away." On the other hand, a great antidote that not for a day, but for all time."

No family medicine has been so universally and. it may be truly added. deservedly popular with the intelligent portion of the community, as Hos-Prepared by Hosterten & Suits, Pittsburg Pa.
