BULKLEY'S PATENT-LUMBER DRIED BY SUPERHEATED STEAM.—The undersigned respectfully informs the people of Clear-field and adjoining counties that he has the agency of the above patent-and will sell individual county or township rights for its use The lumber dried by this process is stronger, finishes bet-ter, is easier on tools, and requires less time in drying than any other process known, drying I inch lumber perfectly in 36 hours better than many months under the old system using the same amount of fuel per day that a common kiln consumes. The certificate of a number of resident mechanics well known in this community is amply sufficient to convince the most sceptical of its utility. Persons desirous of purchasing rights will address JOHN L. CUTTLE.

HOSTETTERS CELEBRATED

STOMACH BITTERS. A pure and powerful Tonic, Corrective and

Alterative of wonderful efficacy in discusse of the

Stomach, Liver and Bowels. Cures, Dyspepsia Liver Complaint, Headache. General Debility. Nervousness. Depression of

Spirits. Constipation, Colic. Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and re storative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and

so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes. Hostetter's Bitters may be re-

lied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of on attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance. are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain until fairly satured with that dangerous aikaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Butters

The weak stomach is rapidly invigorated an the appetite restored by this agreeable Tonic and the appetite restored by this agreeance some bence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion Acting as Keep constantly on hand a large and well selected stock of the liver, it also invariably relieves the Constipation superinduced by irregular action of the di-gestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks. Lowness of Spirits and Fits of Languor.find prompt and permanent relief from the Bitters.

The testimony on this point is most conclusive, and from both sexes.

The agony of Billious Colic is immediately assuaged by a single dose of the stimulent, and by occasionally resorting to it the return of the com-plaint may be prevented

As a General Tonic. Hostetter's Betters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness Premature Decay and Debility and Decrepitude arising from Old Age. it exercises the electric influence. In the conva-lescent stage, of all diseases it operates as a delightful invigorant When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the only safe Stimulent. being manufactured from sound and innocuous materials, and entirely free from the acid ele-ments present more or less in all the ordinary tonics and stomachies of the day

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things." only "Holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up. but their character is soon dis-covered, and they are flung like worthless weeds performs all it promises, and even more than its ees. Ladies who wish to make a good investproprietors claimed for it on its introduction, is ment should call and examine my stock not for a day, but for all time."

No family medicine has been so universally and CLOTHING AT REDUCED PRICES !! Hoods, Nubias, Sontags, Balmoral and Hoop skirts; Hats, Caps, Boots and Shoes;
