BULKLEY'S PATENT-LUMBER DRIED signed respectfully informs the people of Clear-field and adjoining counties that he has the agen-cy of the above patent—and will sell individual, county or township rights for its use. The lum-ber dried by this process is stronger, finishes bet-ter, is easier on tools, and requires less time in draving than any other process known, draving 1 drying than any other process known, drying l inch lumber perfectly in 35 hours better than many months under the old system using the same amount of fuel per day that a common kiln consumes. The certificate of a number of resilent mechanics well known in this community is unply sufficient to convince the most sceptical of ts utility. ## HOSTETTERS' CELEBRATED STOMACH BITTERS

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the

Stomach, Liver and Bowels.

Cures, Dyspensia, Liver Complaint, Headache, General Dubility, Nervousness, Depression of Spirits. Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all

Complaints of either Sex. arising

from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and re-storative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest

of all diffusive stimulants. It is well to be forearmed against disease, and, so far as the human system can be protected by human means against maindies engendered by an unwholesome atmosphere, impure water and other external causes. Hastetter's Bitters may be relied on as a safeguard. In districts infested with Fever and Ague, it has

been found infallible as a preventive and irresis-tible as a remedy and thousands who resort to it under apprehension of on attack escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of *Hostetter's Bitters*.

The weak stomach is rapidly invigorated an i the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit, liable to Nervous At

tacks, Lowness of Spirits and Fits of Languor find prompt and permanent relief from the Bitters The testimony on this point is most conclusive

and from both sexes. The agony of Billious Colic is immediately as-suaged by a single dose of the stimulent, and by occasionally resorting to it, the return of the com-

plaint may be prevented. As a General Tonic, *Hostetter's Bitters* produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age. it exercises the electric influence. In the conva-lescent stages of all diseases it operates as a de-lightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-es-tablish them.

Last, but not least, it is the only safe Stimulent. being manufactured from sound and innocuous materials, and entirely free from the acid ele-ments present more or less in all the ordinary

tonics and stomachics of the day. The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past Detroys, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things." only "Holds fast to that which is good." Spurious preparations, like poisonous fungi, are continual-

ly springing up, but their character is soon dis-covered, and they are "flung like worthless weeds away." On the other hand, a great antidote that nol for a day, but for all time." No family medicine has been so universally and.

it may be truly added, deservedly popular with the intelligent portion of the community, as Hos-tetter's Bitters. Best sugar at from 12
