HOSTETTERS' CELEBRATED STOMACH BITTERS

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in

disease of the

Stomach, Liver and Bowels. Cures, Dyspepsia, Liver Complaint, Headache General Debility, Nervousness, Depression of Spirits, Constipation. Colic. Intermittent Fevers, Cramps and Spasms, and all

Complaints of either Sex. arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no meneral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest

of all diffusive stimulants. It is well to be forearmed against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes. Hosietter's Bitters may be re-

lied on as a safeguard.
In districts infested with Fever and Ague, it has been found infallible as a preventive and irresis-tible as a remedy and thousands who resort to it under apprehension of on attack escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Agne patients, after being plied with quinine for months in vain until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few

days by the use of Hostetter's Bitters. The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dispensia and in less confirmed forms of Indigestion. Acting as a gentle and painless appearent, as well as upon the liver, it also invariably relieves the Constipa tion superinduced by irregular action of the di-gestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks. Lowness of Spirits and Fits of Languor find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive. and from both sexes.

The agony of Billious Colic is immediately as-

suaged by a single dose of the stimulent, and by occasionally resorting to it, the return of the com-plaint may be prevented. As a General Tonic. Hostetter's Betters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness. Premature Decay and Debility and Decrepitude arising from Old Age. it exercises the electric influence. In the conva-lescent stages of all diseases it operates as a de-lightful invigorant. When the powers of nature

are relaxed, it operates to re-enforce and re-establish them. Lust, but not least, it is the only safe Stimulent. being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary

tonics and stomachies of the day. The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the criptural injunction to "try all things" only Holds fast to that which is good." Spurious oreparations, like poisonous fungi, are continually springing up, but their character is soon disovered, and they are "flung like worthless weeds iway." On the other hand, a great antidote that performs all it promises, and even more than its proprietors claimed for it on its introduction, is

not for a day, but for all time." No family medicine has been so universally and. CLOTHING AT REDUCED PRICES may be truly added deserv the intelligent portion of the community, as Hostetter's Bitters.
