BULKLEY'S PATENT-LUMBER DRIED BY SUPERHEATED STEAM. - The under-signed respectfully informs the people of Clearfield and adjoining counties that he has the agen cy of the above patent-and, will sell individual unty or township rights for its use. The lumber dried by this process is stronger. Enishes bet-ter, is easier on tools, and requires less time in drying than any other process known, drying 1 inch lumber perfectly in 36 hours better than many months under the old system using the same amount of fuel per day that a common kiln consumes. The certificate of a number of resident mechanics well known in this community is amply sufficient to convince the most sceptical of Its utility. HOSTETTERS' CELEBRATED STOMACH BITTERS

A pure and powertul Tonic, Corrective and Alterative of wonderful efficacy in disease of the

Stomach, Liver and Bowels. Cures, Dyspepsia. Liver Complaint, Headache.

General Debility, Nervousness, Depression of Spirits, Constipution, Colic, Intermittent Fevers, Cramps and Spasms, and all

Complaints of either Sex. arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and re storative in its nature enters into the composition of Hastetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest

of all diffusive stimulants. It is well to be forearmed against disease, and. so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and oth-er external causes, Hustetter's Bitters may be refied on as a safeguard. In districts infested with Forer and Ague, it has

seen found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of on attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance are cured by a very brief course of this markel-ons medicine. Fever and Ague patients after be-ing plied with quinine for months in vain, until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hastetter's Bitters.

The weak stomach is rapidly invigorated an . the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion Acting as a gentle and painless apperient, as well as upon Keep constantly on hand a large and well select ed stock of the liver, it also invariably relieves the Constipu-tion superinduced by irregular action of the di-

gestive and secretive organs. Persons of feeble habit liable to Nervous Attacks, Lowness of Spirits and Fits of Languor.find prompt and permanent relief from the Bitters The testimony on this point is most conclusive and from both sexes.

The agony of Billious Colic is immediately assuaged by a single dose of the stimulent, and by occasionally resorting to it the return of the com-

plaint may be prevented As a General Tonic, Hostetter's Betters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age. t exercises the electric influence. In the convaescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least. it is the only safe Stimulent. being manufactured from sound and innocnous materials, and entirely free from the avid dements present more or less in all the ordinary tonics and stomachics of the day.

The immense increase in the sale of Hustetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the eriptural injunction to "try all things. Holds fact to that which is good." St Sourious preparations, like polsonous fungi, are continualy springing up, but their character is soon dis-covered and they are finning like worthless weeds away." On the other hand, a great antidote that performs all it promises, and even more than its proprietors claimed for it on its introduction, is not for a day, but for all time. No family medicine has been so universally, and, CLOTHING AT REDUCED PRICES !!

it may be truly added. deservedly popular with the intelligent portion of the community, as Hos- etc., at very low figures. atter's Bister
