NEWS FOR THE NEEDY .- The public is informed that Wm. F. Irwin is just opening another new stock of seasonable goods, and which he will sell at a moderate advance on cost. Give him a call.

EXPRESS AGENT.-It gives us pleasure to announce that the Adams' Express Company have opened an office in this place, and that our friend, Joseph S. Showers, is their authorized agent. This agency will be a great convenince to the public.

Snow.-Several inches of snow having fallen on Saturday last, the roads were in good condition to receive the four inches which fell last night. We presume that

TYRONE On. COMPANY .- The Tyrone Herald of December 9th says:

"We understand that an oil company is shout to be organized, at this place, to be known as the 'Bald Eagle Valley Oil Co.' It has been decided by several scientific gentlemen that the indications for oil, on the premises of Messrs. Pruner & Burley, are indispurable.

"ONCE AGAIN.' - By reference to our advertising columns, it will be seen that J. I. Morris & Co., Philipsburg, are opening another new lot of goods. This speaks well. Liberal advertisers generally sell at moderate prices, and Morris & Co., seem to be realizing the fact, in that they have to renew their stock so frequently. Buyers should remember these facts.

To THOSE INTERESTED.—The Warren Mail of December 10th says:

On Thursday, the 15th inst., the office of the Provost Marshal of the District will be removed to Ridgway, Elk county. Persons aterested will govern themselves according-Drafted men are now reporting under the supplementary draft to fill deliciencies in quotas under the call for 500,000 men. The draft is light and the men report in anall numbers."

CONTINENTAL MONTHLY.-This highly interesting and valuable Magazine for December has been received, and contains its usual variety of excellent articles. We conrider the "Continental Monthly," one of the best literary works published, besides, every number contains one or more articles on political economy, which are of themselves worth more than the suscription price. Every business man should have a copy. Price \$3 a year. Address, J. F. TROW, 50 examined and passed by me. and remain filed of Greene Street, New York.

In a series of biographical sketches of reelected members of Congress, given by the Washington City Chronicle of the 2d inst., we find the following notice of the Representative from our District, Hon. G. W. Scofield, embodying facts in reference to his ; lace ers are not familiar :

He was born in Chautauque county, New | Adm'rs of David Flegal, dec'd York, on March 11th, 1817; graduated at of Mary Smeal, Adm'rx of all and singular the familton College in 1830, and removed to goods and chattels, rights and credits, which were Warren, Pennsylvania where he was admitto the barin 1843. in 1850 and 1851 he was field county, deceased. a member of the State Assembly; and from 1857 to 1859 he was in the State Senate. Clearfield county, dec'd. of the Eighteenth Judicial District of the State, and in 1862 he was elected a Reprerentative from Pennsylvania to the Thirtyeighth Congress, serving on the Committees delection and Expenditures in the War Department."

The way to keep gold down," says a correspondent, writing from New York, is to stop the export demand for it, and the way to do that is to increase the taxes on every article we buy from foreign countries. Our people can stand a great deal of that ort of taxation yet without detriment. New York is reveling in silks, satans, wines, jewelry, and other foreign luxuries, which it maid on no harm to make a little dearer."

Tribute of Pespect. At a meeting of the Town Council, held

Dec. 1st, 1864, the following resolutions were unanimously adopted: WHEREAS, It has pleased Almighty God to remove by death John M'Pherson, a member of this Council, therefore

Resolved. That we deeply regret the dispensation of Pravidence, which called one from our ' ouncil who was endeared to us all by his sterling worth, and by the congenialrelations of our departed friend our heart-

According to a California paper they have a queer currency in Owensville-acorns. Business men got along very well until the Indians began to lay in their winter stores. when the currency became deranged, and a panie ensued!

The silk dresses of the Southern ladies, new at the beginning of the rebellion, have now been so often turned and returned, and altered, and misteriously manipulated, as to make it impossible to repair them again.

A preacher once said that the ladies were very timid; they were afraid to sing when they were asked: afraid of being cold: afraid of snaits and spiders-but he never knew one afraid to get married.

## U.S. 7-30 LOAN.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable in three years from August 15. 1864, with semi-annual interest at the rate of seven and three tenths per cent. per annum-principal and interest both to be paid in lawful money.

These notes will be convertible at the option of A DRINISTRATOR'S NOTICE -Letters the holder at maturity into six per cent. gold of Administration on the Estate of Sarah bearing honds, payable not less than five nor more Sarah | bearing bonds, payable not less than five nor more than twenty years from their date, as the Governnations of \$50, \$100, \$500, \$1,000 and \$5,000, and subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original certificates of deposit as

As the notes draw interest from August 15th, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars nd unwards for these notes at any one time will be allowed a commission of one-quarter of one per cent., which will be paid by the Treasury Department upon a receipt for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special advantages of this Loan. It is a National Savings Bank, offering a higher rate of interest than any other, and THE BEST SECURITY. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either government securities or in notes

or bonds payable in government paper. It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discount.

Convertible into Six per cent. 5-20 Gogo Boxo.-In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than NINE PER CENT. PREMIUM, and before the war the premium on six per cent. U S. stocks was over twenty per cent. It will be seen the t Cheap the actual profit on this loan, at the present ma ket rate, is not less than ten per cent, per annu u.

Its exemption from State and Muni-TPAL TAXATION .- But aside from all the advantages we have enumerated, a special Act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, accord-Final account of John Rorabaugh, Adm'r, and ing to the rate of taxation in various parts of
