HOSTETTERS' CELEBRATED

STOMACH BITTERS. A pure and powerful Tonic, Corrective and

Alterative of wonderful efficacy in disease of the Stomach, Liver and Bowels.

Cures, Dyspepsia, Liver Complaint, Headsche, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the

system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no flery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest

of all diffusive stimulants.
It is well to be forcarmed against disease, and. so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes. Hostetter's Bitters may be re-

lied on as a safeguard.

In districts infested with Fever and Axes, it has een found infallible as a preventive and irresistible as a remedy and thousands who resert to it under apprehension of on attack escape the scourge, and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few

days by the use of Hostetter's Bitters The weak stomach is rapidly invigorated an the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion a gentle and painless appearent, as well as upon the liver, it also invariably relieves the Canetipa tion superinduced by irregular action of the di-

gestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languer, find prompt and permanent relief from the Bitter-The testimony on this point is most conclusive and from both sexes.

The agony of Billious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it the return of the complaint may be prevented.

As a General Tonic, Hostetter's Betters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old it exercises the electric influence. In the conva lescent stages of all discusses it operates as a de-lightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-os ablish them:

Last, but not least, it is the only safe Stimulent being manufactured from sound and innocuous materials, and entirely free from the acid ele-ments present more or loss in all the ordinary tonics and stomachies of the day.

The immense increase in the sale of Hostetter' iters, both at home and abroad, during the past year proves that the world, while it obeys the criptural isjunction to "try all things," only Holds fast to that which is good. Spurious reparations, like poisonous fungi, are continua springing up, but their character is soon disovered, and they are flung like worthless weeds proprietors claimed for it on its introduction, is ment should call and examine my stock not for a day, but for all time."
