UNION STATE CONVENTION.

A State Convention will be held at Harrisburg on Wednesday, the 19th July, 1865, at 12 o'clock m., for the purpose of putting in nomination a State ticket, to be supported by the friends of the Union at the coming October election.

The earnest and zealous labors of loyal people secured the great victory in 1864, and made the war, which our enemies denounced as a failure, a glorious success in 1865.

Our flag has been maintained—our enemies destroyed—our Government preserved, and peace re-established. Let every friend, who aided in this result, take measures to be represented in that Convention.

Business of vast importance will be presented for its consideration, and every district in the State should be represented.

A. W. BENDER, Secretary.

RAIN.—On Monday and Tuesday we were favored by a succession of copious rains, which will have the effect of rapidly advancing all the growing crops.

FOUND.—about the 12th of May last, 1 1/2 miles east of this place, an overcoat somewhat worn, with several small articles in the pockets. The owner can have the same by calling at this office, and giving a description.

FIRE BY LIGHTNING.—During the rain storm on last Monday forenoon, the lightning struck a tree near this place, and set it on fire. Although it rained pretty hard all the time, the flame was not extinguished, and the fire continued until the tree burnt off and fell.

\$150 REWARD.—Incendiarism being of frequent occurrence in Knox township, of late, the citizens of the township have determined to procure the arrest and punishment of the perpetrators, if possible, and accordingly offer a reward of \$150. See advertisement in to-day's Journal.

NEW CHURCH.—We understand that the Presbyterian congregation in this borough, having in contemplation the erection of a new church edifice, and that the subscriptions for that purpose already exceed seven thousand dollars. The building is to be of brick, and when completed will be quite an addition to our town, and a credit to the congregation.

THE FOUNDRY.—By reference to our advertising columns it will be seen that Mr. B. Harley, has refitted the Clearfield foundry, and is now prepared to make to order all kinds of castings. Farmers and mill-owners should bear this fact in mind. Ben is a good workman and will give general satisfaction; and hence, deserves to be liberally supported.

U. S. Tax Appeals.

U. S. ASSESSOR'S OFFICE, 10th District, Pa., Office, Curwensville, Clearfield Co., Pa. Notice is hereby given that the assessment lists, valuations and enumerations made and taken within the assessment district composed of the county of Clearfield, State of Penna., by the assistant assessor, under the Law of the United States, will remain open to all persons concerned for examination for the space of 15 days from the 15th day of June, A. D. 1865, at the office of Wm. M. Thompson, Assessor of 1st Division at Curwensville in the said county of Clearfield.

In regard to appeals, the law provides, "That the question to be determined by the assessor, on an appeal, respecting the valuation or enumeration of property, or objects liable to duty or taxation, shall be, whether the valuation complained of be or be not in a just relation or proportion to other valuations in the same assessment district, and whether the enumeration be or be not correct. And all appeals to the assessor as aforesaid, shall be made in writing, and shall specify the particular cause, matter, or thing respecting which a decision is requested; and shall, moreover, state the ground or principle of inequality or error complained of."

Affairs in Georgia. The Chattanooga Gazette says that Brevet Major-General J. H. Wilson, commanding our forces in lower Georgia, has his headquarters at Macon. His administration of affairs is giving general satisfaction to all classes. Thousands of negroes left the plantations in Alabama and Georgia and followed his corps on their march. Several hundred of them have been put to work repairing and keeping in order the railroads used by our forces, and in other government work, and the rest of them are now being sent back to their homes, to enable the planters to raise crops.

It is yet well remembered that when the war for the suppression of the rebellion broke out, that the Northern sympathizers in our midst gathered the old copper cents, and had them transferred into brass-pins to indicate that they were copperheads. Now, that the chief of the rebels has adopted the "petticoat," would it not be well for them to get a new badge? No suggestion is needed as to what it should be.

About five hundred Sioux Indians, in camp fifteen miles west of Fort Mitchell, and supposed to be friendly, on the 14th inst. attacked a guard of a hundred men under Capt. Fouks of the 11th Ohio Veteran Cavalry, killing Capt. Fouks and four men and wounding seven. A number of the Indians were killed. The Indians crossed over to the north side of the Platte River.

Adjutant-General Morse of Connecticut has just made a report of the number of men furnished by that State for the war. The total quota was 47,622, and the State has furnished 54,468 men, including nine months enlistments and re-enlistments. Reducing the whole to the standard of three years, there have been furnished 47,572.

Two Arkansas Rebel regiments and a battalion of cavalry arrived at Fort Smith on Friday, and surrendered their arms, transportation, horses, and wagons, and are being paroled. They have not been paid for two years. They say they are going home to fight guerillas, if necessary to secure peace.

The loss at the Chattanooga fire amounted to \$200,000, and that at Nashville to nearly \$3,000,000, which may be reduced one-half by their chains, machinery, &c., that may be saved from the wreck. It is the opinion of the authorities that these fires were the work of incendiaries.

A Citizen of Massachusetts has written to Washington suggesting that the gallows on which John Brown was hung be secured and taken to Washington for future use.

Out of seventy thousand soldiers that have gone to the front from Iowa, only one has been dishonorably dismissed from the service.

MARRIED.

On the 15th June, 1865, at St. Paul's Church, Lock Haven, by Rev. C. W. Knapp, JOHN G. HALL, Esq., to Miss E. A. HYDE, both of Ridgway, Pa. No cards.

It is with emotions of pleasure that we record the above union of hearts and hands. We extend to the happy couple our warmest congratulations, and hope that their present blissful anticipations may be fully realized.

In Union township, on June 11th 1865, by D. Dressler, Esq., Mr. J. W. T. HOLLOPETER of Union tp., to Miss M. C. STERLING, of Curwensville.

So then; another soldier is captured at last. For three years our friend evaded being taken by the rebels, yet the strategy of a young lady accomplished his capture in a few weeks. But, lucky fellow that he is, instead of being captured and robbed by rebels, he is the recipient of about 140 pounds Sterling. May prosperity ever attend the happy couple.

DIED.

At his residence in Bell township, Clearfield county, Penna., on June 15th, 1865, JAMES EDGER, Esq., in the 70th year of his age. The deceased was born in Milliford, Union county, Pa., and in early life removed to what is now Clinton county. From there he came, in 1832, with his family, to the place of his residence and death. At the time of his removal hither, Clearfield county was comparatively a wilderness; and he was of those who devoted a life of persevering toil and energy to its improvement and advancement. In 1847 he was elected to the office of county Commissioner, for a term of three years, and performed the duties of the trust with credit to himself and profit to the people. Being a man of genial manners, prompt and upright in his business relations, and pure in his morals, he obtained and preserved the respect of all who knew him. As a warm hearted friend, an affectionate father, a devoted husband, an honest man, and a firm believer in the bright hopes of a Christian's future, he has passed from our midst. May he rest in peace.

RELIEF NOTICE.—The Board of Relief for the county of Clearfield, will meet at the Commissioners' office in Clearfield, on Wednesday and Thursday, the 25th and 26th days of June, 1865.

The Board of Relief have directed that the wife of the soldier must appear before the board, and produce her sworn statement, detailing name of soldier, regiment and company, and when enlisted; the number of children, with age and sex of each; the township in which they resided at the time of enlistment, and their present residence; and that she is without the means of support for herself and children who are dependent upon her. Two witnesses of credibility from the township in which she resides, must also be produced, whose certificates (sworn to before the Board of Relief) must set forth that the applicant is the person she represents herself to be, that the statement of the number and age of her family is true, that she is in destitute circumstances and her family in actual want, and that all the facts set forth in her application are correct and true.

Forms containing these requisitions can be obtained at the Office of the Board of Relief, when application is made and the witnesses appear. N. B. Illness of the applicant, properly proven will excuse personal attendance. June 7, 1865. WM S BRADLEY, clerk.

U. S. 7-30 LOAN.

THIRD SERIES.

\$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

7-30 LOAN.

These notes are issued under date of July 15th, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 Six per cent.

GOLD-BEARING BONDS.

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value, according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7.30 per cent. amounts to

One cent per day on a \$50 note.

Two cents per day on a \$100 note.

Ten cents per day on a \$500 note.

20 cents per day on a \$1000 note.

\$1 per day on a \$5000 note.

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The Notes of this third series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent., instead of 7 3/10ths in currency. Subscribers will deduct the interest in currency up to July 15th at the time they subscribe.

The delivery of the notes of this third series of the Seven thirties will commence on the 1st of June, and will be made promptly and continuously after that date. The slight change made in the conditions of this Third Series affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent. in currency. This is

The Only Loan in Market

Now offered by the Government, and its superior advantages make it the

Great Popular Loan of the People.

Less than \$200,000,000 of the Loan authorized by the last Congress are now on the market. This amount, at the rate at which it is being absorbed will all be subscribed for within two months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other loans.

In order that the citizens of every town and section of country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders. JAY COOKE, Subscription Agent, Philadelphia. May 15th, 1865.

Subscriptions will be received at the
