7-30 LOAN.

These notes are issued under date of July 15th, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 Six per cent.

CARRIAGE AND WAGON SHOP, GOLD-BEARING BONDS,

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value, according to the rate levied upon other property. The interest is payable semiannually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7.30 per ct. amounts to One cent per day on a \$50 note. Two cents per day on a \$100 note. Ten cents per day on a \$500 note. 20 cents per day on a \$1000 note. \$1 per day on a \$5000 note.

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions The Notes of this third series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent., instead of 7 3-10ths in currency Subscribers will deduct the interest in currency

up to July 15th at the time they subscribe.
