THANKSGIVING .- On our first page, will be found President Johnson's proclamation, appointing Thursday, December 7th, as a day of thanksgiving and praise.

WINTER. - On Sunday morning the ground, in this region, was covered with snow; and during Sunday and Monday snow-squalls

since. A NUISANCE-some of the lager "holes" in this place ; where a set of rowdies congregate nightly, and drink and curse and swear, much to the annoyance of many respectable and moral persons who must pass by. We hear it intimated that it is in contemplation for breakers !

MAN KILLED. -On October 24th, as Mr. D. Pisor, aged about 45 years, of Concord township, Butler county, was descending the East Sandy hill on his way to Pithole, the horses became frightened and ran away, and threw Mr. Pisor from his seat-the wagon passing over his body, and injuring him to such an extent that he died in five hours.

ATTENTION BOYS !- Several weeks since, twenty boys were arrested in Lewisburg, Union county, for serenading a married couple, and making night hideous by their yells. All were heavily fined and bound over to keep the peace for six months. Some of the boys in this place should improve this lesson, or they may be caught in a similar "trap," some of these days.

SCALDED.-A little daughter of Mr. W. M. Allison, of Potter township, Clinton county, aged two years, in consequence of being left alone in the kitchen by a hired girl, was so badly scalded that she died in terrible agony about 18 hours afterward. The child went to the stove and upset a tea kettle of boiling water which fell over its body. This is another warning, for others to be more careful.

BEAR SHOT. - A black bear was shot in a garden, near Lock Haven, at White, Hipple & Co's planing mile, on October 29th. It afterward transpired that Bruin was a pet, which had been taken to Lock Haven had forbidden the owner to feed him on the farm horses, \$3. train, hunger impelled the "varmint" to knaw his way out to gain food. The owner claims \$500 damages from the tailroad company.

of the Lewistown Gazette has been presented with a box of fine pound apples-one of which weighed 22 ounces. If any of our good friends can beat that, let them send on a box or barrel-full, and we'll notice the fact.

MAN SHOT .- Murder, and other crimes, seem to be quite common in the Oil region. On the 23d October a shocking murder was committed at Pithole, in Venango county, A new establishment known as the "Varieties" was opened with a ball. A Rochester actress named Goff was assaulted by one Mat Kintie, of Troy. She ealled for help, and her man, John Simpson, also from prevailed. The air has been quite cold ever Rochester, came to the rescue, and shot Kintie. The murderer is in jail at Frank-

GRANT AND SHERMAN .- We announce to those interested, that the book entitled 'Grant and Sherman, their Campaigns and Generals," is now ready for delivery. We have given the work a cursory examination, to return them to the court. So, look out and would say that it meets our expectations. The engravings are excellent, and the typography good-fully up to the promise of the

publishers. The book contains many interesting features, and will be read with general interest. Adam C. Flanigan, the agent for this county, will deliver the book to subscribers as fast as he can procure it. Persons who have not, as yet, subscribed, should do so at once.

THE SUSQUEHANNA SHAD FISHERIES .-The public movement against the dams in the Susquehanna river, which obstruct the ascent of shad.and salmon and other fish in season, is assuming considerable importance. Meetings have been held in many of the towns along the banks of the river, and a number of delegates have already been elected to the Convention that was suggested several weeks ago. The executive committee appointed at the meeting in Harrisburg, has issued a formal call for a convention, to meet in the House of Representatives at that place, on the afternoon of the second Wednesday in January next, to which all the counties bordering on the Susquehanna, or that are directly or indirectly interested in shad fishing in this river, are invited to send delegates. The Legislature will then be in session, and some salutary provision requiring the removal or alteration of the obnoxious dams, and for the protection of shad fishcries in the Susquehanna. will be demanded. The indications are that this Convention will be largely attended.
