DIVINE SERVICES.—Rev. Archer will preach in the Presbyterian church, morning and evening, on Sunday, Feb. 18th.
 Rev. Monroe will preach in the M. E. Church, on Sunday morning, Feb. 18th.
 Rev. Semberow will preach in the Baptist church, on Sunday evening, Feb. 18th.

NEW GOODS.—We announce the fact, that Messrs. Wright & Flanagan, have just received a new stock of seasonable goods, to which they invite the attention of purchasers. Call on Adam if you wish to buy goods at reasonable prices.

GROCERIES.—We ask the attention of our readers to the card of H. B. Martin, Wholesale and Retail dealer in Groceries, etc., at Hollidaysburg, Pa. Mr. Martin keeps a large stock on hand, and hence can sell them at very moderate prices.

THE WEATHER.—Within a week the weather has been very changeable. On Thursday and Friday last, cold—Saturday, Sunday and Monday forenoon, warm with rain, causing much of the snow to melt—Monday afternoon, air colder and some snow—Tuesday, a little snow at intervals.

TO MERCHANTS.—We direct the attention of our merchants to the card of Wardle, Reed & Co., Wholesale Grocers, Philadelphia, Pa. Mr. Reed, (who called in our office last week,) is a very clever business man—one with whom it is a pleasure to deal. Give him a call when you go to the city.

GROUND HOG DAY.—We neglected, last week, to notice the fact that the 2d of February was quite mild, and that the sun shone part of the day; and hence, according to weather prognosticators, the ground hog retired to his burrow—a sure indication of six weeks of hard winter ahead. So far, however, the weather has been rather mild.

TIMBER.—A pretty fair quantity of timber was placed on the banks of our streams within the last fortnight, but in most cases only parts of rafts—the recent rain and snow having stopped the hauling. At present, however, the indications are favorable for a continuance of good roads, and we anticipate the filling out of all the rafts commenced.

OUR CURRENCY.—It is hard to please people on the score of money. Some people say there is too much of it, but the greater part of mankind complain that there is too little. Our currency is the best in the world. The quality is good, the quantity abundant, and it bears, without shrinking, the reproach and blame of all the exorbitant prices in the country.

THE RIVER.—Owing to the rain and melting of the snow, in the beginning of the week, the water has risen several feet in river, but, as yet, not sufficiently high to carry out the ice—the ice being unusually heavy. Should we have a sudden break-up, at this time, the loss of lumber would be immense, as very little of it has been properly secured against such an emergency.

MONEY ORDER OFFICE.—Several weeks since we stated that the Post office in Clearfield had been designated as a Money Order Office, and would go into effect so soon as the proper arrangements could be made. The necessary documents having arrived, the Postmaster is now prepared to issue orders similar to those in any part of the United States. Persons desirous of making remittances will make a note of this fact.

MAN FROZE.—Thomas Wood, an old citizen of Lawrence township, living about two and a half miles from Clearfield, froze to death last week. It seems he was subject to "fainting spells"—frequently dropping down and lying in an unconscious state for some time. On Monday, February 5th, (the mercury being at 8 deg. below zero in the morning,) while engaged in hauling wood, he fainted, it is supposed, and fell alongside of the sled, where he was found frozen to such a degree that life became extinct a few minutes after he was taken to his home. He was aged 67 years, 5 months and 5 days.

NOTICE FOR THE MUSICAL.—Mason & Hamlin's Cabinet Organs are the only instruments that have the "Automatic Bellows Swell," and as they having it patent no other makers DARE use it. Persons wishing organs should be careful, therefore in purchasing, as agents selling an inferior article, invariably represent it, to be as good as Mason & Hamlin's, when no one else can use their "Automatic Bellows Swell," the very thing that makes their instrument so much superior to those of any other maker. We would advise any of our readers who think of purchasing to visit the music store of B. M. Greene, Huntingdon, Pa., agent for this County, where can be seen a full assortment of these very fine instruments and also Steinway & Sons' Pianos. Miss E. A. P. Ryder is Mr. Greene's Agt. at Clearfield, where can be seen these instruments, or any information desired obtained.

There is a demand for fractional currency, and the printing bureau of the Treasury is hard at work answering the call for more.

REPUBLICAN MEETING.—Pursuant to a call of the Chairman of the Republican County Committee, a meeting was held at the office of J. B. McNally, Esq., in Clearfield, Pa., for the purpose of taking steps to select delegates to the Union State Convention, to be held at Harrisburg on the 7th day of March, 1866.

On motion, S. B. Row was selected as President, and John M. Adams as Secretary, of the meeting.

H. B. Swoope, Esq., offered the following resolutions, which were adopted:

Resolved, That J. B. McNally, John Patton and G. W. Rheem, be chosen Senatorial Conferees, to correspond with or meet the Conferees of the other counties in the district, and select a Senatorial delegate to represent us in the Union State Convention to be held at Harrisburg on the 7th of March, 1866.

Resolved, That S. J. Row, J. M. Adams and D. Livingston, be selected Representative Conferees, for the purpose of uniting with the Conferees of the other counties in selecting a Representative delegate to said convention.

On motion, the meeting adjourned.

Goes into Operation soon.

By the tenth session of an act approved March 3, 1863 (12 Statutes at Large, p. 765), it is enacted that every claim against the United States, cognizable by the Court of Claims, shall be forever barred unless the petition setting forth a full statement of the claim be filed in the Court, or transmitted to it within six years after the first claim accrues; provided, that claims accrued six years before the passage of the act shall not be barred if presented within three years after the passage of the act. Thus all claims against the United States cognizable by the Court of Claims, and of more than six years' standing, will be barred after the 3d of March, 1866. The claims cognizable by said Court are: 1. All claims founded upon any law of Congress; or 2, upon any regulation of any Executive Department; or 3, upon any contract, expressed or implied, except (1) claims growing out of or dependent on any treaty stipulation, and (2) claims for property damaged, destroyed or appropriated by the army or navy engaged in the suppression of the rebellion.

MARRIED:
 At the residence of the officiating Clergyman, T. Van Scoyoc, on Wednesday evening the 7th Feb. Mr. J. D. GANOE of Janesville, Clearfield Co., and Miss ELLEN E. M'KEE of White township Cambria county.
