TYRONE AND CLEARFIELD RAILROAD .-We learn that the Penn'a Railroad Company has recently put a new and most elegant passenger car on the Tyrone and Clearfield branch. The branch is under the superintendancy of James Lewis, Esq., a gentleman well qualified for the position; and we are assured that every attention will be given, by the employees of this branch, to make passengers feel comfortable, both as to cars and the manner of transacting busi-

THE WEATHER, RIVER AND RAFTING. -Last week we stated that, on account of a sudden change in the atmosphere, raftingin was suspended. The cold continued until Sunday last, when the air 'moderated, and several inches of snow fell. On Monday the snow melted under the warm rays of the sun, and the river rose to a rafting stage, and soon our lumbermen were again busy at work. Quite a number of rafts have started for the lower markets, within a

I. O. of G. T.-We are in receipt of the proceedings of a convention of the I. O. of G. T., held at Bellefonte on February 21st, Christian, and beloved by all who knew her. 1866. The proceedings are quite lengthy, and hence, on account of the crowded state of our columns, we must decline their pubheation. We will say however, judging from the report before us, that the Convention was well attended - the exercises interesting -that the Order is in a flourishing condition-and that the cause of temperance, an ler the auspices of the Good Templars, is doing a good work.

A HANDSOME DONATION.-We learn by an exchange that Rev. Cambridge Graham, tormerly of this county, and now preacher in charge of the New Cumberland circuit, in Cumberland county, was recently the recipient of quite a handsome donation from the members of his charge. He received, in provisions, about \$100, beside a complete suit of clothing. The latter was made up by the lay brethren in New Cumberland. and presented by Major Gen. John W. Geary, the Union candidate for Governor. in a brief but pertinent address.

BARN BURNT. - A correspondent informs us that, on Thursday, March 8th, at about 20 clock in the morning, the barn of Henry Hamlin, of Graham township, was disowered to be on fire, and was entirely consumed, together with a number of cattle and sheep, and a large quantity of hay and straw. When first seen, the fire had already made such progress as to preclude day of March, 1866. the possibility of rescuing the cattle and sheep. It is supposed that the fire was the work of an incendiary, as no one had been about the barn with a light the evening pre-

More New Music.-We are indebted to Horace Waters, 481 Broadway, N. Y., the well-known publisher, for the following pieces of new Music: "Don't Marry a Man if He Drinks," "The Patter of the Rain Drop," and "Happy Golden Days"—three most beautiful songs. As to "Sleep my Dear One," a song, we are unable to decide whether it is good, bad, or indifferent, as we have only received the two concluding strains. Price, 30 cents each. We would advise all lovers of fine music to send for the above named pieces, as Mr. Waters publishes much of the best and most popular music in use.

The Issue.

The two great political organizations in Pennsylvania have made their nominations for Governor. The Union Republican party has selected Major Gen. John W. Geary, of Cumberland county, as its standard bearer, and the Democracy the Hon. Heister Clymer, of Berks county. The issue between the two great parties is fairly represented by their respective candidates. Gen. Geary represents the unconditional Union sentiment of the State, while Mr. Clymer represents the sympathy with the rebellion which gave the government so much trouble during the war. Who can doubt how the people will decide?

The "Democratic" Platform.

Below we publish the Platform of the Pennsylvania Demoeracy, adopted by their State Convention, at Harrisburg, on March

The Democracy of Pennsylvania in Convention met, recognizing a crises in the affairs of the re public, and esteeming the immediate restoration of the Union paramount to all other issues, do re-

First. That the States whereof the people were lately in rebellion, are integral parts of the U-nion, and are entitled to representation in Congress by men duly elected who bear true faith to the Constitution and laws, and in order to vindicate the maxim that "taxation without representation" is tyranny, such representatives should be forthwith admitted.

Second. That the faith of the republic is pledged to the payment of the national debt, and Congress shall pass all laws necessary for that pur-

Third. That we owe obedience to the Constitu-tion of the United States including the amend-ment prohibiting slavery, and under its provisions will accord to those emancipated all their rights of person and property.

Fourth. That each State has the exclusive right

to regulate the qualifications of its own citizens.
Fifth That the white race alone is entitled to the control of the Government of the republic and we are unwilling to grant to negroes the right

Sixth. That the bold enunciation of the principles of the Constitution and the policy of restoration contained in the recent annual and Freedmen's Bureau veto messages of President Johnson entitles him to the confidence and support of all who respect the Constitution and love their coun-

seventh. That the nation owes to the brave men of our army and navy a debt of lasting gratitude for their heroic services in defense of the Constitution and the Union; and that while we cherish with a tender affection the memory of the fallen, we pledge to their widows and orphans the nation's care and protection. Eighth. That we urge upon Congress the duty of equa izing the bounties of our soldiers and

Post Master General Dennison denies in a published letter, a report that the patronage of his Department is to be used against

the Republican party. He says: "I believe the interests and the glory of the country essentially depend on the vigorous maintenance and success of the Union Republican party, and its continued control of the Government for an indefinite term, and hence never expect to act with any other political organization as long as it exists.'

# THE KIDNEYS.

The kidneys are two in number, situated at the upper part of the loin, surrounded by fat, and consisting of three parts, viz: the anterior, the interior, and the exterior.

The anterior absorbs; the interior consists of tissues or veins, which serve as a deposit for the urine, and convey it to the exterior; the exterior is a conductor also, terminating in a single tube. and called the ureter; the ureters are connected

The bladder is composed of various coverings or tissues, divided into parts, viz: the upper, the lower, the nervous, and the mucous. The upper expels, the lower retains. Many have a desire to urinate without the ability, others urinate without the ability to retain. This frequently occurs in children.

To cure these affections we must Men, Youths and Boys can be supplied with full suits of seasonable and fashionable clothing at Gravel and Dropsy may ensue

### TREATMENT.

Helmbold's highly concentrated Ex-tract of Buchu is decidedly one of the best remedies for diseases of the bladder, kidneys, gravel, dropsical swellings, rheumatism, and gouty affections. Under this head we have arranged Dysuria, or difficulty and pain in passing water; Scanty secretion, or small and frequent dis-charges of water; Stranguary, or stopping of water; Hæmaturia. or bloody urine; Gout and Rhematism of the kidneys, without any change in quantity, but increase of color or dark water. It was always highly recommended by the late Dr Physick in these affections.

This medicine increases the power of digestion, and excites the absorbents into healthy exercise, by which the watery or calcareou depositions and all unnatural enlargements, a well as pain and inflamation, are reduced, and is taken by Men, Women & Children.

Рипландерны, Ра., Feb. 25, 1857.

H. T. HELMBOLD, Druggist: Dear Sir :- I have been a sufferer, for upwards of twenty years, with gravel, bladder, and kidney affections, luring which time I have used various medicinal preparationS, and been under the treatment of the most eminent physicians, experiencing but

Having seen your preparations ex-tensively advertised, I consulted with my family physician in regard to using your Extract Buchu

I did this because I used all kinds of advertised remedies, and had found them worthless, and some quite injurious; in fact, I despaired of ever getting well, and determined to use no remedies unless I knew of the ingredients. It was this that prompted me to use your remedy As you advertised that it was composed of BUCHU, CUBEBS, and JUNIPER BERRIES, it occurred to me and my physician as an excellent combination, and, with his advice after an examination of the article, and consulting again with the druggist. I conculuded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bot-tle I was astonished and gratified at the beneficial effect, and arter using it three weeks, was able to walk out. I felt much like writing you a full statement of my case at the time, but thought my improvement might only be temporary and therefore concluded to defer and see if it would effect a perfect cure, knowing then it would be of greater value to you and more satisfactory to me

I am now able to report that a cure is effected after using the remedy for five months.

I have not used any now for three months, and feel as well in all respects as I ever did.

Your Buchu being devoid of any unpleasant taste and odor, a nice tonic and invigorator of the system. I do not mean to be without it when ever occasion may require its use in such affections
M. M'CORMICE.

THE LIGHT OF THE WORLD.

# DR. MAGGIEL'S PILLS AND SALVE.

These Life-giving remedies are now, for the first time, given publicly to the world. For over a quarter of a century of private practice the ingredients in these

# Life-Giving Pills!

Have been used with the greatess success. Their mission is not only to prevent disease, but to cure. They search out the various maladies by which the patient is suffering, and re-invigorates the failing system. To the aged and infirm a few do-ses of these valuable PILLS will prove to be

A VERY FOUNTAIN OF YOUTH,

For in every case they add new Life and vitality, and restore the waning energies to their pristine state. To the young and middle-aged, they will prove most invaluable, as a ready, specific, and sterling medicine. It was left for this day and hour to realize the dream and show, in one giorious fact, the magic that made it fair. These famous Remedies Cannot stay the flight of years, but they can force

back, and hold aloof, disease that might triumph over the aged and young. Let none hesitate then, but seize the favorable opportunity that offers. When taken as prescribed— FOR BILIOUS DISORDERS Nothing can be more productive of cure than these Pills Their almost magic influence is felt

at once; and the usual concomitants of this most distressing disease are removed. These remo Vegetable Compounds.

They will not harm the most delicate female, and can be given with good effect in prescribed doses to the youngest babe.

FOR CUTANEOS DISORDERS And all eruptions of the skin, the SALVE is

most invaluable. It does not heal externally a-lone, but penetrates with the most searching effects to the very root of the evil!
