Dear Sir :--- I have been a sufferer, for upwards of twenty years, with gravel, bladder, and kidney affections. during which time I have used various medicinal preparationS, and been under the treatment of ie most eminent physicians, experiencing but little relief.

Having seen your preparations extensively advertised. I consulted with my family physician in regard to using your Extract Buchu.

I did this because I used all kinds of advertised remedies, and had found them worthless and some quite injurious; in fact. I despaired of ever getting well, and determined to use no remedies unless I knew of the ingre-

dients. It was this that prompted me to use your remedy As you advertised that it was composed of BUCHU, CURENS, and JUNIPER MERILIES, if oc curred to me and my physician as an excellent combination and, with his advice after an examination of the article, and consulting again with the druggist. I conculuded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bot-tle I was astorished and gratified at the beneficial effect, and arter using it three weeks, was able to walk out. I felt much like writing you a full statement of my case at the time, but thought

my improvement might only be temporary and therefore concluded to defer and see if it would effect a perfect cure. knowing then it would be of greater value to you und more satisfactory to me I am now able to report that a cure

is effected after using the remedy for five months.
