A WORD TO Boys.-Some one has said. "Boys, did ever you think that this great world, with all its wealth and woe, with all its mines and mountains, its oceans, seas, and views ; with all its shipping, its steamboats, railroad, and magnetic telegraphs; with all its millions of men. and all the science and progress of ages, will soon be given over to the hands of the boys of the present ageboys like you assembled in school-roon s, or playing with them, on both sides of the Atantic? Believe it and look abroad on your inheritance, and get ready to enter upon its possession. The kings, presidents, governors, statesmen, philosophers, ministers, teachers, men of the future, all are boys, whose feat like yours cannot reach the floor, when seated on the benches on which they are learning to master the monosylailes of their respective languages."

PHILADELPHIA, Pa., Feb. 25, 1857. H. T. HELMBOLD, Druggist :

Dear Sir :- I have been a sufferer, for upwards of twenty years, with gravel. Bladder, and kidney affections. during which time I have used various medicinal preparationS, and been under the treatment of most eminent physicians, experiencing but little relief.

Having seen your preparations extensively advertised. I consulted with my family physician in regard to using your Extract Buchu

I did this because I used all kinds of advertised remedies, and had found them worthless and some quite injurious; in fact, I despaired of ever getting well, and determin-ed to use no remedies unless I knew of the ingredients. It was this that prompted me to use your remedy As you advertised that it was compos ed of suchu, cuasas, and JUNIPER BERRIES, it occurred to me and my physician as an excellent combination, and, with his advice a. er an examination of the article, and consulting again with the druggist. I conculuded to try it. I commenced its use about eight months ago, at which time I was confined to my room. From the first bot-tle I was astonished and gratified at the beneficial effect, and arter using it three weeks, was a ble to walk out. I felt much like writing you s full statement of my case at the time. but though my improvement might only be temporary and therefore concluded to defer and see if it would effect a perfect cure, knowing then it would be of greater value to you und more satisfactory to me

I am now able to report that a cure is effected after using the remedy for five months.

I have not used any now for three months, and feel as well in all respects as I ever did.

Your Buchu being devoid of any unpleasant taste and olor, a nice tonic and invigorator of the system. I do not mean to be without it when ever occasion may require its use in such affections M. M'CORMICK
