ALTOONA, Pa., Jan. 28th, 1866.  
TO THE CITIZENS OF GIRARD AND ERIE COUNTY, PA.:—Your letter, proposing to run me for Congress, is received. I would indeed be insensible to the commonest impulses of humanity were I not with the warmest sentiment of gratitude for the kind expressions and personal regard that your letter contains, signed as it is by Republicans and Democrats, whom I know to be staunch supporters of the Government, and many who have risked their lives for the preservation of the Union. Such distinguished consideration overcomes every natural objection I may have for political honors, consequently I do accept of your kind invitation to allow my name to be used, but with the understanding that I am not to be the standard-bearer of either political party (Republican or Democrat), but if nominated it must be by a People's Convention, as I belong to the people. They are my friends and patrons, and in justice to them, composed as they are of all shades of political opinions, I must continue to live in their esteem and labor to promote their happiness and interests which has been the height of my ambition for twenty-five years.

Respectfully Yours, DAN RICE.
