DIVINE SERVICES.—Rev. Archer will preach in the Presbyterian church, morning and evening, on Sunday, September 30th. Rev. Monroe will preach in the M. E. church, on Sunday morning, Sept. 30th.

COURT.—The attendance at court is not so great as was anticipated, on account of large numbers of our citizens going down the river on rafts.

ADMITTED.—S. A. Fulton, Esq., was, on motion of H. B. Swoope, Esq., admitted to practice in the several Courts of Clearfield county, on Tuesday last.

Eyre & Landell, 4th and Arch streets, Philadelphia, have completed their improvement, and are now offering their usual display of Dry Goods to purchasers. Read their advertisement.

RAFTING.—The copious rains last week, had the effect of making a good rafting flood, and in consequence all the timber on our streams was floated out, and is now on its way to market.

ARE YOU ASSESSED?—Our friends in this county should remember that Saturday, September 29th, is the last day on which assessments can be legally made before the election. See that you and your neighbors are assessed or you may lose your votes.

BACK DOWNS.—For several days past, let's be freely offered on our streets that Gen. Geary would be elected by 15,000 majority, but the friends of Clymer declined to take the bet. This fact, although insignificant, indicates that the Cops give up all hopes of electing their candidate.

SERIOUS AFFLICTION.—It would seem our neighbor Goodlander's eyesight, as well as his sense of hearing, has been very seriously impaired within a few weeks, judging from the fact that he failed to notice the Republican "thunder" in Maine on the 10th of September. Come, George, you mustn't take "on so hard" about Maine, or you will turn entirely deaf and blind after the Second Tuesday of October, on hearing the result in Pennsylvania.

GODDEY'S LADY'S BOOK.—The October number of this inimitable Lady's Magazine is before us, and retains all its interesting and instructive features. As the year is near a close, we would suggest to our readers the propriety of now commencing to make up their clubs for 1867. Terms; one copy, one year \$3; 2 copies \$5.50; 3 copies \$7.50; 4 copies \$10.00; 5 copies, and an extra copy to gether up of club, \$14.00; 8 copies, and an extra, \$21.00; 11 copies, and an extra, \$27.50. Address, L. A. Goddey, Philadelphia, Pa.

TO HONORABLY DISCHARGED SOLDIERS.—As it was said, several months since, that full lists of the deserters would be sent to the several election boards in the State of Pennsylvania, we would suggest to all honorably discharged soldiers the propriety of taking with them to the polls, on the Second Tuesday in October, their discharge papers, or certified copies of the same, so as to prevent any disputes as to their being honorably discharged from the service. No doubt, many soldiers' votes will be challenged, who have served the Government faithfully during the term for which they enlisted, and hence the necessity of all having their papers with them.

FATAL ACCIDENT.—It is with deep regret that we announce the sudden and unexpected death of Dr. H. P. Thompson, of Curwensville, on Wednesday, Sept. 19th. He was on a visit to some patients, several miles from town, and as he was coming down a hill at a rapid gait, was thrown from the seat of his sulky forward. In the fall his feet became entangled in the shafts and one wheel of the sulky, and as a consequence his face struck the ground first, and in this position, the sulky passing over him broke his neck. No person saw the occurrence, but we learn, the marks on the ground would indicate that the accident occurred in the manner above related. Dr. Thompson was one of our most estimable citizens, and his sad and sudden death has cast a gloom over the entire community in which he resided.

APROPPOS.—Mr. Ferdinand H. Jordan, publishes "a card" in the last Republican addressed "to the Editor of the Raftsmans Journal," to which our neighbor appends the following:
"The above note was handed to the editor of the Journal last week, but, for some reason unknown to us, he refused to publish it."
The reason is obvious: The "card" contains no request to publish. It merely asks the withdrawal of his name from the list of soldiers, with which he had nothing to do. Ferdinand signed, or authorized his name to be signed to the Constitution of the Soldier's Geary Club, and if he did not wish it retained there, why did he not, like a brave soldier, "face the music" and erase it from the club book, instead of getting a law-student to write us "a card" about it? A-hem! Try again, George.
