UNION REPUBLICAN STATE TICKET. FOR GOVERNOR: Maj. Gen. JOHN W. GEARY, of Camb. Co. REPUBLICAN DISTRICT TICKET. FOR CONGRESS: Hon. GLENNI W. SCOFFIELD, of Warren. FOR ASSEMBLY: JAMES M. M'KAY, Esq., of Forest Co. REPUBLICAN COUNTY TICKET. ASSOCIATE JUDGES: ARTHUR BELL, Esq., of Bell township. Lt. THOS. LIDDELL, of Clearfield Bor. COMMISSIONERS: JACOB HOOVER, Esq., of Lawrence Twp. AUDITOR: JOHN RUSSELL, Esq., of Penn township.

TO OUR FRIENDS.

As this is the last issue of the Journal before the election, we will address a few words to our Republican friends throughout the county. The present political contest is a highly important one, and may decide whether we shall have peace and prosperity in the future, or not. Although we have defeated the rebels upon the battle-field, yet they are potent enough if united with their old allies of the North, the Copperheads, to endanger the permanency of the Union, should the control of the Government fall into their hands. In view of this fact, it behooves the friends of free institutions to stand firm by their principles—to be active, energetic, vigilant, from now to the election, and use every effort to have every Union voter at the polls on next Tuesday. If our friends in this county, as well as throughout the State, will do their whole duty, a most glorious victory will be the result, and Gen. Geary will be triumphantly elected by an overwhelming majority. Then we say once more, go to work now and never cease in your efforts until the polls shall have closed on the second Tuesday of October.

DON'T BE DECEIVED.

Our enemies are working day and night with a view of defeating some of the Republican candidates for Congress, for, after all, in this is centered every hope they have of restoring the Rebels to power, and of getting the control of the Federal Government into their own hands again. To accomplish this, they are resorting to every species of falsehood, deception and fraud. Lies of the most infamous character will be freely circulated on the day of election; the prejudices of individuals will be appealed to; and the impression is forcing itself upon the public mind that voters are being imported from other States. This shows the importance of vigilance and activity on the part of our Republican friends everywhere. Let them be up and doing. See to it that every man is at his post—that not a voter is absent from the polls on the day of election. Desperate as the enemy may be, we feel that a sure and glorious victory is in store for us on the second Tuesday of October, if we only do our duty.

THE GAME OF BRAG.

The Democratic leaders have been busy, during the past week, circulating among the faithful, a report to the effect that they had "a big thing" on hand which would defeat General Geary by a large majority. This is the old game of "brag," to which they used to resort, in former times, on the eve of elections. Having abandoned it for some years they concluded to try it this fall, with a view of stirring up their disheartened followers and getting them to turn out on the day of election. Further than this it will amount to nothing, for we can assure our friends that, from every section of the State, the most cheering accounts reach us of the prospects of Gen. Geary and the various Republican nominees for Congress.

THE BOUNTY FALSEHOOD.

The Copperheads are still busily engaged in circulating the falsehood that white soldiers are paid but \$100 bounty, while the negro soldier gets \$300. We have frequently, in private conversations, asked them to produce the official record to substantiate their assertions, and thus far they have failed to do so. Whenever you hear the same assertion made, it is only necessary to ask for the official record to expose this flimsy falsehood.

TO THE POLLS!!

Friends of the Union, remember that next Tuesday is the day of election. Go to the polls early, stay all day, and see that every friend of liberty deposits his ballot for Geary, Scofield, M'Kay, and the whole Republican ticket. Let not a vote be lost. The greater the vote, the greater the victory.

THE ISSUE.

The friends of Gen. Geary favor the Constitutional amendment, because it guarantees to all citizens by law the right of life, liberty and property, and thereby legally abolishing and forever prohibiting slavery in the Union.

The friends of Clymer are opposed to the amendment, and therefore deny citizens the right to be protected in life, liberty and property and favor the revival of slavery in the Union.

The friends of Gen. Geary favor the Constitutional amendment, because it makes the voting population the basis of representation, thereby preventing the negroes from being represented in Congress by traitors.

The friends of Clymer are opposed to the amendment, and therefore favor negroes being represented in Congress by the rebels who fought to destroy the Union.

The friends of Gen. Geary favor the Constitutional amendment, because it prevents perjured rebels from holding office under the National Government, unless by a vote of two-thirds of Congress.

The friends of Clymer are opposed to the amendment, and therefore favor perjured rebels holding the National offices, unrestricted.

The friends of Gen. Geary favor the Constitutional amendment, because it acknowledges the validity of the National debt, including the pensions and bounties to our soldiers.

The friends of Clymer are opposed to the amendment, and therefore are in favor of repudiating all our National obligations.

The friends of Gen. Geary favor the Constitutional amendment, because it declares the rebel debts as illegal and void and shall never be assumed or paid by the National Government or any State.

The friends of Clymer are opposed to the amendment, and therefore are in favor of paying the rebel debts by the labor of the North.

Such is the issue before the people for decision. Freemen of Clearfield county, and of Pennsylvania, are you in favor of the Constitutional amendment, or are you opposed to it? If you favor its adoption vote for Gen. Geary; if opposed to it, vote for Clymer. The issue is a plain one; and with you rests the responsibility of deciding for or against your own interests. Which will you do? Answer at the ballot-box on Tuesday.

TO ARMS, SOLDIERS!

Glorious Boys in Blue! You who fought the armed foe on the bloody field of battle—you who defeated the rebel hordes of Jeff. Davis, Lee and Johnson, when they attempted to destroy the Government of our Revolutionary fathers—you who saved the old flag from disgrace and defeat—we appeal to you to turn out on the day of election and aid in defeating at the polls an enemy who would restore the Rebels to power, and place in their hands the future control of the Government! This is the true issue now before the people—this is the question now to be decided by your ballots on the 9th day of October—and we feel confident you will do your full share to have it determined in the right way. We know you will vote as you fought. No true soldier of the Republic will do otherwise.

A VILE SLANDER.

The Copperhead leaders, of Clearfield, are busily engaged in circulating a story that Capt. Hutchison, one of the speakers at the Republican meeting on Wednesday evening last, "was never at the front, that he was only in the three months' service." This is a vile slander. Capt. Hutchison was not only in the three months' service, but enlisted as a Lieutenant in Co. C, 49th P. V., for three years, and was promoted to a Captain for gallant services in action. These facts can be substantiated by several members of his company, who now belong to the Soldiers' Geary Club in this place, if necessary.

AN ADMISSION.

Notwithstanding the unfavorableness of the weather, the Republican procession is admitted, by Democrats, to have exceeded their demonstration on Tuesday. One of the leaders said, in a very emphatic manner, as the Republican procession entered town, "Although the Democrats number nearly two to one in this county, yet the Republicans always beat us two to one in a procession"—a compliment highly appreciated by us, although not intended for our ears.

DON'T TRADE VOTES.

As heretofore stated, there will be an effort made on the part of the Copperheads to trade votes. That is, they will vote for Geary if Republicans will vote for Scott, for Congress. Don't do it! They know they can't elect Clymer, but hope by trading votes to defeat Scofield. Again we say, don't trade votes, but deposit a full Republican ballot.

Soldiers! Stand Back.

Among the new Philadelphia appointments was the name of Colonel W. A. Gray, the only soldier in the list, and he a meritorious one. The slate, at the last moment, was changed, by taking off Colonel Gray's name, and putting on Mr. Snowden's an old incumbent in the mint under Buchanan. The soldiers have to stand back for such as they under Copperhead rule.

THE REPUBLICAN MEETING.

Pursuant to previous notice, the Union men of Clearfield county met in Mass Convention at the Court House, in Clearfield borough, on Wednesday evening, September 26th, 1866.

The day was very unpropitious—rain having fallen up to 2 o'clock, p. m. But, notwithstanding the unfavorable condition of the weather, a goodly number of persons came to town during the day, and, towards evening, a delegation from Curwensville, and points above, arrived, which, in addition to a few vehicles hastily gathered up, entered town in procession amidst the waving of flags and the enlivening strains of martial music, and cheers. The procession, along its line of march, was ever and anon greeted with cheers and the waving of handkerchiefs by the ladies. In the procession were 35 vehicles containing 265 persons, and 90 men on horse-back. With few exceptions, the procession was made up of voters, a large proportion of them soldiers.

In the evening, and just preceding the opening of the meeting, the "boys in blue" turned out and formed a torch-light procession; and headed by an excellent band of martial music, and amidst the light of their blazing torches, marched through our streets, presenting, truly, a magnificent appearance. All honors are due to these surviving heroes and defenders of the Union. After having passed along our principal streets, they entered the Court House, and soon every available position in the capacious room was crowded to overflowing.

The hour for opening the meeting having arrived, it was called to order by D. Faust, Esq., the Chairman of the Republican county Committee, who announced the following list of officers, which, upon motion, was unanimously adopted:

- President, H. B. SWOOP, Esq.; Vice Presidents, Capt. J. H. HESLEY, James Glenn, L. W. WELD, Capt. D. McGAUGHEY, Jacob Mock, Edw. W. GRAHAM, Edw. McGarvey, Alex. Murray, John Barmony, S. B. LINGLE, J. A. CALDWELL, Daniel Graham, John Tyler, J. W. T. HOLLOPETER, J. B. MARTIN, Zack Bailey, John Dale, and R. J. SHAFFNER. Secretaries, James F. ROSS, Wm. A. NELSON, Osburn Hoel, Jacob Birge, Capt. J. L. REX, and S. J. ROW.

Upon taking the chair, Mr. Swoop, in a few brief remarks, stated the object of the meeting, and then introduced the Hon. Glenni W. Scofield, our member of Congress, who, was welcomed by three hearty cheers from the immense audience.

Mr. Scofield then addressed the people present upon the political issues of the day, in a very dignified and respectful manner—using no harsh epithets or immoderate expressions against his political opponents. He discussed the Constitutional amendment at some length, and clearly demonstrated its justness and moderation towards Southern rebels, and the effect it would have upon the future status of Congress, in that it made the voting population the basis of representation. His remarks were explicit, well-timed and to the point, and made a favorable impression upon all who heard them; and, we doubt not, will have the effect to dispel much of the false impression that has been created against Mr. Scofield, by his political opponents, in this county. During his remarks he was frequently interrupted with enthusiastic applause.

Capt. Hutchison, of Bellefonte, was then introduced. His remarks were more especially addressed to his fellow soldiers—large numbers of whom were present from all parts of the county. His points, in reference to the political issues now before the country, were well taken, clear and pointed. He demonstrated plainly who were the true friends of the soldiers, and urged them to support Gen. Geary for Governor, as he is worthy of their votes. Mr. H. is a young man of more than ordinary ability, and a fluent and pleasant speaker. His remarks were received with great applause by the audience.

Hon. H. Souther, of Ridgway, was the next speaker introduced. He entertained the audience in his usual able and felicitous style, for a short time; and was applauded to the echo, ever and anon, as he illustrated the political status of the Copperhead party now and during the war. On account of the lateness of the hour, Mr. Souther's remarks were brief, yet pungent and explicit.

H. B. Swoop, Esq., being loudly called for by the audience, rose and made a few brief remarks—the people cheering vociferously as he "photographed" some of the leaders of the Copperhead party in this county.

Mr. Swoop, although urgently solicited, declined making any extended remarks, on account of the lateness of the hour, but proposed three cheers for Geary, Scofield, and the whole Republican ticket, which were heartily given; after which the meeting adjourned.

No doubt, this meeting had a good tendency, and will produce its results on the second Tuesday of October. But for the inclemency of the weather, the demonstration on Wednesday would have been the most imposing of any that ever occurred in this county.

The Adjutant General of the State of Texas has declared that he is ready at a moment's notice to march five thousand men to aid any regular "to drive the damn Yankees (the regular army) from that State." My policy—Texas swinging round the circle.

THE OOP MEETING.

The Democracy assembled in Mass Meeting, in Clearfield, on Tuesday evening, Sept. 25th, as per previous notice. This being Court week, and the weather very pleasant, a large number of persons were present. Their procession, however, was rather a slim affair—a failure. It consisted of 36 vehicles of various descriptions, containing 217 men and boys, the latter being largely in excess, and 40 horsemen. In fact, we believe, there were not 100 voters in the procession.

The meeting was called to order by G. B. Goodlander, the Chairman of the County Committee, after which

T. J. McCullough, introduced Hon. Cyrus L. Pershing, of Cambria county. Mr. Pershing is rather a pleasant speaker, but, it was with difficulty he could be understood any distance from the stand, on account of the rapidity with which he spoke. His remarks were received with some slight manifestations of applause—especially on "swinging around the circle" on to the "nigger."

Next came Mr. Scott, the candidate of the "amalgamation" or "fusionist" party. He spoke but very few words—merely reminding the audience that he was tired, that he had traveled all night, and that he was a candidate for Congress—after which "exhausting" effort he subsided in his former position on the stand—having forgotten to "swing around the circle" to the "nigger."

Then, a Mr. Marshall, from Erie, we believe, was introduced. His remarks had reference, more especially to what occurred in South America and Hayti during the last several centuries. But, after having exhausted the entire ancient history of the above named Republics, he succeeded in "swinging around the circle" on to the inevitable "nigger," and then gave way to the next speaker.

At this juncture, T. J. McCullough advanced to the front part of the stage and commenced some remarks. Being at some distance from the stand at the moment, we are unable to give the subject of his remarks at the opening; but his gesticulations were "tremendous." When we got within hearing distance he was just "swinging around the circle" where the "nigger" comes in, and soon he retired from the front of the stage.

Now came Father Test. This venerable individual opened in his usual dignified, self-important, and positive style, and then, rolling his eyes upward like a dying kitten, suddenly began telling an anecdote, which had the effect of producing some laughter and applause. But he soon "swung around the circle" on to the "nigger" and retreated.

Lastly, Dr. Boyer, was trotted out, and began a harrangue to the audience in his old style, but he, too, soon "swung around the circle" on to the "nigger," and after demolishing that sable "indoooidal much," he retreated from the scene of carnage, to the scene of conviviality.

In fact, all the speakers seemed to labor under some hallucination and hence the "nigger" was the only object that was presented to their view. Poor souls, how they are worked into spasms over the African. Wherever they go, the sable form of Sambo rises before them as a dreadful and terrifying spectre. If walking the streets, they seem to be fearful of Sambo encroaching upon the white man's rights. If sitting at the table they eat with a rapidity that is sure to contract dyspepsia lest some colored individual might enter and claim the honor of dining with them. When they lay down at night they are haunted in their dreams by forms of a negro President, negro Congress, negro Governor, and the whole African race riding in golden chariots with white men for footmen. Yea, whether sleeping or waking, sitting or walking, lying or standing, the black man is ever present, and they stare about with glaring eyes balls, and in frantic tones continually exclaim, "nigger!!" "nigger!!" "NIGGER!!!"

Poor Cops! we really pity them. Some *ignis fatuus*, in the form of Sambo, has settled in the "marshy grounds" which overtops their shoulders, and they imagine that "negro suffrage" and "negro equality" are the issues involved in the present political contest. But the intelligent portion of the people of Pennsylvania know better, and hence are not in the least frightened by the silly cries of "nigger" by these pretended advocates of white men's rights.

The real issue now before the people is: Shall Loyal men, or Rebels rule this country? Loyal men saved the Union from destruction by rebels, and the people have determined that loyal men only shall rule the affairs of State.

The officers of the Society and members of the Committees of Arrangements will wear a badge designating their office, and will be their duty as well as pleasure to attend to the exhibition, and to see that all exhibitors and others, if it is in their power, so to do. A select police force will be in constant attendance for the preservation of order and protection of property.

The exhibition is level, well graded, and one-third of a mile in circuit. Ample arrangements will be made for the convenience of spectators. Children under ten years of age not admitted unless accompanied by their parents.

It is especially desired that animals receive an award in more than one class. Judges are expressly required not to award premiums to over-fatted cows. No premiums are to be awarded to bulls, cows or heifers, which shall appear to have been fattened, only in the class of fat cattle. The object of the Society being to have superior animals of this description for breeding purposes.

FAT CATTLE.—The judges of fat cattle will give particular attention to the animals submitted for examination. It is believed all other things being equal those that are the best will receive the greatest weight over the smallest superfluous. Judges will require all in this class to be weighed, and will take measures to give the superfluous of each, and publish the result with their report. They will also, before awarding any premium, require of the competitor full statements as to the manner and cost of feeding as required by the regulations of the premium list.

When there is but one exhibitor although he may show several animals in one class, one premium will be awarded, that to the first, or otherwise as the merits of the animal may be judged.

The superintendent will take every precaution in his power, for the safety of stock and articles on exhibition after their arrival, and arrangement on the grounds, but will not be responsible for any loss or damage that may occur. The Secretary desires exhibitors to give personal attention to their animals and articles, and at the close of the fair to attend to their removal as the Society cannot take further care of them.

The premiums offered by the Society will be awarded to the individuals, who, in the judgment of the committee shall do their work in the best manner, provided the work is done in the time allowed for its performance.

Each plowman to strike his own land, and plow entirely independent of the adjoining land. Within the one-fourth of an acre plowed, the plowman will be required to strike two back furrows and finish with the dead furrow in the middle.

Any information required in regard to matters of the Society can be gained by addressing the Executive Committee or the Secretary, who will be pleased to give any information in their power at any time.

Any article not enumerated in the above classes and placed upon exhibition, if worthy of notice, will be suitably awarded.

The Executive Committee reserve a discretionary power to award diplomas in any case for the best articles, or for articles not entitled to premiums by the rules.

All articles may be entered free of charge, accepting horse or pleasure, and for the best premiums.
