ONSUMPTION CURABLE BY DR SCHENCK'S MEDICINES. To cure consumption, the system must be pre-pared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleaned and an appetite created for good wholesome food which, by these medicines will be digested properly, and good healthy blood made; thus huild-ing up the constitution. Schenck's Mandrake

ous accumulations; and by using the Sea Weed Tonic in connection, the appetite is restored Schenek's Pulmonic Syrup is nutricious as well as medicinal, and, by using the three remedies, all impurities are expelled from she system, and good, wholesome blood made, which will repel all disease. If patients will take these medicines according to directions, consumption very frequently in its last stage yields readily to their ac tion. Take the Pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not required, for sometimes in diarrhea they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay an irritation. Then all that is required to perform a permanent cure is, to prevent taking cold Ex ercise about the rooms as much as possible, cat all the richest food—fat meat, game, and, in fact, anything the appetite craves; but be particular and masticate well.
