Religious.-Divine services will be held next Sabbath, in Clearfield, as follows: By Rev. Chambers in the Episcopal

church, morning and evening; By Rev. Archer in the Presbyterian church, morning and evening;

By Rev. Monroe in the Methodist church in the morning; By Rev. Sembower in the Baptist church

in the evening; DOBBINS' ELECTRIC SOAP, the Women's

friend, is for sale by Showers & Graham and R. Mossop. Get some and try it. New Stock.-Wm. F Irwin has just received from the city a well selected stock of Seasonable goods, at his store in Clearfield

borough, which he is offering to purchasers at reduced prices. Give him a call at once if you want to secure bargains. THE WEATHER, RIVER, ETC .- Within the past week, the weather has been variable-by turns pleasant, cold and wet. A sufficient quantity of rain fell to raise the river to a good rafting stage, and gave an

opportunity of running the few rafts that,

on former freshets, were left scattered along BURGLARY .- On Thursday right, Nov. 15th, some unknown person burglariously entered the hotel of Geo. N. Colburn, in this place, forced open the money drawer in the bar, and took therefrom between \$25 and \$35 in money. The thief gained access to the house by hoisting the dining-room window. No suspicions are entertained, as

to who is the thief. NEW MUSIC. - We have received the following pieces of new music from the publisher, C. M. Tremaine, 481 Broadway, New York: "The Tender Glance Schottish," by Mrs. Parkhurst : "Do not heed her warning," words by Thomas Manahan and music by Henry Tucker, and "Waiting for the loved one." words by Josephine Pollard and music by H. Tucker-all beautiful pieces. Price 30 cents each.

To Make Boots Last. - Next to oiling them thoroughly once a month, and hanging them carefully away in a dry place, the following recipe, which is going the rounds of the press, is perhaps the best known: A coat of gum copal varnish applied to the soles of boots and shoes, and repeated as it dries, until the pores are filled and the surface shines like polished mahogany, will make the soles waterproof, and also cause them to last much longer than ordinary soles.

SPECIAL COURT. - A special adjourned Court will be commenced in Clearfield borough, on Monday, Dec. 3d. 1866. The following causes have been set down for trial at that time :

Potter vs. Blanchard, No. 7 Nov. T. 1857. Urian vs. Boynton, No. 2 Jan. T. 1858. Patchin vs. Lamburn, No. 96 Sep. T. 1859. Forcee vs. Antes, No. 65 Jan. T. 1860. Lamborn vs. Patchin, No. 2 Jan. T. 1861 Morgan vs. Shoff, No. 4 March T. 1861. Lightner's administrators vs. Leonard, No. 56 March term, 1866.

NEW DRESS.—The Clearfield Republican made its appearance last week in an enlarged form, and much improved in its typographical appearance. We are pleased to observe this evidence of the financial prosperity of our neighbor; but regret to say that there is no indication of improvement in the political tone of the Republican-on the contrary, it is as virulent as ever in its opposition to the enlightened public sentiment of the country as represented by Congress, and quite as bitter in its denunciation of religious denominations that have the independence to express their opinions on the great topics that are at present enlisting the attention of the civilized world.

THE LADY'S FRIEND. -The December number of this beautiful Magazine reminds us by its profuse display of attractions that the Hollidays are approaching. The charming steel engraving, "under the Mistletoe," and the more elaborate design of that which is appropriately termed "Old Folks at Home and Young ones Abroad," have a direct reference to the happy and festive Christmas season. These engravings are executed on steel, and in the finest style of art, as a comparison with those in other Magazines will prove. Next, there is a beautiful colored engraving, designed as a pattern for Berlin wool work and beadsworth in itself double the price of the whole number. Then a splendid double-paged colored fashion plate-no common lithograph this, but finely executed on steel, from the latest Parisian styles. Next, we have a wood engraving of "The Tournament"-a Christmas amusement; a piece of music, and a host of other wood engravings, devoted to the fashions, needle-work, &c. The literary matter is, as usual, of the best quality. Specimen numbers of the magazine, containing the particulars of the premium offers and the reduced prices to four copies (with one engraving) \$6.00; terson, 319 Walnut street, Philadelphia.

STOLEN. -On the night of the 15 h No- 4 vember, about ten bushels of oats was stolen from the stable of James B. Graham, Esq., in this borough.

DEMOREST'S YOUNG AMERICA is the title of a new and very attractive Magazine for boys and girls, that will both delight and in struct them. It is furnished at \$1.50 yearly, and with other inducements in the way of Premiums. Single copies, 15 cts. Parents should secure a specimen of this very unique and beautiful Monthly. Published at 473 Broadway, New York.

BALL PLAYING ON SUNDAY.-We are reliably informed, that a number of boys, some nearly grown up, have been engaged at playing ball on Sundays, in the vicinity of town. Whilst we approve of ball-playing as a healthful pastime, generally, we must condemn its indulgence on the Sabbath day as wicked and in no way excusable. We trust that those who have been guilty of this species of Sabbath-breaking, will, for their own good and for the credit of their families, refrain from it hereafter. Besides this, it is a violation of the State law, and, by a continuance of the practice, they may find themselves compelled to appear and answer before the proper Court.

THE METEORIC SHOWER, although not witnessed by any of the citizens of Clearfield, was not a failure everywhere. At Chicago, Cincinnati, Washington, Boston, and other points, more or less "shooting stars" were seen by persons who remained up during Tuesday night. At New Haven, Connecticut, a party of 12 to 18 observers, headed by Prof. Newton, counted six hundred and ninety-six in five hours and twenty minutes. At midnight they came at the rate of 80 to the hour, increasing to 180 the last hour before dawn. At several other places nearly similar results were obtained. In England the shower was greater, as many as five thousand meteors being counted with the naked eye, in one hour, at Greenwich observatory. The display was of great beauty and brilliancy.

Godey's Lady's Book.-The number for December, of this attractive magazine, is on our table. The steel-plates, fashionplates, and wood-cuts in this number cannot be excelled by any other magazine. Among are not green. the illustrations are "The Christmas Doll," a beautiful engraving-a handsome steelplate title-page, consisting of five tableaux-"Sleighing by Moonlight," a tinted plate-Colored Fastrion plate, containing six figures .- "Temptation," a picture for the juveniles, besides a large lot of wood engravings and patterns for needlde-work, fashions, etc., which are so much admired by the ladies generally. The literary contents are, as usual, very interesting and entertaining. Price, \$3 a year; two copies \$5.50; three copies \$7.50; four copies \$10. Address L. A. Godey, N. E. corner Sixth and Chestnut streets, Philadelphia.

JURY LIST. -The following are the Jurors drawn for the special adjourned Court, commencing Dec. 3d, 1866: Beccaria; Jas. Cree, Daniel Crowell, Bell; Godfrey Weaver. Boggs; Roland C. Faust. Bradford; David Means, Henry Albert. Brady; A. Bonsall, H. Shugart, F. Wingert, J. Lines, Jr., M. S. Clark. Burnside; Geo. W. Gallagher. Chest; Wm. McGarvey. Covington; D. Askey. Clearfield; Wm. V. DR. SCHENCK'S PULMONIC SYR This great medicine cured Dr. J. H. Schenck, the preprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quick'y

disappeared, and his present weight is more than two hundred pounds. Since his recovery he has devoted his attention exclusively to the cure of consumption. and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. Schenck makes professional visits to several of the larger cities weekly, where he has a large concourse patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr Schenck's Pulmonic Syrup, Sca-Weed Tonic, and Mandrake Pills are generally all required in curing consumption. Full directions accompany each, so that any one can take them without seeing Dr. Schenck, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his free, but for a thorough examination with his Respirometer his fee is three dollars.

Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of consumption, and the other as he now is in perfect health—are on the Gouernment stamp Sold by all druggists and dealers Price \$1 50 per bottle, or \$7.50 the half dozen. Letters for advice should always be directed to Pr. Schenck's principal office, No. 15 North 6th Street. Phila-
