LATEST FASHIONS DEMAND

J. W. BRADLEY'S

CELEBRATED PATENT DUPLEX ELLIPTIC (OR DOUBLE SPRING) SKIRT.

The wonderful Flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, carriages, railroads, cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small space as easily and conveniently as silk or muslin dress, an invaluable quality in crinolines, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic steel spring skirt for a single day, will never afterwards willingly dispense with it. For children, misses and young ladies, they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless.
