LATEST FASHIONS DEMAND J. W. BRADLEY'S CELEBRATED PATENT DUPLEX ELIPTIC (OR DOUBLED SPRING) SKIRT.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Eliptic Skirt will be experienced in particular in all crowded assemblies, operas, carriages, and on road cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress, an invaluable quality in crinolines, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Eliptic steel spring skirt for a single day, will never afterwards willingly dispense with their use. For children, misses and young ladies, they are superior to all others. They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four additional skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered, preventing them from wearing out when dragging down the stairs. At the Duplex Eliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the standard skirt of the fashionable world.

To enjoy the following inestimable advantages in crinolines, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Eliptic or Double Spring Skirt, and be sure you get the genuine article. CAUTION.—To guard against imposition be particular to notice that skirts offered as "Duplex" have the red ink stamp, viz: "J. W. Bradley's Duplex Eliptic Steel Springs." Also notice that every hoop will admit a pin being passed through the center, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere. Manufactured by the sole owners of the Patent, WEST, BRADLEY & CARL, 97 Chambers & 79 & 81 Reade Sts., N. Y. January 23d, 1867.-3m.
