RELIGIOUS. - Divine services will be held next Sabbath, in Clearfield, as follows: By Rev. Archer in the Presbyterian church, morning and evening; By Rev. Sembower in the Baptist church

by Rev. Chambers in the Episcopal church, morning and evening By Rev. Harrison in the Lutheran church,

in the morning. SUPREME COURT. -The cases from this county, in the Supreme Court, will be arrued next Monday, March 25th, at Phila-

SEVERELY INJURED. - We learn that on a scuffle at Newburg, broke one of his ankle joints in such a manner, as likely to render Lim a cripple for life.

SUSPENDED. -Owing to the sudden change in the atmosphere, the streams have fallen very much, and rafting was pretty generally suspended. A few days of warm weather will, however, suffice to again raise the streams, when the rafting business will be resumed with renewed vigor.

Too HIGH.-One great obstacle to the prosperity of our town is the high price of pal estate. Lots, for building purposes, are entirely beyond the reach of men of moderate means. If our wealthy men want to see the town enlarge and improve, one of the first steps is to reduce the price of building

COURT.-Court is now in session, but owing to the absence of parties and witnesses, on the river, very few people are in attendance, and very little business is ready for trial. Up to the time of our going to press, no case had been tried before a jury. The Court was engaged hearing arguments, mo-

BAD ARRANGEMENT .- March is the wrong month for a Court in Clearfield county. The people are nearly always engaged on the river, and it is impossible to get jurors, parties and witnesses to attend. The time ought to be changed, and instead of January and March, court should be held in De cember and February.

AN IMPOSTOR. - Several of our exchanges eaution the public against a man who is ng through the Juniata valley soliciting money on the representation that he is a minister of the Gospel. He has bogus recommendations from well-known clergymen in this State. The people should be on the lookout for this impostor.

WANTED. -In view of the great demand for dwellings in our town, and the prospect of its enlargement, we need a good "Building Association," by which men of moderate means can be afforded assistance and encouragement to erect homes for themselves. Will not our capitalists take hold of the matter, and thus promote the common interest and prosperity of the town.

OUR RAILROAD, -The Messrs. Collins. the contractors who are to grade the road between this and Phillipsb irg, are actively a work. They are busily engaged erecting shanties and making the other necessary preliminary arrangements, with a view to commence digging the first of April. It will not be many months until the snort of the iron-horse will be heard in Clearfield.

ANOTHER COLD SNAP. - Contrary to gen-Thursday morning last, three-fourths of an inch of ice had formed on standing water, and on Saturday and Sunday about five inches of snow fell. But the air having again moderated, the snow is rapidly disappearing, and the present indications favor pleasant weather.

ANOTHER RAILROAD ENTERPRISE .- We learn that our friends in the upper part of the county, are making an effort to have the Indiana branch of the Penn'a Railroad extended to the Cherry-tree, and from thence, by individual enterprise to Patchinville, and ultimately to Burnside. This would be a most valuable improvement to our county, and we sincerely wish our enterprising friends, up the river, success in their un-

Moving Time. - As the first of April is hear at hand, and some of our subscribers will change their places of residence, we take this opportunity of requesting all such to inform us of the fact, so that we can make the proper change in their address. Give the name of the post office to which your which it is to be directed in the future. A strict observance of this request will prevent prevails in regard to them. confusion and delay.

SOMETHING FOR THE MARRIED LADIES. -We noticed a beautiful Juvenile Fashion Plate in Mr. Bridge's window, which is intended to show the present Broadway styles. Persons wishing to clothe their children, either boys or girls, in the latest fashions. should call and examine the plate and obtain a set of Butterick's perfect fitting patterns, business. which are kept on hand and for sale at Mr. Bridge's Merchant Tailoring establishment, on Market street, Clearfield.

ARRESTED. - A young man named Aultz. was arrested at Phillipsburg, on Saturday a week, on a charge of having robbed the store of Mr. A. Montgomery, in Philipslurg, Centre county, a short time since. His attempting to sell some of the stolen goods, led to his arrest.

THE POISONING CASE. - The motion for Rye Flour, bbl. a new trial, in the case of Lena Miller, convicted at the January Term of murder in the first degree, was argued yesterday before the Court. The argument consumed the entire afternoon session. The decision of the Court was withheld for the present. The case will probably be held over, to await the fate of the bill now before the Legislature, to authorize the Courts, in certain cases, to pass sentence of imprisonment instead of death.

ACCIDENT .- A young man named Hammer, formerly of Brookville, and now in the employ of the Alpine House, in St. Marys, Friday, March 15th, Mr. Joseph Shook, in Elk county, met with a sad accident, some days since. In attempting to jump on the engine of a passing train, he missed his step and was thrown under the wheels, resulting in the fracturing of his leg above the knee, and the crushing of his foot. The wounds were properly dressed, and at last accounts he was getting along as well as could be expected.

> THE NEW CHURCHES. -The preparations for the erection of the Presbyterian and Methodist Churches during the coming summer, are progressing rapidly. The stonecutting for the Presbyterian Church has been going on all winter. It will be a magnificent structure-one of the finest churches in the State. The Methidost Church will also be a large and elegant edifice. The building of the Railroad, the Churches, and a large number of dwelling houses, will make Clearfield a rather brisk place this

TIMBER. - Our eastern friends, supposing from the large quantity of snow we had during the winter that the timber market would be overstocked, have been holding back with the expectation of very low prices. They are beginning to realize, however, that they are likely to be disappointed. There was too much snow during the winter and the hauling was so much impeded, we are informed, that the quantity of timber got out is much smaller than it was last season. If our people are not too hasty in getting into market, they may rely on sell ing for as good prices as they did last year.

"WILD DUCKS," En ?-Quite an excitement was created in Bellefonte, last week, ducks on the planing-mill dam. Several sportsmen hastened hither, and after much toil and trouble succeeded in capturing four of the birds. They bore them home in great triumph, but their joy was of short duration, for, as they were being congratulated upon their good luck, they were suddenly confronted by a Mr. Kline, a farmer. who claimed pay for the ducks, as he had raised them in his barn yard. That "wild duck" chase turned out a rather tame affair. surely.

IMMENSE TRADE .- The value of the timber, logs, boards, shingles, staves, etc., annually exported from Clearfield county, is not less than nine millions of dollars. Much of the advantage of this great trade, is lost to our people by the raw material being manufactured elsewhere. The attention of those interested in the prosperity of our county should, therefore, be directed to the encouragement of home manufactures. The extension of the railroad to the river, will afford all the facilities for transportation enjoyed by other localities, and preparations eral expectation, another cold snap visited should at once be made by our business men, this region during the past week. On for holding logs and timber, and erecting mills, etc., for its manufacture at home.

AN INSTRUCTIVE INCIDENT. - Several Sundays ago, a small boy, aged three or four years, saw some geese pass the door, when he said to his father: "Pa; let me go and chase them geese." "Why?" answered the parent, "this is the Lord's day." "Well, pa," said the boy, "the Lord won't care if I just chase one goose." The father only smiled and remarked "let us go to prayer meeting." Now, how many persons do we find who entertain opinions similar to this child ?-who think "the Lord won't care" for one little sin-for one little oath-for one little drink-for one little goose. We hope that all may learn a lesson from this simple, yet instructive remark of a little child.

"My dear Horatio, I had a very mysterious dream about you." "What was it, dear?" "I dreamed that I saw you carried up to heaven in a golden charict, surrounded by angels clothed in white and purple.
What is that a sign of, my dear?' "It is What is that a sign of, my dear?" a sign of a foul stomach.

DR. SCHENCK'S PULMONIC SYR-

This great medicine cured Dr. J. H. Schenek, the preprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than

two hundred pounds. Since his recovery he has devoted his attention exclusively to the cure of consumption, and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. Schenck makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr Schenek's Pulmonic Syrup, Sea-Weed Tonic, and Mandrake Pills are generally all required in curing consumption. Full directions accompany each, so that any one can take them without seeing Dr. Schenek, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollars.

Please observe, when purchasing, that the two likenesses of the Doctor-one when in the last likenesses of the Doctor—one when in the last stage of consumption, and the other as he now is, in perfect health—are on the Gouernment stamp. Sold by all druggists and dealers. Price \$1.50 per bottle, or \$7.50 the half dozen. Letters for advice should always be directed to Pr. Schenck's principal office, No. 15 North 6th St., Phil's, Ps.
