PROPOSALS.

PENNSYLVANIA AGRICULTURAL LAND SCRIP FOR SALE.

The Board of Commissioners now offer for sale 520,000 acres of Agricultural Land Scrip being the balance of the Scrip granted to the Commonwealth of Pennsylvania for the endowment of Agricultural Colleges in this State.

Proposals for the purchase of this Land Scrip, addressed to "The Board of Commissioners of Agricultural Land Scrip," will be received at the Surveyor General's office, at Harrisburg, until 12 o'clock, M., on Wednesday, April 10, 1867.

This land may be located in any State or Territory, by the holders of the scrip, upon any one of the unappropriated lands (except mineral lands) of the United States, which may be subject to sale at private entry. Each piece of scrip represents a quarter section of one hundred and sixty acres, is issued in blank, and will be transferable, without endorsement or formal assignment.

The Scrip will be issued immediately on the payment of the money to the Surveyor General. On all bids for a less quantity than 40,000 acres, one-third of the purchase money must be paid within ten days, and the remaining two-thirds within thirty days after notification of the acceptance of the bid or bids by the Board of Commissioners. J. M. CAMPBELL, Surveyor Gen'l.

LATEST FASHIONS DEMAND

CELEBRATED PATENT DUPLEX ELLIPTIC (OR DOUBLE SPRING) SKIRT.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress, an invaluable quality in crinolines, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic steel spring skirt for a single day, will never afterwards willingly dispense with their use. For children, misses and young ladies, they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down stairs, &c.

To enjoy the following inestimable advantages in crinolines, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition be particular to notice that skirts offered as "Duplex" have the red ink stamp, viz: "W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere. Manufactured by the sole owners of the Patent. WESTS, BRADLEY & CARY, 97 Chambers & 79 & 81 Reade Sts., N. Y. January 23d, 1867-3m.
