FIRE. -The house of Israel Schucker, of Lawrence township, with part of its contents, was destroyed by fire on Tuesday, April 9th. The fire originated from a stove-pipe. Loss about \$300.

RAFFING -Rafting had been suspended on account of the low water, but this (Wednesday) morning, there is a high rofting flood. There is, however, but little timber to run, as most of it got off on the last flood.

THE WEATHER. -The prevailing mild air. and the slight rain on Tuesday, have had the enect to start vegetation from its long ber, and already the fields look quite green. We anticipate a favorable, as well as early season.

BROKE LOOSE - The Mariettian says there was a "break loose" at that place, on Thursday last, but that all the rafts except eight were again secured. Of the eight, six went to Columbia and two lodged on the rocks in the falls.

CONFERRED. - We learn that Edmund S. w. Esq. of Osceola Mills, this county, received from the University of Michigan. a its last commencement, the degree of L. L. B., (Batchelor of Laws)-a compliment which will be highly appreciated by Mr. S's. many friends in this county.

Trough - We learn from the Mariettian, that lat few sales of timber have, as yet, been made, there being a "stand off" betreed the buyers and sellers-the former he'm determined to reduce the present pieces, whilst the latter "stand firm" and will maintain the rates asked by them.

House Burned .- On Saturday, April Paradise, was burned to the ground. Mr. 's loss is, perhaps, over \$1,000, which will e severely felt by bim, as it was his all. he fire originated from a stove-pipe, pasing through the porch roof. No insurance.

It contained about 12,direct of boards, most of which belonged the Presbyterian church and W. On Monday, her remains interred in the cemetery on the hill, tather they were followed by an unusually -- concourse of our citizens, and the us of the Sunday School of which she wen a member. Peace to her remains.

TRE COUNTY. -A terrible fire occurred village of Stormstown, Centre county, Sanday, April 7th. The larger portion the towns and that which constituted lusiness part, is now a mass of ruins. Then houses, with their contents-embraing hotels, stores, shops, and residenceslestroyed. Most of the owners of the burnt would like to re-build, but are unable to do so, as the fire renderthem pennyless. The fire left them homes, money, provisions por clothhe only thing saved was the clothing heir backs. Aid should be rendered hen by those who are able to do so, as by are really in a suffering condition.

PRINTING OFFICE BURNED. - We deeply regret to learn that the office of the Record destroyed by fire, on the 9th April. > GENERAL JAIL DELIVERY .- The American Standard, (Uniontown,) says: "A few nights ago we had another exit of prisoners. Escapes have become so general of late that we did not think it worth while to mention reavement. all of them, but to show what a smart Sheriff we have, we relate the following: The Sheriff went into the jail to attend to some business, but forgot to lock the door after him. He had occasion to go into a cell, and while in there the prisoners pulled the door shut and bolted it, which made the Sheriff a prisoner, and before he could give the alarm they had all escaped, and have not since been heard of. We give them credit.'

The Cops of Nebraska are in a terrible ilen ma just now. Their every day prayer "nigger;" they swear "nigger," talk "nigger," and their every thought is "nigger, and yet they can scarcely think of swallowing the less daugerous dose of "nigger votes. On the State Constitution question they have succumbed at last. Good

This has been the longest, severest and closest winter that has been experienced here since that of 1856-7, snew lying, at times, to the depth of from 12 to 18 inches in the vicinity of Omaha and the lower Platte. Emigrants are pouring into this country of promise at a rate far in excess of any former period since my arrival here, and I hesitate not to predict that our population, the April 13th, at about 11 o'clock, the in a year hence, will be near two hundred thousand. There are comparatively few who are not fully satisfied with the country in general, and proceed to make it their home and abiding place. A few, however, are disappointed, and they invariably prove to be such as started westward with hopes By the prompt efforts of our citi- and expectations wrought up by an imagination bred with fiction, and after tasting a reality, founded on principles of reason, they become discouraged and return, to clothe a country that will not enrich a slothful man, in the darkest shades of disgust.

There is but little doing on the Union Pacific Railroad, as yet, but the company expect to commence operations in the course of a few weeks. The locality for the bridge | ler of the Currency. JONA. BOYNTON Pres't. across the Missouri River has not yet been fully decided on, but the present prospects indicate its location at Bellvue, the county seat of Sarpy county, and will, consequently, leave Omaha to be supplied by a switch or

branch road. The populace of Nebraska are strongly in favor of the removal of the State Capitol to a more central part of the State, probably Lancaster City or Fremont, but this may not occur for a few years yet. Prices of produce are tending upward, and are as follows: Wheat, \$1 40 (a \$1 60; corn, 65 (a) 80c pr. bu.; oats, 55 (a) 60c; potatoes, per bu., \$2 00 (a) \$2 50; rye, \$1 10; eggs, per doz., 30e; butter, per to 45 (@ 55e; bacon, 15 @ 20c. Dry goods are slightly on the decline since the iron horse has again resumed his journeys to and from the eastern markets. Groceries are also declining in prices, and more rapidly than dry goods. Lumber is being shipped to Omaha, and prices falling at a rapid rate, but as there will be an unprecedented demand for that article, the coming season, it may not decline as rapidly as the consumers might desire. Prices for the present are as follows: white pine flooring, ready worked, \$75 00 @ \$80 00, per m; siding, planed, \$40 @ \$45 00; paneling, \$95 @ \$100 00; culled lumber, pine, \$45 @ \$50 00; cottonwood lumber of all descriptions, \$20 @ \$27-00; walnut \$37 @ \$42 00; maple flooring, \$40 00; Basswood siding, \$25 @ \$30 00. per m feet; cord wood, delivered at railroad, \$6 (a) \$8 00 per cord. Wages are good for all kinds of work and range about as follows: brick layers, \$4 @ \$6 00 per day; plasterers, \$5.00 per day; carpenters, \$3.50 (a) \$4 00 per day; blacksmiths \$4 (@ \$5 00 per day; all other tradesmen at proportionate rates. Day laborers, \$1 50 to \$3 00 per day according to labor and board arrangements; month labor on farms ranges from \$20 to \$35 00 per month; boys, of from fourteen to twenty years, also demand good wages on farms, ranging from \$13 to \$25 00 per Respectfully yours, PILGRIM.

The Newman (Georgia) Herald says that two widows and their families in Cowell county, occupying the same house, were reduced to such destitution as to compel an allowance of only three mouthfuls of corn true abstract from the Quarterly Report made to bread at each meal. In consequence, one the Comptroller of the Currency Apr. 1st, 1867. one person has perished from starvation.

ARE YOU INSURED? is a question of DEATH.—The York True John H. FULFORD, Attorney at Law, Clear- Democrat says: A sad and painful accident over First National Bank. Prompt attention giv. GRAPE VINES FOR SALE.—All the leading hardy varieties of first quality: took place in New street, in our borough, on Tuesday April 5th, by which a little girl aged | all legal business. about ten years, the daughter of a widow lady by the name of Leader, was so badly burned as to occasion her death twenty-four hours afterwards. The mother, it seems, who at times goes out to work for other people, had left the girl at home to take care of two smaller children, and had given them some walnuts to crack for their amusement and entertainment. Having done this and taken out the kernels she attempted to of the Times, at Wilkesbarre, was totally throw the shells from her apron into the fire, when it caught from a spark in the stove, and in a few moments her whole clothing was in flames. The girl ran crying into the yard, and attempted to get out on the street through the gate, when her shrieks attracted the attention of some of the neighbors, who arrived, however, too late to save the little sufferer. Her clothing was burned entirely from her body, and she presented a pinful and heart-rending spectacle. She lingered until the next day, when death relieved her of her sufferings. Much sympathy is felt in the neighborhood for the widowed mother, who is overwhelmed with grief at her sad and terrible be-

DR. SCHENCK'S PULMONIC SYR-UP. This great medicine cured Dr. J. H. Schenck,

the preprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quick'y disappeared, and his present weight is more than

two hundred pounds.

Since his recovery he has devoted his attention exclusively to the cure of consumption. and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. Schenck makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr Schenck's Pulmonic Syrup, Seapersons. Dr Schenck's Pulmonic Syrup, Sea-Weed Tonic, and Mandrake Pills are generally all required in curing consumption. Full direc-tions accompany each, so that any one can take them without seeing Dr. Schenck, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his

Respirometer his fee is three dollars. Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of consumption, and the other as he now is in perfect health—are on the Gouernment stamp. Sold by all druggists and dealers. Price \$1 50 per bottle, or \$7 50 the balt dozen. Letters for advice should always be directed to Pr. Schenck's principal office, No. 15 North 6th St., Phil's, Pa.
