RELIGIOUS.-Divine services will be held next Sabbath, in Clearfield, as follows: By Rev. Archer in the Court House morning and evening;

By Rev. Sembower in the Baptist church in the morning ;

By Rev. Chambers in the Episcopal church, morning and evening

By Rev. Harrison in the Lutheran church in the morning.

By Rev. Guver in the Methodist church in the afternron.

ICE CREAM .- An ice cream festival will come off at Mrs. S. J. Row's, on Saturday evening, May 18th-the proceeds to be applied to making some repairs in the Lutheran Church edifice.

A QUICK TRIP .- The Harrisburg Telegraph says, that on Thursday, May 9th, six men run a raft from Port Treverton to Highspire in seven hours-undoubtedly the fastest time made by any raftsmen.

ONIONS FOR POULTRY .- It is said that the feeding of onions to poultry is a preventive of disease. The onions should be given two or three times a week, chopped up worth a trial, at least.

PAINTS, ETC.-Persons desirous of purchasing paints, brushes, varnishes, etc, will find it to their advantage to buy at Hartswick & Irwin's who are just opening a large assortment in that line, at their Drug Store on Market Street, Clearfield. See adverhisement.

MERCANTILE CHANGE.-By reference to our advertising columns it will be seen that the firm of Showers & Graham was, by mutual consent, dissolved on the 10th of May. The books are in the hands of Mr. Graham for settlement, who will continue the business as heretofore.

GOOD .- The Bellefonte Watchman says: "The Spring Creek Canal is not, by any means, dead stock on the hands of the owners, as a dividend has been declared for July next-it being the intention of the board of the hay divided among the stock holders." Slightly "sarkastik," that.

TIPS.-The N. Y. Post says: We are surprised to see children wearing shoes with when for a trifle more, shoes with Copper or the new and beautiful silver Tips can be preventing these two serious evils.

CENTRE COUNTY .-- A man named Rice, residing near the "Loop" in Potter township, died from exposure while returning from Centre Hall, on the 2d May. He was found by the roadside the next morning. Cause; whisky.

LYCOMING COUNTY .- The Williamsport Gazette, of May 9th, says: "The high hills north-east of this city are to-day covered with snow. A strange contrast their wintry tops present with the green and blooming foliage all around us."

CLARION COUNTY .- On April 30th, Mrs. Martin, a lady 67 years of age, living near the "Stone House," in Ashland township while seated in a chair complained of a severe pain in her left shoulder, and, as she spoke, her head fell back and she instantly expired. Cause; heart-disease.

INDIANA COUNTY .- On May 3d, Robt. Dodson, of Indiana, had his leg broken, whilst engaged in hauling goods to Cherrytree. He accidentally fell from the wagon, when a front wheel run over and broke his leg above the ankle. . . . A large wolf was killed by Andrew Fisher, of Grant township, which came into his barn yard week before last.

FAYETTE COUNTY .- On May 7th, a young man named George Stacey, met with a horrible death at Overholt's distillery. He was engaged in stirring and watching two ferwith a little corn meal. The suggestion is menting tubs filled with warm beer, when, it is supposed, he made a miss step and fell backwards into one of the tubs and was drowned. He was discovered and taken out about fifteen minutes after he had been seen at work.

> MCKEAN COUNTY .- The "oil fever" is likely to rage again in this county. Last season a well was sunk near Bradford, and oil obtained, but not in paying quantities. A few days since, however, it was discovered that the well was flowing oil-several buckets-full of which were caught. The flow was estimated at twenty barrels, but most of it was lost before vessels could be procured to save it. So, look out for the 'fever." QUERY .- When will the Clearfield well flow twenty barrels?

BLAIR COUNTY .- Mr. George Emerich, a carpenter, had three of his ribs broken, besides being badly bruised, at Johnson's Rolldirectors to have the tow path mowed and ing Mill, at Hollidaysburg, on May 1st. He was repairing a fly-wheel, and while on the inside of it the engine was started, which turned the wheel and carried him with it. After receiving the injuries named he was taken off by some men. . . . ragged holes at the toes-wasting their pa- The merchant tailoring establishment of rent's money, and endangering their health. Thos, Elway, of Altoona, was broken into on the night of May 2d, and robbed of between \$400 and \$500 worth of goods. This had which never wear out at the toes, thus is the third time Mr. E. has been robbed, within a short time. THE CHRISTIAN MINISTRY. -Of late years it has frequently happened that ministers of the Gospel have changed their locations, not on account of the waning of their influence for good, but simply because they were offered larger salaries in other localities. In fact, this habit of "accepting calls" because of being offered a "larger salary," seems to prevail to such an extent, throughout the land, as even to attract the attention of the secular press-a fact, worthy the serious consideration of every truly faithful Christian minister. A change to a field of greater usefulness is perfectly in accordance with the calling of a preacher of the Gospel, but a change merely on account of 'better pay'' is a rather doubtful procedure. On this subject the following article from the Harrisburg Telegraph will, no doubt, be read with interest by many: "The practice of preachers of the Gospel leaving one locality where they are confessedly doing great good, where they are supported comfortably, and where all their wants are liberally supplied-the practice of these gentlemen leaving such localities and severing their connection with churches where their influence in furthering the good cause is incalculable, to accept calls in other directions, merely because they are offered a few dollars more salary, is attracting the attention and exciting the disgust of good men belonging to all churches. We could mention half a dozen cases connected with we announce the accidental drowning of a congregations located within a circle of a citizen of this county. It seems that on hundred miles around Harrisburg, where ministers of the Gospel have suddenly severed their connection with such congregations at a time when the highest interests of cidentally went over Shamokin dam, and religion demanded they should not go, but were torn to pieces, and Cortes Bloom, of they nevertheless went, because they had "calls" that "paid better" than where they were stationed. It is all right erough that a minister of the gospel should carefully rescued, receiving only a number of severe look after his pecuniary interests, in order bruises. We have not learned whether the that the temporal welfare of a growing family may be promited, and the education and settlement, in this world, of his children may be provided for, but in nine cases out of ten (we confess it with sorrow and humitiation) the sordid qualities of human nature, too powerful for clerical control, obis a great purifier, and cannot be too freely trude themselves where money, "the root used. The tollowing is said to be a good of all evil," should never be allowed to exreape for making whitewash : Take a clean ert an influence. The preacher who leaves a congregation where his earthly wants are well catered to, where the comfort of his put in half a bushel of lime. Slack it by family is carefully promoted, merely to impouring water over it, boiling hot, and put prove his pecuniary condition. and, as it were, add to his wealth-the preacher of the gospel who does this, may be a good man, but it is a debatable question whether he comes up fully to the character for which a fected, dissolve in water, and add two pounds servant of Jesus Christ should be respected Changing pulpits merely for pay is huckstering in religion, and debasing the glori-ous calling of a minister of God."

A SHAD "SELL."-Two weeks since the Bellefonte Watchman stated that "one of the boys employed in that office, had caught two large shad at the end of the Spring Creek bridge, in that place." The "bait took," and accordingly several gentlemen in Harrisburg were as badly "sold" as the shad were on being sold to Meek.

IMPROVEMENTS. - The spirit of improvement is quite active about town, at present. Several dwellings are just being finished. Three others are rapidly approaching completion, whilst preparations are going forward for the erection of a number of others. The work on the new Presbyterian church is also being pushed forward rapidly. All this portends an unusual degree of prosperity for Clearfield, in the future.

THE WEATHER .- On Tuesday of last week snow, to the depth of about two inches, fell in parts of this county, and on Monday morning last we had some hail at this place. Surely, winter lingers in the lap of spring, and is retarding farming operations greatly. In fact, so far, but little farm work has been done. It is hoped, however, that winter is at end, that spring is here, and that we may be blessed with a plentiful harvest in due season.

MAN DROWNED.-It is with regret that Saturday, May 11th, two rafts, which were being run by John W. Haslet, as pilot, ac-Pike township, was drowned. Wash. Linley also came near being drowned, but was body of young Bloom was recovered or not.

CONVERSION OF 7 3-10s.-In reply to numerous inquiries in regard to the manner of converting the August 7 3-10s into the new 5-20 Gold Coupen Bonds we make the following statement for the bouefit of the holders of 7 3-10s, who may not be informed. The Government computes the interest on both bonds in currency from the date of the maturity of the last coupon, allowing seven and three-tenths on the 7 3-10s, and charging six per cent on the 5-20s. For example: You send to Washington \$1,000 3-10 Bond which reaches there on ; \$1,000 May 1st,

You pay Government :

It will be seen by this that the Gold interest is given as currency, which is of itself a profit to the party converting the 7 3-10s of nearly eight dollars per \$1,000, aside from the fact that at the present rate of Gold, say 40, the 5-20s pay over 8 er cent perfinnum At present we are converting the 7 3-10s on much better terms than the rates enables us to allow the holder of the 7 3-10s better figure than has yet been offered by any one as a commission.

Parties exchanging through us, in addition 10 getting much better terms than they can from the Government, will have their bonds delivered immediately, thus saving delay. We also register any bonds sent to us without charge. On Bonds sent by express we pay charges both ways. JAMES T. BRADY & CO.
