

RAFTSMAN'S JOURNAL.

CLEARFIELD, PA., MAY 29, 1867.

Tyrone and Clearfield Railroad. Train leaves Tyrone at 9:20 a.m. Arrives at Philadelphia at 11:20 a.m. Leaves Philadelphia at 2:05 p.m. Arrives at Tyrone at 4:00 p.m.

RELIGIOUS.—Divine services will be held next Sabbath, in Clearfield, as follows: By Rev. Sombower in the Baptist church in the morning; By Rev. Chambers in the Episcopal church, morning and evening; By Rev. Guver in the Methodist church, in the afternoon; By Rev. Birchfield in the Court House, morning and evening.

NOTICE.—The members of the Republican County Committee are requested to meet at the Court House in Clearfield, on Saturday, June 1st, 1867, at 2 p. m., for the purpose of selecting delegates to the Republican State Convention, which meets at Williamsport, on Wednesday, June 26th, 1867, for the purpose of nominating a State ticket. DANIEL FAUST, Chairman.

RAFTING.—Several rafts passed this place on Monday, for the lower markets—the river being in excellent running condition at this point.

LAWS.—On the outside of to-day's Journal will be found the laws relating to the floating of loose saw logs, and the constructing of schutes in dams, in the Susquehanna river. Read them.

NEW GOODS.—We would state, for the information of the public, that Ed. W. Graham has just received his first supply of reasonable goods, which he is now offering at prices to suit the times. Call and see.

TOWNSHIP AUDITORS will do well to examine the law which compels them to have the bounty accounts, as audited by them, advertised in two newspapers. The act may be found on page 778 of the Pamphlet Laws of 1866.

TO SCHOLARS.—Rev. P. L. Harrison, principal of the Clearfield Academy, having been called away on account of the serious illness of his father, there will be no school for, perhaps, ten days. Due notice of his return will be given in the papers.

ACCIDENT.—We are informed that on Saturday, May 18th, Mr. John Antes, son of William Antes, of this county, had a leg cut off on the saw mill of Mr. C. M. Graham, at Frostburg, Maryland. Little hopes of his recovery were entertained. These are all the facts we could learn respecting the accident.

ITEM.—Last week we copied, from the Williamsport Standard, a notice of the drowning of a Miss Moore, of Clearfield county, in Lyeing creek, Lyeing county. We are informed that the young lady was the daughter of Rev. Harvey Moore, of Decatur township. The body was afterwards recovered.

DR. NEWTON.—Whenever the celebrated Dr. Newton, of Newport, Rhode Island, can't cure his patients from Clearfield, he tells them to go home and buy all their goods at Mossop's, and they will surely get well. Who says Newton ain't a good Doctor?

A SERENADE.—We were honored with a serenade on Monday night last. But as to whom we are indebted for the sweet melody of song that floated upon the air and awakened us from our slumbers, we are not aware; nevertheless, we tender the serenaders our hearty thanks, and wish them each a pretty wife, and joy and happiness all their lives.

APOPLETTIC STROKE.—On Friday, May 24th, while John Mazuey, of Lawrence township, was in Mr. Mossop's store, in this place, he was suddenly affected with apoplexy, and fell to the floor. After some restoratives were applied he was removed to the residence of Father Tracy, in this borough, where he still remains in a critical condition. But little hopes are entertained of his recovery.

A SAD ACCIDENT.—We are informed that, on Sunday, May 19th, a little daughter of Patrick Daily, of Penn township, aged about five years, met with a fatal accident. A heavy wagon-bed had been placed in a leaning position against the fence, upon which the little girl attempted to climb, but her weight overturned the bed, and in its fall fell upon and smashed the child's head—causing almost instant death. This is truly a lamentable, as well as unlooked-for accident. The parents have the sympathy of the community in their sad bereavement.

STILL THEY COME!—It may not be amiss to state that Messrs. Wright & Flanigan, on Second street, are just opening their Spring stock. Great care has been exercised in the selection of their goods, and they feel warranted in saying that they can sell as low as their neighbors, and at prices to suit all who may favor them with their custom. Adam is a good salesman, affable and accommodating, and persons are invited to give them a call before buying elsewhere. Remember the place: Wright & Flanigan, Second street, Clearfield, Pa., next door to Merrell & Bigler's Hardware establishment.

Land located one mile beyond the limits of York borough, sold last week for \$400 per acre.

AN EPILOGUE OF CRIME.—An unprecedented amount of crime has been committed in this county, within the past ten days, an epitome of which is here presented:

One night last week two valuable hogs were stolen from Mr. Henry Utzinger, of Brady township, near the Jefferson line. A man named James Lee, was arrested and lodged in our county jail, on Tuesday night, May 21st, on a charge of having stolen a gun from John Hoover, jr., of Brady township. It is believed that he also has some knowledge of the stealing of Mr. Utzinger's horses.

On Tuesday night, May 21st, some thieves broke into Mr. McBride's spring-house, in Lawrence township, and carried off two crocks of apple-butter, two crocks of lard, and some other articles. A lot of clothes, which had just been washed and hung out to dry, were also taken the same night, perhaps by the same party.

Some malicious villain, on the night of Tuesday, May 21st, entered the carriage-house of Mr. George W. Gearhart, in this borough, and cut the aprons off several of his carriages and buggies. It is supposed to have been the work of the thieves who broke into and robbed Mrs. Welsh's store, on the same night—the aprons, no doubt, being used as a covering to protect the stolen goods from injury by the rain.

A man named David Henderson, purporting to hail from Pittsburg, was arrested just as he was going out of this borough on Wednesday morning, May 22d, on suspicion of being concerned in the robbery of Mrs. Welsh's store—an account of which we published last week. Some ill-shaped foot-prints in the garden, in the rear of the store led to his arrest—he having a crippled foot. After a hearing before Justice Shugart he was committed to jail to await a trial.

A man named John Appleton, who had been boarding at Mr. Peters', in Bradford township, was arrested and lodged in jail, on Wednesday, May 23d, for beating and abusing a cow belonging to Mr. Robert Lansberry, of Bradford township. The maltreating of a dumb brute, for revenge, is an act which should strike at the perpetrator to the severest penalty of the law.

On Thursday, May 23d, John Stevens was arrested at Phillipsburg and brought to this place, and lodged in jail, on a charge of being one of the thieves who stole two horses from Henry Utzinger, in Brady township, last week. It would seem that there exists a regular organized gang of horse thieves in this county at present, and it is to be hoped they may all be arrested and punished.

An alleged accomplice of Stevens, named John Barber, was also arrested at Phillipsburg, on Friday, May 24th, and brought here and lodged in jail, on the charge of having assisted in stealing Mr. Utzinger's horses, alluded to above.

George Robins, his wife and son, residing about one mile above Curwensville, were arrested on Friday, May 24th, and brought to this place, charged with having shot two hogs belonging to James A. Bloom, Esq., of Pike township, and for threatening to kill Mr. B's cattle. After a hearing before Justice Shugart, they were released on bail for their appearance at court.

Frederick Korb, a hotel keeper in Brady township, had a hearing on Friday, May 24th, on a charge of concealing stolen goods, and entered bail for his appearance at the Jefferson county court. It seems that some harness and a robe were stolen in Jefferson county, and left at Korb's house for safe keeping, by Barber and Lee, now confined in our jail, but whether Korb knew of their being stolen is not apparent—the owner of the articles not even knowing, for several days, of his loss.

James Huff and a young man named Fisher, were arrested on Friday, May 24th, for an assault with stones upon George B. Lozan, of Lawrence township. They entered bail for their appearance at the next term of our courts.

The following "Directory" of our county jail, was made out by the occupants of Room No. 1, and sent us for publication:

Table with columns: ROOMS, NAMES, PROFESSIONS. Includes names like Chas. Kauffman, Chas. Nunemaker, Milton Ozden, David Michael, Jack Cannon, John Holt, John Wilson, David Henderson, James Lee, John Appleton, John Stevens, John Barber, Mrs. Miller.

EXPLANATORY.—The prisoners named in the above are confined for the following reasons: Kauffman, for obtaining money under false pretenses—Nunemaker, for stealing money—Ozden, for killing hogs—Michael, serving out sentence for making false arrest—Cannon, for rape—Holt, for stealing a coat—Wilson, for cutting black Ed. (one of neighbor Goodlander's "pet lambs") with a knife—Henderson, for robbing Mrs. Welsh's store—Lee, for stealing gun—Appleton, for beating a cow—Stevens and Barber, for horse stealing—Mrs. Miller, awaiting sentence for poisoning her husband.

Illinois and Minnesota have a splendid prospect this season of the largest wheat crop ever harvested on their soil. More wheat has been planted in those States this year than ever before.

MARRIED: On May 23d, 1867, by W. O. Wright, at the residence of the bride's father, Mr. EBENEZER WILLIAMS and Miss ADALINE BEAMS, daughter of Mr. Daniel Beams, all of Morris township.

We tender our sincere thanks to the happy couple for their kind remembrance of us; and wish them all the joy, happiness and prosperity that this world can confer.

DR. SCHENCK'S MANDRAKE PILLS, A SUBSTITUTE FOR CALOMEL. These Pills are composed of various roots having the power to relax the secretions of the liver, as promptly and effectually as blue pill or mercury, and without producing any of those disagreeable or dangerous effects which often follow the use of the latter.

In all bilious disorders these Pills may be used with confidence, as they promote the discharge of vitiated bile, and remove those obstructions from the liver and biliary ducts, which are the cause of bilious affections in general. Schenck's Mandrake Pills cure Sick Headache, and all disorders of the liver, indicated by slow complexion, coated tongue, costiveness, drowsiness, and a general feeling of weariness and lassitude, showing that the liver is in a torpid or obstructed condition.

In short, these pills may be used with advantage in all cases when a purgative or alternative medicine is required. Please ask for "Dr. Schenck's Mandrake Pills," and observe that the two likenesses of the Doctor are on the Government stamp—this is the latest stage of consumption, and the other in his present health.
