RELIGIOUS .- Divine services will be held next Sabbath, in Clearfield, as follows: By Rev. Sembower in the Baptist church

in the evening ; By Rev. Chambers in the Episcopal church, morning and evening. By Rev. Guyer in the Methodist church, in the morning.

M. M. F., Maderia; your first letter has not yet reached us.

THE ACADEMY .- Prof. Harrison will return home on Saturday next, and resume school on Monday, June 10th. Parents and scholars should bear this in mind.

ICE CREAM .- An ice cream festival will come off at Mrs. M. A. Frank's, on Saturday evening, June 8th, the proceeds to be applied to Home Missions and the Baptist church.

OUR RAILBOAD. -The work on the Clearfield Railroad is progressing finely. An additional number of men are to be added to the already large force at work, and the road pushed to an early completion.

FRUIT. -The prospect for a large crop of apples, in this county, is quite flattering at present. We understand that in some sections the peaches also promise a fine crop. This is gratifying news to lovers of good fruit.

CORN PLANTING .- The weather being favorable, much of the corn was planted in the county, last week. In some sections the farmers got in their entire planting, and permitting. Corn can still mature, the week.

ATTENTION ! BASE BALL CLUB. - There will be a meeting of the Chinkaclamoose Base Ball Club, at the Prothonotary's Office, in the Court House, on Thursday evening next, at 8 o'clock. A full attendance is requested, as there will be business of importance before the club. By order of THE DIRECTORS.

THE NORMAL SCHOOL .- The Normal School, at Curwensville, is a success-beyond the anticipations of its projectors. The number of Scholars now in attendance is one hundred. That this institution will be the means of establishing a higher grade of teachers in the county, there is no doubt,

HUNTINGDON COUNTY. -On the night of / May 24th, some burglars broke into the drug store of Mr. John Reed, in Huntingdon, and succeeded in introducing powder enough into the key hole of the safe to blow it open. The thieves escaped after securing one hundred dollars. Jenkin's Lilly, i4 50 Refined, hard, Dayton Snowflake 15 25 A Coffee.

ELK COUNTY .- A little boy, 12 years old, son of Mr. Thomas Irvin, of Laurel Bend, while trying to operate some machinery in his father's mill, two weeks ago, was caught in the gearing and hurled round and round, and brought in contact with a spike drove in the wall, which so lacerated his body that he died almost instantly.

INDIANA COUNTY .- On Monday, May 27th, a young man named L. M. Tallman, left the "Indiana House" without previous notice, and without paying for two weeks boarding. Shortly after his disappearance it was discovered that he had stolen a watch worth \$25, and a shirt worth \$3. Pursuit was made, and the theif captured and lodged in the Indiana jail to await a trial.

SPORTSMEN, TAKE NOTICE .- There is a law in force forbidding the killing of the eagle, fish hawk, night hawk, whippoorwill, finch, thrush, lark, sparrow, wren, swallow, oriole, woodpecker, bobolink, or any other harmless bird, or any song-bird; or the destroying or robbing of the nest of any wild bird whatever, from January to October, under a penalty of five dollars for each bird so killed, and for each nest destroyed or robbed. Also, a penalty of five dollars for killing wild ducks at any time from the first day of April to the first day of September, or on any Tuesday, Thursday or Friday of any week during the year.

HOME PAPERS.-Recollect if a home weekly paper is to be supported, home influence must do it. Every dollar sent to an others will finish this week-the weather eastern paper is at the expense of the local journal. A county acquires prominence weather being auspicious, if planted next through its papers more than in any other way, and every one who has an interest in his county at heart, his home paper is a necessity. Never will such a man take a paper from home until he is able to take a second paper. His first paper will be his home sheet and he will so identify his own interest with that of his county paper, as to consider his subscription as much a matter of yearly duty as payment of his taxes.

CLARION COUNTY .-- On Sunday afternoon, May 26th, says the Banner, while Allie Corbett, son of W. L. Corbett, Esq., of this borough, was engaged in placing a chair on the upper front steps of his father's residence, he accidentally fell forward, his head hurt, the little fellow jumped up and laughed at his fall, and sat down on the chair. Some time had elapsed, when he complained of his head hurting him, and Dr. Ross was sent for, but the injury gave no signs of proving fatal or even serious. On Monday evening he ate an unusually hearty supper, and was in good spirits. In an hour afterwards he was a corpse. His very sudden death caused a deep feeling of sadness among our citizens, and his parents have the sympathy of the entire community. It is somewhat remarkable that the hurt which produced death manifested no other evidence than that of a simple bruise, yet all were deceived as to the result. What makes Geist, of this borough, formerly of the the case still more sad is the fact that his mother is absent, visiting friends in Ohio, been called to a very important position, of to whom the news will be a terrible blow.

GREAT DISCOVERY .- One of the greatest and most useful discoveries in medical science was made by the celebrated Dr. J Dumas, of Paris. Chief Physician to the Imperial Infirmary of France. in 1861. Those who have been afflicted with the pairful disease known as the Piles, and effectually cured by the use of Dr. DUMAS' FRENCH PILE SALVE, cannot speak too highly of the benefits conferred upon them by certain remedy. State Normal School, at Millersville, has a similar character, at Curwensville, Clearfield county, Pa. Prof. G. possesses talents of a high order and our Clearfield friends will find him a very gentlemanly and talented teacher."

A NEW ROAD .- An act to incorporate the Summit Turnpike Road Company was passed at the last session of the Legislature. This road leads from Ed Alberts, on the Erie turnpike to the railroad on the Baughman iarm, about two and a half miles, and thence East to the Kylertown road, near the Waring farm, a distance of three and a half miles, with a branch to Centre Hill, on the Snowshoe Turnpike. The company has been organized, the stock subscribed, and the road is to be put under contract at once. This road will be on good ground and will be of great benefit to the localities through which it passes.

OUR STREETS .- The miserable condition of the streets in Clearfield, is a matter of common remark by strangers who visit the place. The mud hole in front of the post office, especially, is a nuisance that should 11 days. be abated at an early day. In fact, all the streets and alleys in the borough need a therough overhauling and cleansing-otherwise, as the warm weather approaches, the stench that will arise from the accumulated filth may create much sickness and disease. Individual enterprise is doing something to remedy the evil spoken of, and such of our citizens as are removing the mud from in front of their premises are entitled to the thanks of the traveling public for so doing, but upon the Borough Fathers rests the reponsibility of the fithy condition of our streets and alleys. It is to be hoped, therefore, that those in authority will at once adopt measures to remove all filth from the Borough limits, and make the necessary al taken in exchange for castings. One or two boxes is sufficient dollars per \$1,000, aside from the fact that at the present rate of Gold, say 40, the 5-20s pay over 8 per cent per annum At present we are convert-ing the 7 3-10s on much better terms than the Government, as the present buying and selling rates enables us to allow the holder of the 7 3-10s better figure than has yet been offered by any one as a commission.

Parties exchanging through us, in addition to getting much better terms than they can from the Government, will have their bonds delivered immediately, thus saving delay. We also register any bonds sent to us without charge. On Bonds sent by express we pay charges both ways. JAMES T. BRADY & CO.

CCHENCK'S SEAWEED TONIC.

This medicine, invented by Dr. J. H. Schenck, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills, the tonic soon restores the appe-tite. and food that could not be eaten before

using it will be easily digested. Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the Seaweed Tonic and three or four boxes of the Mandrake Pil's will cure any ordinary case of

dyspepsia. Dr. Schenck makes professional visits in New York, Boston, and at his principal office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for his days of visitation

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of consumption, and the other as he now is, in perfect health, are on the Government stamp.
