At last accounts the little sufferer was not expected to survive the injuries received.

THE WEATHER AND CROPS, - During the past week the weather was warm and pleasant, with several fine showers of rain, and altogether very auspicious to the growing crops. Notwithstanding the lateness of planting, the corn is up and looks strong and healthy, and with a favorable season may produce an average crop. The grass has a much better appearance than for several years past, and the hav eron will be Every effort should be made by our farmers to advance the growing crops, and then properly secure them when matured.

LITTLE GIRL BURNT.-On Friday, June 4th, a little daughter of T. H. Spence of Goshen township, was badly burned by her clothes accidentally coming in contact with some burning chips in the yard. There has been remarked throughout the country at present a perfect carnival of crime. Child-killing, wife-murder, suicides and arson prevail with unprecedented variety and atrocity. Indeed, at no time since burg, and ship it hither. This is, certainly, the war have the laws been so flagrantly broken, as regards the shields they throw around life. The cause is probably the very lax manner in which punishment is inflicted. The greater the crime the more sympathy and the less likely the penalty. Only stern infliction of punishment will check the tide which, bad enough East, runs a perfect torrent in the West and Border States.

Jefferson Davis has been dabbling in Canadian politics already. In a speech made the other day he expresses his hope that the British flag may always wave along the lakes of our country, and that Canada may forever remain a part of the British empire. This means that Mr. Davis ranges himself under the dominion party, and against the annexationists. Considering that the political accounts of the late leader of rebellion are not yet settled in this country, the Borough council, had opened the water speech displays as much had taste as hatred ditches and filled up the great mud hole on to the United States, to whose unparalleled magnanimity he owes his neck to-day.

The Democratic State Convention which met in Harrisburg on June 11th, adopted twelve resolutions relating to almost every conceivable question but the Free Ruilroad Law. On that question not a word was uttered. A measure so nearly related to the permanent welfare of the whole State, and in which the people are interested more than any other, is not even recognized by a party asking for popular support. The inevitable inference is that the Democratic party is opposed to a Free Railroad Law.

DR. SCHENCK'S PULMONIC SYR-This great medicine cured Dr. J. H. Schenck, he preprietor, of Pulmonary Consumption, when

it had assumed its most formidable aspect, and when speedy death appeared to be inevitable His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery.he has devoted his attention xclusively to the cure of consumption. and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. Schenck makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr Schenck's Pulmonic Syrup, Sea-Weed Tonic, and Mandrake Pills are generally all required in curing consumption Full directions accompany each, so that any one can take them without seeing Dr. Schenck, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollars. Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of consumption, and the other as he now is, in perfect health—are on the Gouernment stamp. Sold by all druggists and dealers. Price \$1 50 per bottle, or \$7 50 the half dozen. Letters for
