REPUBLICAN COUNTY CONVENTION

The Republicans of Clearfield county are hereby invited to meet in County Convention at the Court House in Clearfield, on Thursday, August 15th, 1867, at 2 o'clock, p. m., for the purpose of nominating candidates, and for the transacting of other business.

RELIGIOUS.—Divine services will be held next Sabbath, in Clearfield, as follows: By Rev. Senbower in the Baptist church in the evening.

By Rev. Chambers in the Episcopal church, morning and evening. By Rev. Gayer in the Methodist church, in the morning. By Rev. Archer in the Court House, morning and evening.

For all the late monthly magazines and literary weeklies, inquire at the postoffice.

RELIGIOUS.—By divine permission, the Rev. Colver will preach in the Lutheran church, in Clearfield, on Sunday morning, August 4th.

STABLE BURN.—On the night of July 28th, the stable of Fenton & Spencer, two miles north of Pennville, was totally consumed. The same stable had been set on fire on Sunday while the male portion of the family were at church, but the fire was extinguished before much damage was done.

TO PARENTS.—We would direct the attention of parents and others, to the advertisement of the Clearfield Academy, published to-day. The first session of the second Scholastic year of this popular institution will open on the first Monday (2d day) of September, 1867. All should avail themselves of this opportunity to give their children a good and thorough practical education.

MAN DROWNED.—We learn that, on Wednesday evening, July 24th, Mr. L. M'Kuman, son-in-law of Charles Webb, Esq., of Elk county, was drowned below the mill-dam of Mr. Webb. The deceased was taking a bath, and, upon jumping off the sheeting of the dam into some twelve feet of water, did not rise to the surface as usual.

THE CONCERT.—The scholars of the Clearfield Academy school, gave a concert of vocal music on Thursday evening, July 25th, in the Court House, which was beautifully decorated with evergreens and flowers, for the occasion.

WESTMORELAND COUNTY.—The barn of Francis Ford, of Fairfield tp., with a large lot of wheat and hay was destroyed by fire. The cause of the fire is unknown. Loss heavy. . . . A young man named B. Y. Potter of Cambria county, committed suicide, at Derry station, by taking poison. He was engaged in taking photographs, in a car. . . . On the 26 July, the dwelling house of Daniel Gross, a deaf and dumb man, residing in Hempfield tp., was burned to the ground with its contents.

MORE VILLAINY.—A correspondent informs us that, "on Saturday night, July 27th, a horse was stolen from the stable of Abraham Spencer—the building being burned on Sunday night, as noticed elsewhere.

On the evening of Saturday, three young men, from the neighborhood of Clearfield, came to the Lyceum at Pennville—two of them with a buggy—and went home with A. Spencer to spend the night. In the morning the horse was gone, search was made and the horse found, on the pike near the old mill, below Bridgeport, in the possession of a person, it is said, unknown to the owner of the horse—and, strange to relate, the thief was permitted to escape without arrest, or giving his name, or a satisfactory account of his being in possession of the stolen horse.

The political feeling runs very high in Tennessee. Maynard and Ethridge met accidentally at Greenville, last week, when a recourse took place, the latter striking the former. They were separated before any damage was done either.

PERRY COUNTY.—A Mrs. Yinzler, residing below Newport, was bitten by a copperhead snake last week. She is recovering from the effects of the bite.

JEFFERSON COUNTY.—On July 16th, a child of James Richard, of Warsaw township, aged thirteen months, fell into a well and was drowned before it could be rescued. . . . On July 19th, Tommy, son of E. H. Willson, of Brookville, had two ribs broken, his head severely cut, and the body much bruised, by being thrown from a horse which he was riding. He is doing as well as could be expected.

TO DRIVE OFF RATS.—A correspondent vouches for the following: "Take a bunch of matches and soak them over night in a tea-cupful of water; then take out the matches and thicken the water with Indian meal to a thick dough, adding a spoonful of sugar and a little lard. Lay about the premises where the rats, and nothing else, will get it. It is decidedly the best exterminator extant." Give it a trial.

If patronage and progress are a test of merit, the State Normal School at Edinboro is one of the best schools for all classes of students. In addition to thorough instruction in all English branches, instruction in French and German is now given by an educated German Clergyman, Rev. R. Biederemann. We advise all the young who intend going to school away from home, to go to Edinboro. Circulars can be obtained by addressing the Principal, J. A. Cooper, Edinboro, Erie Co., Pa.—Titusville Herald.

CAMBRIA COUNTY.—Joseph W. Mayers, Esq., was killed at Summerhill, on July 19th. The unfortunate man was walking down the railroad, and had stepped from one track to the other to avoid a train approaching in front, when a train came up behind and ran over him killing him instantly. . . . On Monday, July 22nd, during the absence of the family, the house of J. F. Howard, in Johnstown, was entered and robbed of a gold watch, \$53 dollars in bills, a \$50 7-30 bond and some money belonging to a lady, and other valuables. The thief is unknown.

A NEW TAX ON LUMBER MILLS.—The Clinton Republican says that the Pennsylvania Railroad company, who have now secured control of all the lines of transportation on the West Branch of the Susquehanna, except the river itself, have signified their advent to the management of the Pennsylvania canal by imposing an onerous tax upon the lumbermen whose mills are located along that concern. This taxation will in the future of course contribute to keep up the price of lumber. We have no doubt but the subject will be ultimately referred to the decision of the Legislature.

BLAIR COUNTY.—The house of Jacob Strayer of Claysburg, was broken into some ten days ago, and \$260 in greenbacks, and a lot of gold and silver stolen therefrom, by some unknown thieves. . . . Two prisoners, named Handlen and Valentine, tried to escape from the Hollidaysburg jail, by setting the stairway on fire. The jailor, however, discovered the fire in time to prevent the burning of the building and secured the prisoners and locked them in a cell. . . . An unfinished building belonging to John Morgan, in Hollidaysburg, was entirely destroyed by fire on the night of July 24th. It is supposed to have been the work of an incendiary.

WESTMORELAND COUNTY.—The barn of Francis Ford, of Fairfield tp., with a large lot of wheat and hay was destroyed by fire. The cause of the fire is unknown. Loss heavy. . . . A young man named B. Y. Potter of Cambria county, committed suicide, at Derry station, by taking poison. He was engaged in taking photographs, in a car. . . . On the 26 July, the dwelling house of Daniel Gross, a deaf and dumb man, residing in Hempfield tp., was burned to the ground with its contents. Mr. Gross and his wife left the house, before breakfast in the morning to assist a neighbor in harvesting, they knew nothing of the destruction of the building until their return home in the evening. The unfortunate couple had nothing left except the clothes on their backs. The disaster is attributed to an incendiary. . . . John M'William's Jewelry store, at Irwins station, was robbed of \$1,000 worth of jewelry, on the night of July 17th; and the store of J. H. Theiler of \$25 worth of boots and shoes. The thieves were arrested.

Gen. Sherman has recently spent a few days amid the salubrious scenery of the little lakes near Madison, Wisconsin, and while there has been quite unreserved in the expression of his opinions regarding the pending questions in our national politics; and the Cairo editor may be edified by the fact that the general expressed his sympathy, in the main, with the reconstruction policy of Congress, and as substantially agreeing with the views of Generals Grant and Sheridan. This being so, the Copperhead politicians who are looking to General Sherman as their next standard bearer must either back down from their semi-reasonable "policy," or let Sherman alone.

The N. Y. Herald's Canada correspondence says: "Certain parties in Canada, who are supposed to be posted, say that a scheme for the abduction of President Lincoln was started in the South as early as 1865, and that Col. Perry Windham, who commanded a regiment in and about Washington, had at one time agreed to deliver up the President and his Cabinet at Richmond, and would probably have done so if he had not been suddenly removed.

MARRIED: On July 7th, 1867, by Rev. Isaac Leas, Mr. MOSES C. NORRIS and Miss MARIA HOCKMAN, both of Pike tp.

DIED: On July 23d, 1867, BENJAMIN SMEAL, of Decatur township, aged 83 years, 11 mo's, and 21 days.

At the Merchants' Hotel, in Philadelphia, on July 23d, 1867, CHARLES R. FOSTER, M. D., of Philadelphia, Centre county, aged about 47 years. The deceased was a native of Cape May, New Jersey. He removed to this county in 1843, and afterwards located at Philadelphia, where he was very successful in the practice of his profession. He was affable and kind-hearted—a tender husband, an indulgent father, an accommodating neighbor, a zealous and consistent member of the Methodist church, and much beloved by all who knew him. The disease of which he died, consumption, was contracted some two years ago, since which time his health gradually declined, and finally terminated in death. His remains were brought to Philadelphia, where they were interred on Thursday, July 25th, in accordance with the Massaic burial ceremonies, he being a member of that fraternity. His death will be deeply mourned by his family and friends, and the community in which he has so long resided. Peace to his remains.

About July 1st, at Helena, Montana Territory, WILLIAM JONES BERRY, second son of the late Benj. J. Berry, M. D., of Centre county, Pa. The deceased entered the army in 1861, was a member of the 45th Regiment Penn'a Volunteers, and after his first term of service, was appointed Hospital Steward U. S. A. In Dec. 1865, he was ordered to Fort Vancouver, thence to Fort Boise, Idaho Territory, and had just arrived in Helena when he was attacked with disease, which proved fatal. Had he lived, his term of service would have ended on the 17th of August 1867. His death-bed was surrounded by the best medical men the city afforded, and, although a stranger in a strange land, received every kindness and attention from warmly attached friends. He was kind hearted and generous to a fault, and will be sincerely lamented by all who knew him.

During the past two weeks six citizens of Lancaster, Pa., died, whose ages aggregated four hundred and seventy years.
