

RAFTSMAN'S JOURNAL.

CLEARFIELD, PA., AUGUST 7, 1867.

WHAT MAKES A MAN.

A truthful soul, a loving mind, Full of affection for its kind; A spirit firm, erect, and free; That never basely bends the knee; That will not bend a feather's weight; Of slavery's chain for small or great; That truly speaks from God within; That never makes a league with sin; That snaps the fetters despots make; And loves the truth for its own sake; That worships God and Him alone; And bows no more than at his throne; And trembles at no tyrant's nod; A soul that fears no one but God; And thus can smile at curse or ban— This is the soul that makes the man.

LAW.

An upper mill and lower mill Fell out about their water; To war they went—that is, to law, Resolved to give no quarter. A lawyer was by each engaged, And hotly they contended, As fees grew slack, the war they waged, They judged were better ended. The heavy costs remaining still, Were settled without bother; One lawyer took the upper mill, The lower mill the other.

Old Gov. Stuyvesant, some years after the British took possession of New York, appeared before the Governor, (Carteret) with a complaint that he was annoyed by men and boys bathing in front of his house in a nude state. Governor Carteret assured him it should be stopped; but happening to recollect, said, "Why, Governor, your house is at some distance from the river, and how can it incommode the ladies of your family?" "Y, you see," said old Peter, shaking his cane, "nine galls have got a pig spy glass."

A notorious toper used to mourn about not having a regular pair of eyes—one being black and the other light hazel, "It is lucky for you," replied his friend; "for if your eyes had been matches, your nose would have set them on fire years ago."

The reason women never stammer is because they talk so fast that a stammer has no chance to get in. People stammer because they hesitate. But who ever knew a woman to hesitate about any thing.

A lady advertised for a "steady colored man" for a waiter. A drunken, red faced fellow applied, affirming that he would just suit her, as he had not changed color for the last five years.

A lad who had borrowed a dictionary to read, returned it, after having got through, with the remark, "It's werry nice reading, but it somehow changed the subject werry often."

Somebody who writes more truthfully than poetically says—"An angel without money is not thought so much of now-a-days as a devil with a bale of greenbacks."

The young lady who has been telling how she felt the first time her lover kissed her, is requested to state how she felt the first time she was spanked.

Punch says to marry two wives is bigamy—to marry twenty is Brigham w'y.

From what tree was mother Eve prompted to pick the apple? Devil tree.

Put no faith in a new promise passed on the breach of an old one.

Was Adam the first person created—or was Eve the first maid?

Mining companies are getting tired of resting on their o'es.

LATEST FASHIONS DEMAND J. W. BRADLEY'S CELEBRATED PATENT DUPLEX ELLIPTIC (OR DOUBLE SPRING) SKIRT.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic skirt for a single day, will never afterwards willingly dispense with their use. For children, misses and young ladies, they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down steps, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the standard skirt of the fashionable world.

To enjoy the following inestimable advantages in crinoline, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against imposition be particular to notice that skirts offered as "Duplex" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere. Manufactured by the sole owners of the Patent, WEST, BRADLEY & CARY, 97 Chambers & 79 & 81 Reade Sts., N. Y. May 1st, 1867.—3m.

A GREAT DISCOVERY.—One of the greatest and most useful discoveries in medical science was made by the celebrated Dr. J. Dumas, of Paris, Chief Physician to the Imperial Infirmary of France, in 1861. Those who have been afflicted with the painful disease known as the Piles, and effectually cured by the use of Dr. DUMAS' FRENCH PILE SALVE, cannot speak too highly of the benefits conferred upon them by the use of this certain remedy. It has never been known to fail in effecting a permanent cure in a single case. In this respect it surpasses all other medicines of the kind. If will do just what it is recommended for; if not, the money will be refunded. One or two boxes is sufficient to effect a permanent cure in four or six days. If the directions on the box are followed, Price one and two dollars per box, according to size. Sent by Mail or Express to any part of the United States or Canada. Sold by Druggists generally. SCHENCK'S SEAWED TONIC. This medicine, invented by Dr. J. H. Schenck, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills, the tonic enters the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pisonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the Seaweed Tonic and three or four boxes of the Mandrake Pills will cure any ordinary case of dyspepsia.

Dr. Schenck makes professional visits in New York, Boston, and at his principal office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for his days of visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of consumption, and the other as he now is, in perfect health, are on the government stamp. Sold by all druggists and dealers, price \$1.50 per bottle, or \$7.50 the half dozen. All letters for advice should be addressed to Dr. Schenck's principal office, No. 15 North Sixth St., Phila., Pa. General Wholesale Agents: Demas Barnes & Co., N. Y.; S. S. Hanes, Baltimore, Md.; John D. Parke, Cincinnati, Ohio; Water & Taylor, Chicago, Ill.; Collins Bros., St. Louis, Mo. October 17, 1866-ly. TO THE AFFLICTED!! READ! READ! READ! THE GREAT AMERICAN REMEDIES. Persons subject to various ailments, frequently ask the question, "What shall I do to relieve me?" To such we would say, try the following invaluable preparations, which have but recently been introduced to the public, although they have been in use for a number of years as Family Remedies.

AMERICAN VEGETABLE BITTERS. This Vegetable Compound is a certain cure for Dyspepsia, Disease of the Liver, Carbuncles, Eruptions of the Skin, Canker in the Stomach, etc. A benefit is always experienced from the use of one bottle, and a perfect cure warranted when the patient perseveres in taking a sufficient quantity. In some cases from two to three bottles will effect a cure. No change of diet is necessary. Our advice is, eat good substantial food and enough of it.

AMERICAN LUNG RESTORATIVE.—This preparation is a Vegetable Compound—an Indian cure—for Lung Diseases, Coughs, Colds, Tightness of the chest, Pain in the Breast, Asthma, Bronchitis, etc. This Medicine has a most happy effect in the above complaints, when taken according to directions. It can be taken at all times, and under all circumstances, and the patient generally experiences an almost instantaneous relief. It is worth a trial at least.

AMERICAN LINIMENT. This compound contains the most wonderful medicinal properties, and is superior to any other liniment now in use. It is a speedy, safe and sure cure for Rheumatism, Neuralgia, Earache, Toothache, Sore Throat, Stiff Neck, Spinal Diseases, Pain in the Breast, Side and Kidneys; Dizziness, Burns, Scalds, Chilblains, Cuts, Bruises, Sprains, Old Sores, Huntrounds, Felons, Cholera Morbus, Colic, etc. No family should be without it, as it is truly an indispensable and valuable remedy.

AMERICAN GOITER CURE. This is an unfailing remedy for that loathsome disease, the Goiter, or swollen neck. It is simple in its composition, yet powerful in its effect. Used internally and externally. Persons afflicted in this way should not hesitate to obtain the remedy at the earliest possible moment, and be relieved from their unpleasant complaint.

CONVERSION OF 7 3-10s.—In reply to numerous inquiries in regard to the manner of converting the August 7 3-10s into the new 5-20 Gold Coupon Bonds we make the following statement for the benefit of the holders of 7 3-10s, who may not be informed. The Government computes the interest on both bonds in currency from the date of the maturity of the last coupon, allowing seven and three-tenths on the 7 3-10s, and charging six per cent on the 5-20s. For example: You own a Washington 5,000 7 3-10 Bond which reaches there on

May 1st, \$1,000 74 days interest, 14 80

5-20s, \$1,000 119 days interest, 19 56 (This counted at 365 d's pr a) 1,019 56 Allowed for 7 3-10s, 1,014 80

You pay Government 4 76 It will be seen by this that the Gold interest is given as currency, which is of itself a profit to the party converting the 7 3-10s of nearly eight dollars per \$1,000, aside from the fact that at the present rate of Gold, say 40, the 5-20s pay over 8 per cent per annum. At present we are converting the 7 3-10s on much better terms than the Government, as the present buying and selling rates enables us to allow the holder of the 7 3-10s a better figure than has yet been offered by any one as a commission.

Parties exchanging through us, in addition to getting much better terms than they can from the Government, will have their bonds delivered immediately, thus saving delay. We also register any bonds sent to us without charge. On Bonds sent by express we pay charges both ways.
