RELIGIOUS.-Divine services will be held pert Sabbath, in Clearfield, as follows: By Rev. Sembower in the Baptist church

in the evening. By Rev. Chambers in the Episcopal church, morning and evening. By Rev. Guyer in the Methodist church

in the morning. By Rev. Archer in the Court House.

morning and evening.

GOOD CIGARS at Wright & Flanigan's.

FROST IN AUGUST .- We heard it stated that there was a slight frost, on the ridges in this county, several nights ago.

NOTICE .- Dr. A. M. Hills desires us to say to his patrons that he will be absent from his office during the month of Sept.

THE NEW CHURCHES.-The work on the new churches, in this place, is progressing finely. Both will be magnificent buildings when completed.

NEW SHOE SHOP. -Edward Mack, hav ing opened a Boot and Shoe shop in the building occupied by H. Bridge, solicits a share of public patronage. Read his advertisement published in another column.

THE PLANING MILL.-The Planing Mill, in this place, was sold by Mr. Spackman, last week, to Messrs. Hoops, Jones & Co., for four thousand dollars. The new owners, we understand, intend to remodel the establishment, put all the machinery in good order, and prosecute the business with renewed vigor. We wish them success.

To BASE BALL PLAYERS .- The regular monthly meeting of the Chinchaclamoose Base Ball club, will be held at 8 o'clock on Thursday evening next (29th), at the usual place of meeting. A full attendance is desired, as there is business of importance to transact. By order of the President, WRIGHT GRAHAM, Sec'y. aug28

A WANT .- We are informed that, recently, a number of persons visited this place with a view of engaging in business, but could not procure the necessary rooms. If this be so, would it not be advisable for some of our enterprising citizens to erect a number of suitable business houses, to supply the want referred to? The future prosperity and growth of this place, depends much upon the liberality and encouragement of property owners. If they will erect the necessary buildings, so as to induce business men to locate here, there is no doubt as to a rapid growth of Clearfield, in population as well as in business. We submit this matter to the earnest consideration of all. LISTS OF VOTERS .- We notice that the lists of voters have been made out by the Assessor of the Borough and stuck up for public inspection. Every voter should examine them, and see whether his name is thereon or not, and, if it has been omitted he should call upon the Assessor at least ten days before the election, and have it placed thereon, otherwise he will forfeit his right to vote on the Second Tuesday of October next. These suggestions should also be observed by the voters in every township in the county. Every one should attend to this duty individually, according to a strict construction of the law. Then, we repeat, examine the lists, and see if your name is thereon; if not, have it placed there within the time specified by law-"at least ten days before the election." Remember this. ANOTHER PLANING MILL .- We understand that a number of our capitalists have in contemplation the erection of a new and capacious planing mill, in this borough. We are pleased to hear this. The erection of manufacturing establishments in our midst. will add greatly to the importance of Clearfield as a commercial centre, and give a renewed impetus to all kinds of businesswhether mercantile, mechanical, or agricultural. It is to be hoped, therefore, that this contemplated planing mill will not turn out a myth, but a reality-that it will be erected and in full operation at an early day. In connection with this, it has also been suggested to erect a large saw mill. That this suggestion is worthy of a passing notice, at least, all will admit, and we men-

GODEY'S LADY'S BOOK .- The September number of Godey is out. It is the best lady's magazine published, and worthy the patronage of our lady readers. Now is the time to commence making up your clubs for 1868. Send for a specimen number.

BETTER THAN EVER-the new-Illustrated Weekly, "The Pen and Pencil," No 4 comes to hand much improved. It must prove a success-the principle upon which it is started is entirely different from the ordinary gift enterprises. 10cts may secure \$10,000. Sold by all Newsdealers. T. R. Dawley & Co., Publishers, 21 & 23 Ann St., N. Y.

NEW RESIDENCES .- In walking around town, last week, we noticed that several new residences had been commenced, whilst others were rapidly approaching completion. This certainly is an indication of the general prosperity and enterprise of our citizens. But, notwithstanding the erection of these buildings for individual use, the demand for residences is daily increasing. We have no doubt that, if one hundred convenient and comfortable dwellings were erected this season, they would all be occupied before next spring. Then, why should they not be put up? This question is of general interest. Let all ponder it well, and then act in accordance with their just convictions.

The illness of General Thomas will prevent the immediate execution of the order removing General Sheridan, unless some other General is named as his successor. The latter contingency is thought to be not improbable, and it is suggested that Gen. Hancock may be substituted for Genera Thomas.

The question of loyalty and disloyalty, seems to have been a leading issue in the late election for a chief of the Cherokee Nation. Downing, the successful candidate, led a loval regiment in the late war, while his defeated opponent, Ross, was a lieutenant colonel in the rebel army.

Ladies who have a disposition to punish their husbands, should recollect that a little warm sun will melt an icicle much sooner than a regular Northeaster.

Gen. Grant is rigid in his ideas of economy, and allows no man in employment un-der his control who does not earn his pay.

The Minnesota farmers talk of forming associations to keep wheat up to \$1 50 per bushel. All right, if they can do so.

A MAN MISSING. - We learn that a Mr. Le Roy, lately from Indiana, Pa., who was engaged in painting a house in Philipsburg, was missing one morning, some twelve days since, and it is feared that he was drowned in Moshannon creek-having been last seen on the bank of the creek the evening before he was missed. Upon search being made his hat was found near the creek where he was last seen. Diligent search has been made, but, up to this time, the body of the missing man has not been recovered-the creek being much swollen from the recent heavy rains. Mr. Le Boy was a comparative stranger at Philipsburg, and has left a wife and child, who are in indigent circumstances, to mourn his sudden and mysknous disappearance. The generous and sympathising people of Philisburg will, however, render all necessary aid, and relieve the wants of the distressed and deeply afficted family of Mr. Le Roy.
