THE RAFTSMAN'S JOURNAL.

Baftsman's Journal.

CLEARFIELD, PA., OCT. 16, 1867.

Demetrius, King of Macedon, would at times retire from business. On one of these occasions, giving out that he was sick, his father "Antegonus, came suddenly to visit him, and met a fair damsel coming out of his room. When Antigonus came in, Demetrius said : "Sir, the fever has just left me." Antegonus replied : "I think it was it I just met at the door."

A school boy being a ked to define the word "admission," said it meant twentyfive cents. "Twenty-five cents," echoed the school master. "what sort of a definition do you call that?" "I don't know," sulkily replied the boy, "but I'm sure it says so on the advertisement down there at the show. "Yes," said another boy "and children half price.

A young man who attended church in Minneapolis, Minnessota, last Sunday a week, went to sleep during the service, and while sleeping suddenly arose to his feet, and with violent gestures exclaimed, "I won't do it ! I am going to bed !" He was prevented from retiring in so public a place by being awakened.

BASHFUL WOMEN, -- Bashful women are not always the most modest. Prudery'is otten assumed rather to keep off suspicion of criminality than to protect from criminality itself. There is a degree of reserve, which like vaulting ambition overleaps itself.

"I say Sambo. can you answer a conum-derfrum? Supposin I gib you a bottle ob whiskey corked shut with a cork; how would you get the whiskey out widout pulhn' de cork or breaken de bottle ?" "I gibs "Why push de cork in. -Yah, dat up. yah !'

A fellow contemplated in utter wonderment the magnitudinous dimensions of a bystander's feet, and in a tone of astonish ment said, as he surveyed the man's proportions :. "You'd have been a tall man, if they hadn't bent you so far up.'

Don't live in hope with your arms folded. Fortune smiles on those who roll up their sleeves and put their shoulder to the wheel that propels them on to wealth and happiness. Cut this out and carry it in your vest pocket.
