**Tyrene and Clearfield Railroad.**  
Trains leave Tyrene at 9:20 a. m.  
Arrives at Philipsburg at 11:20 a. m.  
Trains leave Philipsburg at 2:05 p. m.  
Arrives at Tyrene at 4:00 p. m.

**RELIGIOUS.**—Divine services will be held next Sabbath, in Clearfield, as follows:  
By Rev. Nixdorf in the Lutheran church morning and evening.  
By Rev. Archer in the Court House, morning and evening.  
By Rev. Sembrer in the Baptist church in the morning.  
By Rev. Guver in the Methodist church, in the evening.

**LOST.**—On Thursday evening of the Sabbath School Convention, a Ladies' Linen Cuff, and Gold Sleeve Button. The finder will be suitably remembered on leaving the same at this office.

**TIMBER AND COAL LANDS.**—The administrators of Jacob Gearhart, dec'd, offer for sale several excellent tracts of timber, coal, and farm lands, on the 3d of December, 1867. For particulars, see advertisement published to-day.

**HOT FOR MADERA.**—By reference to our new advertisements, it will be seen that Jas. Forest & Son have just opened a new store in Madera, Clearfield county, where they are selling goods "as cheap as the cheapest." Call and see their goods.

**ANSONVILLE ITEM.**—The public is informed, in our advertising columns, that Henry Swan, in Ansonville, is just opening a large stock of new goods, which he is desirous of exchanging for country produce and greenbacks. Persons interested will refer to his advertisement.

**SPECIAL EXAMINATIONS.**—Special examinations of Teachers will take place as follows: At Curwensville, October 26th; for Lawrence, on November 2d and 9th, at the school house, one-fourth mile south of Clearfield. GEO. W. SNYDER, Co. Superintendent.

**INDIANA COUNTY.**—A short time since, Mr. Jesse Stuebel, of South Mahoning tp., while working at an old building, had a leg broken and was otherwise so much injured, by the falling of some logs, that he died on the 19th from the injuries received. He was a worthy citizen, and aged about 45 years.

**SHOE TIPS.**—The Boston Journal says: The new Silver Tips recently introduced by the American Shoe Tip Company are decidedly ornamental. A metal tip adapted to first-class shoes has long been needed, for children will wear holes in the toes of even the highest cost shoes in a few days unless protected by metal tips.

**A CURE FOR FELON.**—One of the most annoying of so-called "little" troubles is a felon, and a genuine remedy is worth circulating. One who has tried it says that a poultice of onions, applied morning, noon and night, will cure a felon. No matter how bad the case, lancing the finger will be unnecessary if this poultice be used. The remedy is a sure, safe and speedy one.

**PRESERVATION OF EGGS.**—*La Bette* (a Parisian paper) recommends the following method for the preservation of eggs: Dissolve four ounces of beeswax in eight ounces of warm olive oil; in this put the tip of the finger and anoint the egg all around. The oil will immediately be absorbed by the shell and the pores filled up with the wax. If kept in a cool place, the eggs, after two years, will be as good as if fresh laid.

**RELIGIOUS.**—Next Sabbath (Nov. 3d) being the first Sabbath of the semi-centennial jubilee of the Reformation of the Sixteenth century, and to be celebrated by the Evangelical Lutheran Church throughout the country, the Rev. G. A. Nixdorf will preach (God willing) in the Evangelical Lutheran Church, in Clearfield, at 11 o'clock, A. M., on the history of the church; and in the evening, at 7 o'clock, on the doctrines and government of the church. All are invited to attend.

**CLINTON COUNTY.**—On Tuesday, October 15th, Mr. John R. Curns, of Wayne township, came to his death in a most shocking manner, at Lewisburg, Union county. He had taken the contract for the mason work of the Lewisburg bridge and was watching the transfer of a heavy stone from the boat to one of the piers, when the derrick broke near the collar, and was thrown by the weight of the falling stone to the opposite side of the pier where Mr. Curns was standing in conversation with a friend, striking him and throwing him with such violence against the caisson, as to literally dash out his brains. Mr. Curns enjoyed the esteem of all who knew him. . . . Mr. Willard Walters was thrown from a ladder, some twenty-five feet to the ground, whilst engaged in painting a house in Lock Haven, on the 19th October. His arm was broken just above the wrist, and the wrist dislocated. . . . Isaac and Alexander, sons of John Hamilton, of Pine-creek tp., were thrown off the bridge into the canal, by the horse which they were driving in a buggy being choked in the collar and falling over the bridge—the former escaping injury, but the latter breaking his collar bone. . . . Mr. Robert McCormick, Sr., met with a fatal accident on the railroad below Lock Haven, on the 16th, as he was crossing the track with a wagon—the train striking the wagon and throwing him a distance of thirty feet among some logs. He died on Sunday following the accident.

**PRAYER MEETINGS.**—The following article from a city-Daily political paper, contains a great amount of truth that should be read by every professing Christian:

The different churches have their regular weekly prayer meetings generally on Wednesday evenings, attended by the pastor and a small per cent of the membership. This service is a test of the devotion and zeal of professing Christians, for the prayer meeting attendants are always the hope and strength of the church. Rustling out on clear Sabbaths, (and a little late for effect), to the best pews in the audience room of the church may look pretty and sound nice; but after all, the real joy and glory of worship are better expressed by prompt attendance upon the social means of grace between Sabbaths. There the fashions and annoyances of the world are thrown aside for closer heart-approaches to Jesus; and the spirit of love touches the soul and brightens the eye and loosens the tongue, and the service is beautiful and blessed because spontaneous and free. If every one who knows his name to be on the church register, and who would honor a solemn Sabbath vow, as well as a business promise at the bank, could but realize the duty of attending the regular social prayer meetings of his church, what a wondrous change in the life and power of the Christian community there would be! But obligations to God are estimated at so low a standard, as to be forgotten and ignored for the purpose of holding an engagement with a social companion at a party, or with a neighbor or tradesman in business. Now, church members who habitually and persistently absent themselves from the appointed means of grace in their own sanctuaries, without any better excuse than to say, "I'm too busy," are, in Heaven's sight, as delinquent and untrustworthy as if their notes had been wilfully neglected and protested in the bank. The Church of Christ languishes on account of the religious perfidiousness of her membership. The world, the flesh, and the devil have made converts of thousands who have not the courage to be brave and loyal in the cause of Jesus Christ.

**HOW TO SUSTAIN A LOCAL PAPER.**—We see the following sensible advice going the rounds of the press, and reproduce it to our readers who may not know how county editors elsewhere talk to their patrons:

1. Lay aside your fears that the editor will rise high faster than his neighbors. We have never heard of a man making much more than a decent living by the publication of a country newspaper, if he had ever so good a business.
2. Do not tell the editor to send you the paper without paying, and when you get to owing two or three dollars, tell your friends that the paper will burst up one of these days. The way under such a state of the case, to keep a paper from "bursting up," is for each subscriber to keep the editor's books free from charges against himself. This thing of applying the credit system to the newspaper business may be likened to a farmer selling out his crop a bushel to a man. The sum each would owe would seem little or break the farmer.
3. If you have a father, mother, brother, sister or a friend at a distance, and are able to do so, subscribe, pay for and send them a copy.
4. Do not expect too much of the editor when he is compelled to be his own compositor, proof reader, etc.
5. Do not expect the editor to make honorable mention of your business every few weeks for nothing.
6. If you wish to sustain your local paper properly, to live in peace and die happy, remember what we have told you in this article.

That was a fair bit of the colored barber, in reply to the copperhead exquisites, who, after living abroad during the whole war for the purpose of escaping the draft, returned for the purpose of joining the ranks of the rebel sympathizers.

"Well, Sam," said he, "I understand that you colored fellows have been elevated during my absence."  
"No, sir," was the reply. "You are mistaken; it is the white people who have elevated themselves in trying to do justice to us."

Henry Ward Beecher, in his discourse on Sunday week, said that "Some men will not shave on Sunday, and yet they spend all the week in shaving their fellow men; and many folks think it very wicked to black their boots on Sunday morning, yet they do not hesitate to black their neighbor's reputation on week days."

Dr. Macgowan estimates the loss of life by the Taeping war at about 25,000,000 souls; but intelligent Chinese say that full 100,000,000 were killed or perished from starvation. The victorious party put men, women and children to the sword, and canals and rivers were red, with the blood of the slain.

It is a poor practice to house up a thousand bushels of grain, waiting for a rise, till one-tenth has gone to feed the rats and mice, and the remainder smells like the essence of rat, and the price is down forty per cent.

Charles P. Bayard, stock broker of Philadelphia, has suspended for a large sum. He has large assets, but of unavailable character, and it is thought he will ultimately be able to pay all demands and have a balance.

Mr. Greeley's first work in a printing office in New York was the setting up of a New Testament. He has never rested in the labor, ever and at all times setting up that book above all things else.

Colored preachers are now being educated in what were once Richmond slavepens. The next great reform will be the attempt to localize Copperheads in what is called "Democratic organization."

Theodore Tilton receives \$5,000 per year for editing the Independent—more money than is paid as the salary of the Governor of New York or Pennsylvania.

Mrs. Lincoln is reported as soon to become the wife of a courageous man. We hope she will then be satisfied to stop trading in old clothes.

Paper is legal tender in Italy, but the holders insist on gold, which is at a premium of ten cents.

Johnson is the name of the man of giant intellect at Pittsburgh, who fastened bristles to the tail of a rat and sold the reconstructed animal for a squirrel.

A bet of \$100,000 was recently made at the Paris Bourse, that in less than five years, General Grant will be Emperor of the United States.

Hon. G. A. Grow purchased the Reno, Oil Creek and Pithole railroad last week for \$121,000. The road cost originally \$1,053,000.

**MARRIED:**  
At St. Paul's church, in Lock Haven, on October 13th, 1867, by Rev. G. W. Shinn, Mr. E. A. TRCZYNSKI, of Bellefonte, and Miss MARY A. CAMPBELL, of New Brunswick, Clinton county.

**DIED:**  
On Tuesday, October 29th, 1867, at the residence of his mother, GEORGE NEWSON, of Clearfield Boro', aged 27 years, 8 months and 25 days.

**Cancer, Scrofula, &c., Cured.**

**A GREAT DISCOVERY.**—One of the greatest and most useful discoveries in medical science was made by the celebrated Dr. J. Dumas, of Paris, Chief Physician to the Imperial Infirmary of France, in 1851. Those who have been afflicted with the fatal disease known as the Piles, and effectually cured by the use of Dr. DUMAS' FRENCH PILE SALVE, cannot speak too highly of the benefits conferred upon them by the use of this certain remedy. It has never been known to fail in effecting permanent cure in a single case. In this respect it surpasses all other medicines of the kind. It will do just what it is recommended for; if not, the money will be refunded. One or two boxes is sufficient to effect a permanent cure in four or six days, if the directions on the box are followed. Price one and two dollars per box, according to size. Sent by Mail or Express to any part of the United States or Canada. Sold by druggists generally. A liberal discount made to the trade. Address, D. S. DUNHAM & CO., Williamsport Pa., sole Importers and Manufacturers for the United States and Canada. \$500.00 REWARD will be paid in greenbacks to any person who has used Dr. Dumas' Pile Salve according to directions and has not been cured.
