Court House, morning and evening.

By Rev. Guyer in the Methodist church, in the morning.

By Rev. Sembower in the Baptist church,

in the evening. DISSOLVED-the firm of Irvin Bro's, at Burnside. Read "notice" in another col-FARMS. - Several Virginia farms, are of-

fered for sale by J. M. Miller, of Harrisburg. See notice. THE EXECUTORS of Thomas Mullen, of Beccaria tp., dec'd, give notice for settle-

ments to be made. Dissolution. -The firm of W. M. & A. I Shaw, has been dissolved by mutual con-

sent. See card published to day. SPRING STYLES. - We direct the attention of our readers to the advertisement of Mrs. H. D. Welsh, which appears elsewhere.

ENLARGED. -The Cameron County Press has been enlarged to seven columns, and is printed on new type. We wish it prosperity.

"MEDICAL."-Dr. T. J. Boyer gives notice that he has sold his practice to Dr. Wm. B. Alexander. For particulars, see adver-

of the first National Bank of Curwensville, is published to-day. The condition of its finances are very flattering.

APPEARS-the quarterly statement of the First National Bank of Clearfield, in our column to-duy. The financial condition of this institution must certainly be very gratifying to its stockholders.

AHEM !- Is that "noise," now looming up from Rhode Island, a part of the "thunder" that we were to hear between March and Christmas? If so; it doesn't "disturb us muchly," as yet. How does it effect your nerves, neighbor?

RAFTING PROSPECTS.—The prospect for a ratting flood is somewhat better than it was last week, notwitstanding the streams ere still very low. A few hours warm rain, with the snow that has fallen within a few his age. days, would raise the streams enough for rafting purposes. So be it.

"KEYSTONE STORE."-Messrs. Nivling & Showers, advertise a new stock of Spring goods, in to-days Journal. The members of this firm are favorably known to the publie as good and accommodating business men. Attention to their advertisement may result to the benefit of purchasers. Read it.

"Barrett's Vegetable Hair Restorative" is a perfect and miraculous article. Cures Baldness. Makes hair grow. A better dressing than any "oil" or "pomatum." Softens brash, dry and wiry hair into beautiful silken tresses. But, above all, the great wonder is the rapidity with which it restores gray hair to its original color. - Savannah (Ga.) Republican.

NORMAL SCHOOL .- A local Normal School will be opened, in Clearfield, between the 1st and 10th of May next, and continue in session eleven weeks. All persons wishing to attend the same will please notify, verbally or by letter, the Superintendent, if possible, by the 20th of April. Prof. I. S. Geist will again assist. Every effort will be made by Mr. Snyder to have it equal to the best school in the State.

Snow, ETC. -Quite a change was experienced in the atmosphere on Friday last, in this region, and on Saturday about three inches of snow fell. The sir continued cold throughout Sunday, but on Monday it moderated somewhat, and soon most of the snow that had fallen on Saturday disappeared The Insurance Company of North On Tuesday, however, snow again fell to the depth of about four inches, but much of it has already wasted away under the influence of the mild atmosphere that has prevailed during the past twenty-four hours.

An Organ "Galloping" into Favor. A most remarkable piece of musical mochanism, in the shape of an organ, repretenting the vox humana, (human voice,) is creeping or rather galloping into public favor. It is known as the "Burdett Organ," whose tones, no not tones merely or abstractly considered as such, but whose utterances are made to excite almost any emotions of the human heart, whether of joy or of sorrow, at the will of the performer, and cause the listener to wonder how it lives without eating and drinking, like human beings. Those enterprising gentlemen, H. Kleber & Bro., 122 Wood street, Pittsburg, have it for sale, and would be pleased to exhibit to those who desire to witness its powets, the wonderful capacity it possesses to inspire our minds, stir our hearts, and minele its tender and touching sympathies with those of the human breast. It is said that on visiting this amazing pecimen of human invention, for the secend time, so far forgot himself that he actvally addressed it-"Good morning Mad-Eastern exchange paper, [al-6t.

drew Johnson commenced on Monday last. Gen. Butler made the opening speech of four or five hours in length. It is highly spoken of by correspondents, and Old Thad, says it is seldom that a speech so long is so good. When he closed the House Managers proceeded to offer their evidence. Occasionaly a question of law or order arises which is discussed at length and the Senators retire for consultation, so that the thing moves slowly. It is probably that the Senators do not appreciate the impatience of the people to be rid of the man who has so basely betrayed them. If they did they would make short work of what promises now to be along trial. The American people have learned to be a patient people, but they are getting more and more anxious that fustice should overtake this man at last.

*LATER.—The Managers completed their testimony in the impeachment trial on Saturday, and the President's counsel asked and obtained a postponement till Thursday to prepare theirs. The Managers deserve the thanks of the country, not only for the dispatch but the great ability with which they have conducted the case.

DON'T BUY AN ORGAN Until you have heard that wonderful musical triumph, the Burdett Organ. The performance of even | Acres. a child on that perfect instrument is more touching and musically entrancing than the flourishes of practiced players upon most other organs. The effects of the vox humana (human voice,) and celestial stops-a late invention, and found in perfection only in the Burdett Organ-are touching and sympathetic in the extreme, and comparable only to the heart-searching and tremulous tones drawn from their violins by an FINANCIAL.—The 17th quarterly statement | Ole Bull or a Vieux Temps. The Messrs Kleber & Bro., 122 Wood street, Pittsburgh, Pa., have the sole agency, and will be glad, no doubt, to show these organ gems to all who may desire it. [Mar. 11-6t.

"K. K."-The Copperheads and Rebels are organizing what they call "Kuklux Klans, all over the country. This is a new secret organization, similar to the 'Knight's of the Golden Circle"-the object being the same-revolution, and resistance to the legal authority of the govern-ment. The "K. K's." however, will find that they Kant Kum it.
