RELIGIOUS. -Divine services will be held next sabbath, in Clearfield, as follows : By Rev. Nixdorff in the Lutheran church

morning and evening. By Rev. Archer (Presbyterian), in the Court House, morning and evening. By Rev. Guyer in the Methodist church, in the evening.

FOR SALE-all the monthly magazines, and the literary weekly papers, at the postoffice.

WE are authorized by the Superintendent, to say that the Normal School in this place, will open on the 11th of May.

GODEY'S LADY'S BOOK. -The May number of this highly entertaining book, is received, and maintains its reputation of betry. Price, \$3 a year.

"ALL Around the World" is the title of an advertisement that typifies the universal demand for "Barrett's Vegetable Hair Restorative," which took the highest premium over all competitors, at the N. H. State Fair, in 1866. - Indianapolis Journal.

THE RIVER .- The water in the river continues unusually low, and the prospect for getting the balance of the timber to market, this spring, is anything but flattering. As a consequence, that which has reached a market, will no doubt, enhance in value, and afford the owners a remunerative return.

FARMING AND GARDENING. -Now that the weather promises to be favorable, no time should be lost in preparing the soil for sowing and planting. The season is already far advanced, and unless due diligence is used in putting in the seeds, some of the crops may not mature in time to escape the early fall frosts. All should bear these facts in mind.

A NORMAL SCHOOL .- We see it stated that a new Normal School is to be established at Emporium, Cameron county, Pa. Clearfield county is in the same Normal District with Cameron, and but for the tardiness or indifference of our citizens this High School would have been located at this place-the authorities having intimated their intentions of doing so, providing proper encouragement was extended.

need of our town is a good Hotel. We trust that some of our capitalists will see the propriety of erecting, at an early day, a respectable building for that purpose. The houses now used for hotels are a disgrace to the town-miserable old, rickety, rat-holes, that are fit for nothing but dry kindling wood. There is no better location for a firstclass hotel to be found, than Clearfield. It would not only pay a handsome profit to those who would build and keep it, but it would pay every business man in the community. Why not make a joint stock company, and erect a suitable building?

CHANGE IN THE COURTS. -Henceforth the Courts in this county will be held as follows: One week, commencing on the second Monday of January; one week, commencing on the third Monday of March: two weeks, commencing on the fourth Monday of May; two weeks, commencing on the third Monday of June; two weeks, commencing on the third Monday of September; and two weeks, commencing on the second Monday ing the best Ladies' magazine in the coun- of November. This change was made by Act of Assembly, last winter. It is a singular arrangement, to say the least. The May and June terms come almost together. There will be court enough, however, to satisfy every body. Six terms in the year will certainly afford all suitors an opportunity to be heard and the expenses will surely be enough to surfeit the tax-payers.

> HOOFLAND'S GERMAN BITTERS -The Examiner. of Richmond, Va., says : This is the season of all others in which this Bitters, now so renowned, is found so beneficial. Added to the ingredients which make this Bitters both dietetic and tonic, are the qualities which invigorate the debilitated system, remove languor and depression, restore the appetite and impart a healthy action to all the functions of the body. The mother and housekeeper should never be without it, and the traveller who packs his trunk or portmanteau for the Springs, should class among the necessary articles a few bottles of Hoofland's German Bitters. He will find it an invaluable medicine in the hour of transient derangement of the system, which is likely to befall any one in this climate, and especially during the Summer season. It is pure, free from all intoxicating liquors, and for that reason the most strictly temperate need not hesitate to

use it, personally, or in their families. Hooffand's German Tonic is a combination of all the ingredients of the Bitters, with pure Santa Cruz Rum, orange, anise, &c It is used for the same diseases as the Bitters, in cases where some Alcholic stimulant is required. It is a preparation of rare value.and most agreeable to the palate. Principal office, 631 Arch st , Philadelphia, Pa. Sold everywhere.

An Organ "Galloping" into Favor. A most remarkable piece of musical me-MESSRS, REINEMAN, MEYRON & SEIDLE, of chanism, in the shape of an organ, representing the vox humana, (human voice,) is creeping or rather galloping into public favor. It is known as the "Burdett Organ," whose tones, no not tones merely or abstractly considered as such, but whose utterances are made to excite almost any emotions of the human heart, whether of joy or of sorrow, at the will of the performer, and cause the listener to wonder how it lives without eating and drinking, like human beings. Those enterprising gentlemen, H. Kleber & Bro., 122 Wood street, Pittsburg, have it for sale, and would be pleased to exhibit to those who desire to witness its powers, the wonderful capacity it possesses to inspire our minds, stir our hearts, and mingle its tender and touching sympathies with those of the human breast. It is said that one gentleman, on visiting this amazing specimen of human invention, for the second time, so far forgot himself that he actually addressed it-"Good morning Madam !"-Eastern exchange paper. HOOFLAND'S GERMAN BITTERS,

HOOFLAND'S GERMAN TONIC.

THE GREAT REMEDIES For all diseases of the Liver, Stomach, or diges tive organs.

Hoofland's German Bitters Is composed of the pure juices (or, as they are medicinally termed, extracts) of Roots, Herbs, and Barks, making a prop aration, highly concentrated, and entirely II free from alcoholic admixture of any kind. HOOFLAND'S GERMAN TONIC, Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum,

Orange, &c , making one of the most pleasant and agreeable remedies ever offered to the public. Those preferring a Medicine free from Alcohol

admixture, will use HOOFLAND'S GERMAN BITTERS. Those who have no objection to the combination f the Bitters, as stated, will use

HQOFLAND'S GERMAN TONIC. They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

THE REGISTRY .- We notice by our exchanges that, in some of the counties, steps are already being taken to make the Registry of voters under the new law, passed by the last Legislature. As the making of a Registry of voters is a new thing in Pennsylvania, it will require great care, on the part of those entrusted with that important duty, to make it accurate and reliable.

THE CHURCHES. - We observe that work is again progressing on the new churches. The Presbyterian Church-which will be the finest edifice in this part of the State, will be completed during the summer. The Methodist Church will be advanced sufficiently to allow the congregation to worship in the Lecture room during the winter. They are elegant and tasteful improvements.

CLEARFIELD ACADEMY .- The Fourth Session of the current Scholastic year, of the Clearfield Ac demy, will open on Monday, May 4th, 1868. Prof. Harrison is fully competent to make this institution equal to any similar one in the State, and we hope our citizens will extend to him the support and encouragement which his talents merit. For terms, etc., see advertisement, in another column.

LOCAL IMPROVEMENTS .- The indications are that Clearfield will improve more rapidly during the summer than it has done for many years. The Foundry and Machineshop, in process of erection by Boynton & Young, will be one of the largest and most complete in the central part of the State. It will contain the most perfect machinery and appliances that can be procured by enterprise and eapital. It will be a most valusble and important improvement to the
