Tyrene and Clearfield Railroad.
Train leaves Tyrene at 9:20 a. m.
Arrives at Philipsburg at 11:20 a. m.
Train leaves Philipsburg at 2:05 p. m.
Arrives at Tyrene at 4:00 p. m.

RELIGIOUS.—Divine services will be held next sabbath, in Clearfield, as follows:
By Rev. Nixdorf in the Lutheran church morning and evening.
By Rev. Archer (Presbyterian), in the Court House, morning and evening.
By Rev. Guyer in the Methodist church, in the morning.

TROUTING.—The season for catching the "speckled beauties," has arrived. The disciples of Isaac Walton should be on the alert. There are still a few streams not destroyed by saw-mills and saw-dust, where they can be caught in abundance.

THE RAILROAD.—We are informed that the company has determined to lay the track first, and then do the ballasting, which will insure the completion of the road to this place at an earlier date than was expected. They commence next week to lay the iron west from Philipsburg.

COURT.—A jury has been drawn, and a number of causes have been put down for trial at the Court to commence on the fourth Monday in this month. As soon as the Prothonotary, who is absent in Virginia, returns and makes out the list, we will publish it for the information of parties interested.

"FATAL NECESSITY IS NEVER KNOWN UNTIL IT STRIKES."—People rarely appreciate the necessity of an effective hair preparation such as "Barrett's Vegetable Hair Restorative," until old age or disease renders them bald. Even then, however, Barrett's will restore the hair in all its original lustre and abundance. —*Baltimore Commercial.*

RETURNED.—Most of our Lumbermen have got back from their annual trip "down the river." We are glad to learn that, although prices were not as high as they have been other seasons, they have all obtained a fair compensation for their investments and their work. Another raft is much needed to take down the rafts that have been left along the river.

GAS.—Some years ago a project was started for lighting our town with gas, but being premature it fell through. The time has now arrived when something ought to be done in regard to the matter. With the advent of the railroad, let us have gas. There is no place where it can be manufactured at less cost. We have everything requisite on the spot.

NEW CHURCH AT CURWENSVILLE.—The Presbyterian congregation at Curwensville has commenced the erection of a new church. It is to be of stone, in the pure Gothic style, and although not so pretentious or imposing as the one in this town, will be an elegant and tasteful edifice. The work is going on rapidly, and it will probably be completed during the autumn.

THE NEW BRIDGE.—We understand the stock in the new bridge to be erected at the foot of Second street, is being rapidly taken, and it is proposed to go on with the work at once. The sooner it is built the better. We have only one objection to it—it ought to be built by subscription and made a free bridge. It is too bad that nobody can get into our town from any direction without paying for the privilege.

IMPROVING.—The village of Williams-grove, eight miles east of Clearfield, on the Railroad, bids fair to become an important point. Quite a number of new houses have been erected, and others are in contemplation. They have already a store, a hotel, a drug store, a blacksmith, a shoemaker, a doctor and several fast young men. It will make a gay and thriving town. There is one article they have in abundance—building stone.

A ROAD NEEDED.—An effort has been made for some time to have a road laid out from the mouth of Lick Run, at Irwin's, along the river to a point near Mr. James Fulton's in Lawrence township, so as to avoid the Lick Run hill. This is a most important matter to the citizens of our town. Unless it is done, all the trade from Lick Run north, will be forced across the river at Shawville, and so to the Railroad at a point six or eight miles east of this place. It is simply impossible to haul heavy loads over the present road. Our business men should take this matter in hand at once. Viewers were appointed at the last Court.

Normal School.
Having been granted the use of the large room on the second, and the north room on the first floor, in the Town Hall, in Clearfield, for the Normal School, a session of 11 weeks will be opened on the 11th of May. Boarding from \$4 to \$4 1/2 per week. It is highly important that as many young Ladies and Gentlemen as possible, be in attendance, as a single term is of great value. Three teachers will be appointed to collect the tuition to pay the Assistant Teacher and the expenses of the School. In no case, for the common branches, shall the tuition be over \$5, and as much less as it can be made. All persons who can enter the Normal class will be admitted. GEO. W. SNYDER, County Superintendent.

NEW ADVERTISEMENT.—The list of Retailers, a notice in Bankruptcy, a caution, Spring Goods in Curwensville, and the Book and Stationary advertisement of P. A. Gaulin, appear this week. Read them.

JEFFERSON COUNTY.—On Friday, April 24th, while Mr. Sandford Carrier, of Clover township, was returning home from Brookville, on horse back, the animal became unmanageable, and while running at the top of his speed fell dead, throwing Mr. Carrier some feet over his head, injuring him so severely that his life is despaired of. Eight hundred and ninety-seven rafts were run out of Red-Bank creek this spring. The boards sold at from \$17 to \$23 per thousand feet, and timber at from 10 to 14 cents per foot. On the 17th of April, the driver of T. A. McKinsty's team, made a narrow escape from death. In passing along the road, during the wind storm that day, a tree fell across the spring-poles of the seat on the wagon, and threw the driver about fifteen feet into the air. He lit in a lot of brush and sustained but a few slight scratches, while the wagon was completely demolished.

An Organ "Gallop" into Favor.
A most remarkable piece of musical mechanism, in the shape of an organ, representing the *vox humana*, (human voice), is creeping or rather galloping into public favor. It is known as the "Burdett Organ," whose tones, no not tones merely or abstractly considered as such, but whose utterances are made to excite almost any emotions of the human heart, whether of joy or of sorrow, at the will of the performer, and cause the listener to wonder how it lives without eating and drinking, like human beings. These enterprising gentlemen, H. Kleber & Bro., 122 Wood street, Pittsburg, have it for sale, and would be pleased to exhibit to those who desire to witness its powers, the wonderful capacity it possesses to inspire our minds, stir our hearts, and mingle its tender and touching sympathies with those of the human breast. It is said that one gentleman, on visiting this amazing specimen of human invention, for the second time, so far forgot himself that he actually addressed it—"Good morning, Madam!" —*Eastern exchange paper.* [al-6t.

HOOFLAND'S GERMAN BITTERS,
THE GREAT REMEDY
For all diseases of the Liver, Stomach, or digestive organs.
Is composed of the pure juices (or, as they are medicinally termed, extracts) of Roots, Herbs, Bark, making a preparation highly concentrated, and entirely free from alcoholic admixtures of any kind.
HOOFLAND'S GERMAN TONIC.
Is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public. These Remedies free from Alcohol, and are entirely pure.

HOOFLAND'S GERMAN BITTERS.
Those who have no objection to the combination of the Bitters, as stated, will use
HOOFLAND'S GERMAN TONIC.
They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach is the seat of a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing so closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:
Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weakness of the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Headache or Difficulty of Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dizziness of Vision, Drops or Weib before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc. Sudden flushings of Heat, Boring in the Flesh, Constant Involuntary Emission of Urine, or Discharge of the Kidneys, and all Diseases arising from a disordered Liver, Stomach, or Intestines.

Resulting from any cause whatever; prostration of the system, induced by severe labor, hardships, exposure, fevers, etc.
There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is excited, the food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid, becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE.
And feeling the hand of time weighing heavily upon them with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instill new vigor, and restore to them, in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

It is a well established fact that fully one-half of the female portion of our population are "red in the enjoyment of good health; or, to use their own expressive language, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite. To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK AND DELICATE CHILDREN.
Are made strong by the use of either of these Remedies. They will cure every case of MARAS-MUS, without fail.
Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. Those, it will be observed, are men of note and of such standing that they must be true.

TESTIMONIALS.
Hon. George W. Bland, Chief Justice of the Supreme Court of Penn'a., writes:
Philadelphia, March 16, 1867.
"I find 'Hoofland's German Bitters' a good tonic, useful in all diseases of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system. Yours truly, GEO. W. BLAND."
Hon. James Thompson, Judge of the Supreme Court of Pennsylvania, writes:
Philadelphia, April 23, 1868.
"I consider 'Hoofland's German Bitters' a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,
JAMES THOMPSON.

From Rev. Joseph H. Keenan, D. D., Pastor of the Tenth Baptist Church, Philadelphia.
Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicine, regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,
J. H. KENNARD, 8th and Costes st.

From Rev. E. D. Fendall, Assistant Editor Christian Chronicle, Philadelphia.
I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility, or from diseases arising from derangement of the liver. Yours truly,
E. D. FENDALL.

CAUTION.

They always keep on hand a large quantity of work finished, except the lettering, so that persons can call and select for themselves the style desired.
They will also make to order any other style of work that may be desired; and they flatter themselves that they can compete with the manufacturers outside of the county, either in workmanship or price, as they only employ the best of workmen. All inquiries by letter promptly answered.
