No services in the Lutheran church on Sabbath next.

By Rev. Archer (Presbyterian), in the Court House, morning and evening.  
By Rev. W. H. Dill, in the Methodist church, in the morning.  
By Rev. Hayes, in the Baptist Church, in the evening.

SEALED proposals will be received, by the new bridge company, for the wood-work of the superstructure. Read notice.

**LADIES' FESTIVAL.**—We would remind our readers that the ladies' festival for the benefit of the Presbyterian Church, is in progress in the store room adjoining Mr. Weaver's residence. Strawberries and ice cream this evening and to-morrow. All are invited to call.

**PETROLEUM V. NASBY** terms "Barrett's Vegetable Hair Restorative" the "Fountain of Youth," and his is not the only instance where it has "made the old man young again." It is warranted in every case to restore the hair to its natural color, and is a beautiful dressing.—*Wheeling Intelligencer.*

**RELIGIOUS.**—The First Regular Baptist Church, in Curwensville, will be dedicated to the service of God, on Sabbath, June 21st, at 11 o'clock, A. M. The pastor of the Curwensville and Clearfield charge (Rev. S. J. Hays) will be installed in the evening of the same day. The members of both congregations are requested to be present. The Clearfield Association will meet with the Curwensville Association, in Curwensville, on Friday, June 19th.

WE WOULD call the attention of our readers to an advertisement in to-day's JOURNAL, relative to the recent publication by Ticknor & Fields, of Marshall's Great Line Engraving of Gen. Grant. It comes to us accompanied by the highest testimonials as to its perfection as a work of art, and truth of expression and character as a likeness. This valuable engraving is sold only by subscription. The attention of experienced agents is invited to it as an enterprise in which to engage without fear of competition.

**ADMITTED.**—Our young friend, Miles W. Tate, Esq., was yesterday, on motion of H. B. Swoope, Esq., his preceptor, examined in open Court, by a committee consisting of Hon. W. A. Wallace, J. B. M. Emery and T. J. McCullough, Esqrs., and was duly admitted to practice in the several courts of the county. It affords us great pleasure to record the fact that he passed a highly creditable examination, evincing a thorough knowledge of the elementary principles of the law. It was the first time a student has ever been examined in open court in this county, and it was attentively listened to by a large number of spectators. We predict for our friend a brilliant future, and wish him all possible prosperity and success.

**CENTRE COUNTY.**—On Saturday afternoon, June 6th, says the Press, while a thunder storm was passing over Centre Hall, in this county, lightning struck the chimney of Mr. Alexander Shannon's residence, in that place, passed down the stove-pipe and out at the door, which was open, and in which a small boy, some two years of age, was standing, killing him almost instantly. He was struck on the side of the head, near the temple, burning both face and hair. His little sister, who was in the same room, was knocked down, and the mother likewise, but escaped farther injury. Medical aid was at once summoned, and applications of cold water made, with the hope of restoring the child to life, but the concussion of the brain was such as to prove fatal. He breathed but a minute or two and expired.

**MOORE'S LIFE OF HON. SCHUYLER COLFAX.**—T. B. Peterson & Brothers, No. 365 Chestnut Street, Philadelphia, have in press and will publish in a few days, "The Life of Hon. Schuyler Colfax," written by Rev. A. Y. Moore, of South Bend, Indiana, who was for twelve years, as pastor and friend, in the entire confidence of Mr. Colfax, and had access to the files of the paper published by Mr. Colfax for twenty years, and to the Congressional Globe; knows all his past history and all who have known him from boyhood. He began this biography two or three years ago, so that it is not one of the hurried and ephemeral publications so common in election years. Mr. Moore is a gentleman of fine talent and culture, and there is no doubt but that his biography of Mr. Colfax will be worthy of its distinguished subject. The following letter from Mr. Colfax, to Rev. A. Y. Moore will explain itself:

"WASHINGTON, D. C., May 30, 1868.  
My Dear Mr. Moore: As your prediction of a year ago has been realized, I have no further objection to your publishing any sketch, more or less full, of my life, you may have prepared. As you were for a dozen years a fellow-townman of mine, and a valued friend, I suppose you know as much about my history, as the public would care about knowing; and although my engraving duties here leave me no time to revise the manuscript, I have no fear that your work will not be a faithful one. Yours, very truly,  
SCHUYLER COLFAX.  
Rev. A. Y. Moore, South Bend, Indiana."

It will be published in a large duodecimo volume of five hundred pages, printed from large type, and on the finest and best of white paper, with a portrait, on steel, of Mr. Colfax, executed by one of the first artists in the country, from photographs taken of Mr. Colfax within the last week, the whole bound in cloth in the most substantial manner. Price \$1.50 per copy. Copies wanted everywhere. Large discounts given on receipt of price, by the publishers.

Read the advertisement of the Cottage Cyclopaedia.

RAISED—on Saturday last—the frame of Messrs. Bigler's new steam saw-mill, in this Borough.

NEW STORE.—Reed & Co., have just opened a new store on Market Street. See advertisement.

**CAMP MEETING.**—A Camp Meeting will be held, commencing August 21st, to continue one week, on the ground of Judge Barrett, rear of Centre Church. The surrounding charges—New Washington, Glen Hope, Karthaus, and Phillipsburg—are earnestly solicited to join us with their tents.  
A. W. GUYER, PASTOR.

**MURDER IN VENANGO COUNTY.**—Thos. M'Carthy, a discharged employee on the Jamestown and Franklin Railroad, was given lodgings at the house of one David Barry, near Franklin, on the night of the 30th of May. During the night M'Carthy proceeded to the bedside of Barry, while the latter and his wife were asleep, and fired the contents of a revolver into the body of Barry causing death the day following. The Commissioners of Venango county offer a reward of three hundred dollars for the arrest of M'Carthy.

**CONCERT.**—In addition to the excitement of the closing of the Ladies' Fair, on Thursday evening, the Phillipsburg Cornet Band will give a grand and varied concert of vocal and instrumental music, both sentimental and entertaining—a portion of the proceeds to be appropriated to the benefit of the Fair. The two Misses Giles will also be present and sing some of their best pieces. Strict order will be enforced by a competent police force if necessary. The concert will be held in the Court House, on Thursday evening, at 7 o'clock. Admission 25 cents. Pay at the door.

**GRANT AND THE CLERGY.**—The Chaplain of Grant's regiment relates the following incident: When at home he generally attended the Methodist Episcopal Church. While Colonel of the Twenty-first Regiment, he gave every encouragement and facility for securing a prompt and uniform observance of religious services, and was generally found in the audience listening to preaching. Shortly after I came into the regiment, our mess were one day taking their usual seats around the dinner table, when he remarked:  
"Chaplain, when I was at home, and ministers were stopping at my house, I always invited them to ask a blessing at the table. I suppose a blessing is as much needed here as at home; and if it is agreeable with your views, I should be glad to have you ask a blessing every time we sit down to eat."

It is on evidence that Mr. Smythe, the Collector of the Port of New York, not only entertained a proposition to buy a United States Senator, but that he "consulted" Mr. Weed about it, and abandoned the idea when that gentleman assured him it was "impracticable." Yet this man is permitted to remain in office, and to hold a confidential relation to the Administration. The President that protects and sustains Henry A. Smythe and Sheridan Shook cannot expect to faithfully execute the laws.

The Democratic leaders, just now are in the anxious and hopeful condition of that historical old maid who went into the woods to pray. They want a candidate—she wanted a husband. Crooking her aged and stiff, feeble knees at the foot of a hemlock tree, fending knees long and earnestly that Heaven should send her a man. A sleepy owl in the branches above just then cried out, "Hoo! Hoo! Hoo!" "Any body, good Lord!" responded the anxious virgin. And, "any body," respond the perplexed democracy.

Democratic fishermen are now anxiously trying to solve the problem whether it will pay to buy decayed Salmon. The fish is tough to masticate, for they must needs chew bones and all, and the effect on the stomach would be nauseating in the extreme. There are two questions to decide: Whether they can keep the "critter" down, and whether, when down, his digestion will add any vigor to the wasted and weak system.

In sending to this country for recruits for his army, it is hoped that the Pope is animated by no particular hostility to the Democratic party. Be that as it may, should he succeed in enlisting say fifty or a hundred thousand men in New York, Brooklyn and "the Jerseys," he would seriously impair the Democratic prospects. We expect to see the party protest against the recruiting scheme set on foot from Rome.

Saulsbury, of Delaware, and Vickers, of Maryland, spoke in the Senate against the admission of the Southern States. Senator Morton, of Indiana, advised that "the Senators from Delaware and Maryland should be careful how they talked about negro suffrage and Sambo, for the chances were now that on the 4th of July next their party would be placed on a platform of universal suffrage and universal amnesty."

**MARRIED.**  
On Saturday, June 6th, 1868, by D. Dressler, Esq., Mr. JAMES S. HARRIS, formerly of Orono, Maine, and Miss PHEBE R. BUNDY, both of Huston township, Clearfield county.

### EUREKA!

#### STAR LIGHTNING ROD!

The Best and the Cheapest!

The STAR GALVANIZED LIGHTNING ROD is superior to any in use, and will last for generations. It is made from Magnetic Iron—[this square-grooved, spiral-twisted and galvanized, and connected with pure copper coatings, rendering it equal to a copper rod, and the whole surmounted with a Gold-plated cluster point of pure copper, thus forming a continuous rod from the point to the ground—the combination of metals forming a galvanic battery in the rod.  
It is warranted always to remain bright and clean, and will never corrode or rust, thus presenting a neat ornamental appearance on the building, worth more than its cost as a matter of ornament, and securing about its entire protection against lightning.  
To show the popularity of the Galvanized Star Rod, it is only necessary to say that the proprietors have pulled off more than one hundred tons of old rusty iron, within twelve months, from colleges, academies, public buildings, barns, etc., and put up the Star Rod in their place.  
As the "STAR" is better and sold at a low price than any other rod, it is more desirable and more ornamental persons should consult their own interests and safety to life and property, before they have a rod erected on their buildings.  
All that is necessary to convince the public of the superiority of the Star Lightning Rod, is a thorough examination into its construction and scientific combination.  
The undersigned, being the Agents for Clearfield county, will put up rods for all who desire ornamental persons should consult their own interests and safety to life and property, before they have a rod erected on their buildings.  
All that is necessary to convince the public of the superiority of the Star Lightning Rod, is a thorough examination into its construction and scientific combination.

### DRUGS! DRUGS! DRUGS!!!

The undersigned would respectfully announce to the public that he has opened a Drug Store, in the room recently fitted up in the house of George Kitchelberger, on Main street, Curwensville, Pa., one door west of Hipple & Faust's store, where he intends to keep a general assortment of Drugs, Medicines, Oils, Paints, Dye-Stuffs, Patent Medicines, Perfumery, Toilet Goods, Confectionaries, Spices, Canned Fruit, Tobacco and Cigars, Books, Stationery, Pencils, Pens, Inks, and a general variety of Notions; Barrett's Hair Restorative; Glass, Putty, etc., etc.

The want of a Drug Store has long been felt in Curwensville, and as that want is now supplied, the undersigned hopes, by strict attention to business, to merit and receive a liberal share of public patronage.  
His stock embraces most articles needed in a community, is entirely new, and of the best quality, which he will dispose of at reasonable prices. Call and examine the goods, which cannot fail to please.
