RELIGIOUS.—Divine services will be held next Sabbath, in Clearfield, as follows: By Rev. S. W. B. in the Lutheran church in the morning and evening. By Rev. A. C. in the Methodist church, in the morning. By Rev. H. in the Baptist Church, in the evening.

ADJOURNED COUNTY CONVENTION.

The late County Convention having adjourned to re-assemble at the call of the Chairman of the County Committee for the purpose of nominating a county ticket, on consultation with the members of the Committee, I designate TUESDAY, the 1st day of SEPTEMBER, for the re-assembling of the Convention, in the Court House, in Clearfield, at 2 o'clock, P. M.

THE WHITE MAN'S GOVERNMENT PARTY. The Mobile Daily Register gives the following counsel to the Democracy of Alabama: "You can easily carry a majority of negro votes for Seymour and Blair. You must organize a central club at every county site—clubs in every civil district. Let it be composed of whites and blacks; if you have but one Democratic negro in the district or beat, enroll him as a member. Meet regularly frequently, and each member of the club endeavor to bring out one or more colored radicals to hear your discussions."

GRANT CLUB.—The Republicans of this borough and vicinity are requested to meet at the Headquarters, over the store of H. Bridge on Saturday evening next, to organize a Grant and Colfax Club.

LARGE YIELD.—Our friend, William Weaver, of Chest town, took eighteen "rents" out of his Patent Bee Hives, last week, which together weighed 180 lbs. This is the largest yield of honey we have ever known in this county.

THE "GRANDS" HERE.—The officers of the Grand Lodge of the I. O. O. F., arrived here on Friday evening, on a "pastoral" or some other kind of a visit to the Clearfield Lodge. They had some sort of a performance, lasting late into the night, and left next morning. One of them was the enough to have carried a small Lodge in his coat pocket.

ELUQUENT SERMON.—The Rev. H. E. Elton of Indianapolis, preached for Rev. J. G. Archer, on Sabbath evening last. His sermon was from the words "And he came to himself," in the story of the Prodigal. It was an analogy between insanity and impiety, very graphically and forcibly drawn. Mr. Elton is a brilliant scholar, and a most eloquent preacher.

EDUCATION.—No person should enter life without a good education, when the means for acquiring it are now so ample and multiplied. To those in search of a good school we take pleasure in saying that they need go no farther from home than to the Academy, located in this town, to find a first-rate institution, under competent teachers, with moderate charges for tuition.

MEMBER CITY GRANT CLUB.—A Grant and Colfax Club was organized in Lutherville City on Friday evening last. Isaac Kirk was elected President, Jno. B. Ferguson Secretary, and G. H. Lytle Treasurer. A vigilance committee was appointed. Speeches were made by Hon. J. P. Hoyt and others. It was very enthusiastic meeting, and the Republicans are determined to push the campaign with zeal and energy.

THE BANKRUPT ACT.—The clause of the act which provided that no person should be debentured whose estate would not pay fifty per cent. on the dollar, and which took effect on the first of June last, has been further extended to the first of January next. This gives five months more time for the application of those who have no assets.

THE HOMICIDE CASE.—The case of Isaac Higgins, charged with the murder of Jno. Morrison, by striking him with an axe, on the 13th of July, at Reed's Mill, near Oasau, will be tried at the September Term. An inquest was held on the body of Higgins, and certain testimony elicited, but we think it better to withhold the publication of any of the particulars until after the trial. Let every man suspend judgment in the premises until the case is fully and properly investigated by the Court.

BISHOP CONSECRATED.—On last Sunday week, the very Rev. T. Mullen, formerly pastor in Allegheny City, was consecrated at Pittsburgh, Bishop of this (the Erie) diocese, to fill the vacancy occasioned by the death of Bishop Young. The ceremonies were grand and imposing. The price of admission was fixed at one dollar, and the proceeds, \$1,300, were presented to the Pittsburgh Catholic Orphan Asylum. Since the death of Bishop Young, the Rev. Father Cady, (formerly of this place and a most estimable gentleman), has managed the affairs of the diocese. Bishop Mullen is said to be a man of ability, a ripe scholar, and an eloquent preacher. We presume he will visit Clearfield at an early day.

New Goods just received at Reed & Co's.

AGRICULTURAL.—We are requested by the Chairman, Nathaniel Rishel Esq., to announce that there will be a meeting of the Executive Committee of the Clearfield Agricultural Society, at the Register's office, on Saturday afternoon next, at one o'clock. As there is important business to transact, the Committee are all urged to be present.

REV. L. OSLER, of Providence R. I. will preach in the Baptist Church, in Clearfield, commencing on Wednesday evening, Aug. 12th, 1868, and to continue each evening during the week and on the Sabbath. Mr. Osler proposes to give a series of discourses on the Advent Faith. The Community are respectfully invited to attend.

"A springing joy, a pleasure which no language can express," is imparted to every possessor of luxurious head of hair which only Barrett's Vegetable Hair Restorative can impart. This is the only preparation to which a "Medal" has ever been awarded. —St. Joseph Union.

The "White Man's Government" Party. The Mobile Daily Register gives the following counsel to the Democracy of Alabama: "You can easily carry a majority of negro votes for Seymour and Blair. You must organize a central club at every county site—clubs in every civil district. Let it be composed of whites and blacks; if you have but one Democratic negro in the district or beat, enroll him as a member. Meet regularly frequently, and each member of the club endeavor to bring out one or more colored radicals to hear your discussions."

THE REGISTER also imparts this interesting piece of news: "The colored men are ripe for joining their white fellow citizens of the South to execute vengeance upon the villains who have used and abused them for their own vile purposes. By a persevering and judicious application of effort, fifty thousand colored men may be enrolled in Democratic clubs in three months, and join the white people of the South in banishing from their places of ill-gotten power and from the soil they have polluted, thieves and incendiaries who have come here to steal office and make discord between the white and colored people."

"Things are working" down in that county. PREFERRED THE MONKEY SHOW.—An amusing incident occurred the other day at a Democratic meeting in Jacksonville, Ill. While Gen. McCornell was speaking, a circus procession, preceded by music, drove around the public square, the band playing a lively tune; whereas a majority of the persons present left the meeting and ran off after the band or to the show. At this Gen. McCornell, usually amiable lost his temper, and after pausing a few moments, said—"Fellow-citizens, it is a bad sign, I tell you it is a bad sign, to see the people leave a Democratic meeting and run after a d-d monkey show. Such conduct convinces me that you care neither for your party nor your principles."

THE TEN CENT PARTY.—Official papers have come to light showing that the Democratic executive Committee of Ohio have assessed a contribution of ten cents a head on each Democratic voter in the State, to carry on the campaign. The county committees are to collect it through the agency of the sub-committees. The copperheads have a singular proclivity for 'ten cent' contributions, and assessments. They raised one for the support of the traitor Vallandigham when he was "exiled." They have a full recollection of 'ten cent' Jimmy, and then, at present prices, it just takes 'ten cents' to buy a drink of whiskey for which their fondness is proverbial.

Seymour's Brother-in-law. Seymour's brother-in-law, H. M. Roseveaux, in response to a serenade at his home in Utica, made a most eloquent speech, from which we take the following:—"You believe, as I believe, that peace, prosperity, and progress hang upon the election of Grant and Colfax, of Griswold and Cornell. You see, as I see, that the approaching canvass summons us once more to the issue between patriotism and treason. You feel, as I feel, that in November the American people must decide whether their Government shall remain in the hands of its friends or be surrendered to its betrayers and its foes. In this faith we shall work and by this sign we shall conquer."

DIED.—On Thursday morning, August 6th, 1868, of Consumption, in the 28th year of his age, HARRY M. WRIGG, of Wm. C. Irwin of Burnside, Clearfield Co., Penn'a.
