It is wARRANTED always to remain bright and clean, and will never corrode or rust thus pre-renting a heat ornamental appearance on the building, worth more than its cost as a matter of ornament to say a sthing about its sure protection

against lightning To show the popularity of the Galvanized Star Rod, it is only necessary to say that the propri-etors have pulled off more than one hundred tons of old rusty irons within twelve months, from colleges, academies, public buildings, barns, etc., and put up the Star Rod in their place. As the "Stan" is better and sold at a less price than any other rod, is more durable and me name at al persons should consult their own inter-ests and safety to life and property, before they have a rod erected on their buildings. Count.--Court was called on Monday morning at 10 o'clock-Judge M'Knally, and A sociates Clyde and Withelm, on the bench. We understand that Judge M'Enally has sequenced himself with great credit, and disposed of all business brought before him with promptness and dispatch, and to the general satisfaction of those interested in the business. That the people of the county would be greatly beneficted by having the President Judge residing here, is evideneed by the early hour at which Coust was valled on Monday morning last.

At the request of our informant, we make this majority. anation to correct any wrong impression the may have been induced by the publica tim of Mr. Curtis' card.

THE ASSESSMENT "TRICK."-Last week We sated, that there seemed to have been an understanding with Democratic Asses- Rev. N. G. White, S. A. Since the publication of that statement we have been informed, Closing Quotations of Governm't Securities that such advice was given to several assessors; but by whom it is not known. We presume, however, if such advice was given, it was by some irresponsible person who had no oath of office to fulfil ; for we have GOLD. too high an opinion of the integrity of our county officials to suppose for one moment that any of them would so far step aside from their official duties as even to intimate that such a thing might be done. But, whether the statement made be true or not, one fact is evident, that a large number of names have been omitted from the lists referred to, all of which could not have been merely by accident. Let our friends everywhere he wide awake, and have themselves assessed, and see that their neighbors do the same-taking the assessors certificate, setting forth such assessment and the amount of the tax to be paid to the collector.

The Governor has signed the death warrant of Thomas M'Carty, sentenced to death for the murder of David Barry, who was shot on the night of May 29th. The execution will take place at Franklin, on Wednesday, October 28th.
