THE SECRET OF SUCCESS .- Anadvertising people are always thrifty. The enterprise and energy that prompt them to push for wand in the race and keep themselves and their business before the eyes of the world moure them against failure. It would be dificult to point to a single instance of great success in trade that has not been won through the valuable medium of the advertising columns of the press. The most fa mous in every branch of business are those which have expended fortunes as advertisers and persevered until they have forced patronare in m the public. The American people are beginning to understand these truths. and alvertising is now as much a necessity of business life as are the railroads and the deprach.
