A New assortment of Ladies' Underwear just received at Wm. Reed & Co's.

Books.—All persons having books belonging to the M. E. Sunday School, will confer a favor by returning them to George W. Rheem, the Superintendent.

No Court.—We learn that all the causes set for trial at the Court commencing on the second Monday of November, have been continued, and hence there will be no Court.

Base Ball.—We have been requested to state that a match game of Base Ball between the Rough and Ready Club, of Pennsylvania, and the Chinchelamoose Club, of Clearfield, will come off at the Fair ground at this place on Friday afternoon, at 1 o'clock.

Where is It?—Several months since it was announced that the "town clock," to be placed in the Court House tower, was completed, and ready to be put up. But, as yet, it is not there. What has become of it? Hope it wasn't shipped "up salt river," by mistake!

Destroyed by Fire.—No. 4 School House, in Beccaria township, were informed, was burnt down one night last week. It was evidently the work of an incendiary, as there was no fire in the building for some months past. The house was one of the best in the township.

Barn Burned.—We learn that the barn of M. M. Foot, near Utahville, Beccaria township, with all its contents—corn, oats, hay, straw, harness, etc.—was destroyed by fire one night last week. The barn was a good one. Mr. Foot's loss will exceed two thousand dollars. The fire was accidental.

The Public Reading.—Prof. Shumaker, of Philadelphia, gave a public reading in this place on Thursday evening last. He was attentively listened to by the large and appreciating audience present. The Professor is an excellent elocutionist, and his style of delivery is pleasing and instructive, as well as entertaining.

Cold and Snow.—On Sunday evening last we experienced considerable of a change in the atmosphere in this region, which was followed by a light fall of snow. However, a more moderate air again prevailed on Monday morning, and the snow soon disappeared. But the season for winter is here, and all should be prepared for its coming.

Dedicatory Notice.—The Lecture Room in the new M. E. Church in this Borough, will be dedicated to the worship of Almighty God on Sunday, November 14th. The Rev. Wm. Harden, of Baltimore city, will preach the dedicatory sermon at 11 o'clock, A. M. Other prominent ministers will be present. The public generally is invited.

A Nuisance.—During the past week or two boys have been engaged in throwing handfuls of corn against the windows of residences in passing along the streets. This practice is a nuisance, and should be stopped. No decent and well-behaved boy will be caught doing such a disgraceful trick. It is only those of bad and vicious habits, and who have no respect for themselves, that will do so.

Test's Right.—During the past week, the Borough "Dads" have been engaged in closing and establishing the lines and corners of the streets within the corporate limits, with a view of grading and macadamizing the same. According to the survey just made, we notice that many of the buildings stand upon the streets, while others stand back. This evidently is owing to the imperfect manner in which the lots were located at the time of the erection of the houses. But, as most of these buildings are of wood, and will be replaced with brick within a comparatively few years, it was right and proper that a survey should be made at this time, so that when more permanent improvements are to be made, they may be located and erected on the proper lots. Nothing adds so much to the appearance of a town as the regularity of the buildings along its streets. The Borough officers should receive the thanks of the whole community for the interest they manifest in carrying the streets and houses in our Borough correctly located. And, we would suggest, that hereafter, when buildings are to be erected, the front line of the lots be designated by the corporation authorities, so that no encroachments may be made upon the streets in the future.

Spent.—An assortment of Hoods just received at Wm. Reed & Co's.

JOUVIN'S genuine kid gloves at Wm. Reed & Co's.

On Monday, Oct. 26th, 1868, at her residence in Girard township, Mrs. SARAH ANN JULY, wife of Adam July, dec'd, aged 51 yrs.

All must die; and surely no one ever died more lamented than our departed mother. Many were the tears consecrated to her memory, but then we had the consolation to know that the eternal day of heaven dawned upon one angel more—that while we wept for her, her freed spirit walked the golden streets of that beautiful city, and there, before the great white throne, with an innumerable host, was singing songs of praise to God and the Lamb forever. And may we all strive to meet her again in those realms of bliss, beyond the sky. J. R. C.
