CLEARFIELD, PA., DEC. 23, 1868. Tyrone and Clearfield Railroad. : : 4.00 p

Religious .- Divine services will be held gest Sabbath, in Clearfield, as follows: By Rev. Nixdorff in the Lutheran church

in the morning and evening. By Rev. Archer (Presbyterian), in the Court House, mo ning and evening. By Rev. Guyer in the Methodist church,

By Rev. Hayes, in the Baptist Church, in the morning.

APPEARS-the card of the Hollidaysburg Female Seminary, to day. News .- All persons desirous of purchas

ing literary or daily papers, should give P. A. Gaulin a call at the Postoffice.

preach in the Lutheran church on Christmas on Second ftreet, opposite the Court at 11 A. M. in the German language, and House, Clearfield, Pa. at 7 A. M. in the English.

DEER.-Hunters will bear in mind that season for shooting deer. After that date e is unlawful to kill deer, under heavy penalties. All will remember these facts, lest law, and lawyers.

To SUBSCRIBERS. - In accordance with our custom, no paper will be issued from this office next week -our hands desiring to enjoy the holiday season, in common with their neighbors "and the rest of mankind." We wish our patrons a merry Cl ristmas, and a happy New-Year.

LADY'S FRIEND .- This excellent Lady's magazine for January, 1869, is before us. It contains several very fine steel engravings, and much interesting reading matter. single subscription. Price, \$2.50 a year in advance. Address, Deacon & Peterson. Philadelphia, Pa.

ADVERTISING. - A liberal advertiser always desires to sell his wares at the lowest market prices; while on the other hand, the man who does not advertise is sure to presume sells. All should remember these facts when can be had. they desire to make purchases.

FESTIVAL .- An oyster festival will be held in Curwensville, during the evenings of December 28th, 29th and 30th, under the aus E. Church. The festival will open each evening at 7 o'clock. The public generally is

svited. By order of the Committee, A. W. GUYER.

A NEW WORK .- Horace Greeley purposes to write, during the year 1869, an etethe policy of Protection to Home Industry will be explained and vindicated. This work will be first given to the public through successive issues of "The New York Tribune," and will appear in all its editions-Daily, \$10; Scmi weekly, \$4; Weekly, \$2 per annum.

FOR PEDESTRIANS. - When gentlemen walk arm in arm with ladies, they should eudeavor to step about once to three of their companions. Their pedestrianism will be varied, pleasing and convenient-especially to the lady. Nothing is more entertaining to spectators than for a lady to appear to be running by the side of a gentleman in order that she may get up with him and arrive, as it were, at the destination the same day.

Goder for 1869. - The January number is already issued. Our readers have become so familiar with the merits of Godey's La dy's Book, that we deem it unnecessary to say anything in its praise. Although making fashions and light literature a specially, the editor has added other features to is pages, which have much enhanced its aterest and usefulness, and thus kept in advance of pretended rivals. Price, \$3 a year in advance. Address, L. A. Godey, Phila.

OUR RAILROAD.-Notwithstanding the heavy body of snow lying on the ground, the work of hying the track of our railroad is still progressing, -though somewhat slowly. would be laid up to the depot by this (Wedbesitay) evening; but as the calculations of mice and men gang aft aglee," so, in this itstance, they failed. A few days of favorable weather, however, will suffice to co.nplete the "long looked for" track to the de-Pot, much to the gratification of our citirens generally.

THE FIRST. - Last week marked a new era in the coal business, in this place. A car had of Anthracite coal was brought on the tailroad to within a mile of town, from whence it was conveyed hither in sleds. We have no doubt, after the completion of the Railroad to within our Borough limits, that Anthracite coal will be shipped here in considerable quantities-many persons prefer ring it to the Bituminous coal produced in this region. That Anthracite coal creates PARED PEACHES—the best in market, at the store of J B GRAHAM & SONS. tes dust and dirt in houses, we believe is an edmitted fact; but to what extent it will suthe price at which it can be delivered to

Persons wanting Diaries for 1869 (ladies' and gentlemens'), the best of Perfumery, Fancy Dolls, Candy Toys, etc., should give A. I. THE HAPPINESS OF THE HOME CIRCLE. -At this season of the year, when affection with the arrival of January 1st ends the and love prompt the bestowal of some suit able token to the members of the family and to friends, the question arises how we can delight our loved ones, and at the same time do them a real and lasting good. The anthey get themselves into the clutches of the swer is simple: Call upon some reliable Music Dealer, a man in whose judgment and integrity you can place implicit confidence. nd procure from him a fine Piano or a good Organ, above all others the articles best calculated to contribute to the delight and happiness of the entire family circle, and which is a "thing of beauty and a joy forever." Such a man is emphatically Mr. Henry Kleber, of the firm of H. Kleber & Bro., 122 Wood Street, Pittsburgh, a man who from his infancy has been connected with music, who is one of the very best judges of musical instruments in the country, and whose character for integrity is such that he has perhaps sold more Pianos and Organs to A large steel engraving accompanies each parties who left the choice of the same entirely with him, than any man in the business. If we add that this firm are the sole agents for the world renowned Steinway Pianos, which beat all competitors at the late Par s Exposition, and also the exquisite Burdett Organ, with its wonderful imitation of the human voice, a brand of instru ments which are regarded as the greatest successes of modern times, we need assure on the credulity of his customers and will no sensible person that it is at Kleber's charge the highest price for everything he Wareroom where the very best instruments [Dec. 9, 1868-3t.
