RELIGIOUS.—Divine services will be held next Sabbath, in Clearfield, as follows:
By Rev. Nixdorf in the Lutheran church in the morning and evening.
By Rev. Gay in the Methodist church, in the evening.
By Rev. Hayes, in the Baptist Church, in the morning.

MORE SNOW.—On Monday last, about ten inches of snow fell in this region.
APPEAR.—Several new advertisements, to which we direct the attention of our readers.

IF YOU are troubled with dyspepsia, take Frank's American Vegetable Bitters, a safe and sure remedy.

FOR SALE.—The Administrators of Jason Kirk, dec'd, offer for sale a valuable property in Union township. See advertisement.

ABSENT.—We have been requested to state, that the Rev. Archer will be absent for several weeks, and hence there will be no Presbyterian services until the first Sunday in February.

ACCIDENT.—We understand, a freight car was thrown off the railroad track, on Friday last, near Philadelphia, and that three laborers, employed by the railroad company, were severely injured thereby.

The Philadelphia Morning Post has increased its size and become a two cent paper. It is now one of the handsomest, as it is one of the best Republican papers in Pennsylvania. We are glad to notice this evidence of its success.

THE NEW JUDGE.—Judge Mayer arrived in this place on Saturday evening last, and opened Court on Monday forenoon. The Judge exhibits considerable tact in the dispatch of business, and so far has acquitted himself very creditably.

LEG BROKE.—We learn that, on Tuesday, January 5th, a young man named Clarence Braden, of Philadelphia, had his leg broken immediately below the knee, whilst engaged in rolling a log from the slide, at Stout's camp, near Morrisdale, in this county.

GIRL'S SECRET.—"I have always considered advertising liberally and long to be the great medium of success in business, and to prelude to wealth; and I have made it an invariable rule to advertise in the duller times, as well as in the busiest; long experience having taught me that money thus spent is well laid out."

THE "WEEK OF PRAYER."—Exercises were held in the several churches in this place, last week, in obedience to the suggestions of the "Christian Alliance." The services were of a very interesting character—the members of the various Christian denominations participating therein. It is to be hoped that much good may be the result of this united effort in behalf of the spread of the gospel among all nations, kindreds, and tongues.

THE CLEARFIELD RAILROAD.—At last the long projected, talked of, and expected railroad is completed to this place, or, at least, to such an extent as to accommodate the traveling public. Trains commenced running on Monday, and depot buildings are in course of erection. With the ushering of the railroad opening, have passed away the days of staging and exorbitant charges, and it is now to be hoped that a reduction in the price of many of the leading articles of merchandise will speedily follow.

A WORD TO BOYS.—Now, that the railroad is completed to this place, it may be amiss to say a few words to boys, by way of caution. No doubt you will be anxious to get on the cars, or locomotive, to get a ride, as boys everywhere are. If so; get on when the train is standing still. Never attempt to jump on, or cross the track, while a train is in motion, as a slip of a foot may cost you an arm or a leg, or perhaps, your life. Accidents of this kind are of almost daily record. Parents should also warn their children against such practices; and conductors and others connected with the road should forbid, and use their authority to prevent boys from jumping on a moving train, lest they be censurable for any accidents that may occur through such neglect.

CHILDREN'S SHIRT.—What is commonly called near-sightedness has increased greatly within the last half century, and it is time parents, teachers and guardians understood more about it. Children are often subjected to severe punishments, both at home and in school, for offenses they cannot avoid possibly, from defect in their eyesight. At a teachers' convention in Boston, recently, Dr. Henry W. Williams, now one of the eminent oculists of the country, had something to say on the near-sightedness of children, many of whom he remarked, had defective vision years before it was discovered. Some very clear-sighted children could not use their eyes steadily for any length of time without blurring, owing to a defect in the accommodative muscles, a brief rest enabling them to see clearly again. They were apt to make absurd mistakes in reading and to study poorly, which teachers and others thought was owing to idleness. Blindness sometimes supervened in a single day. Many individuals were born with a slight tendency to myopia, and had near-sightedness brought on by studiousness. Near-sightedness was not known among savages or uneducated races, and appeared most among those of the highest culture. The eye should never be strained to see objects it could not see, or devoted to small type or work. Children who were ambitious to keep up with their classes often were allowed to go on all the eyes were ruined. These cases often began with slight symptoms. Such children should not be compelled to study continuously, should not care where they were in their class, should keep the head erect and hold the book up. Teachers should aid the child as far as possible. The object of education was not to cram, but to prepare the child for duties.

As a reward of merit for past services to the State, it is rumored that John C. Breckinridge will be made Governor of Kentucky at the next election. As John always swore by the State, rather than the States, we may infer from this that Kentucky neutrality still burns in the breasts of her sons. "Virtue is its own reward," but Kentucky neutrality is infinitely superior to any virtue that we can think of.

The Recent Discovery at Rock Island, Illinois, where, in a cave, "a statue of an Indian maiden, of solid copper, on a pedestal seven feet high, on an obelisk of solid brass, and other Indian curiosities," were found, will afford more food for reflection for our thinking and scientific men. We hope to have an opportunity of publishing the details of the discovery as soon as they reach us by mail.

NEW PAPER.—Belleville Republican, is the title of a new paper just started at Belleville, by W. W. Brown and A. B. Hutchison. This new candidate for public favor gives promise of success. It is ably edited and neatly printed, and Republican in politics. We wish the editors success in their enterprise.

Josh Billings has written an essay upon "roosters," in which he remarks that "they are the husbands of money wives. In Utah it is considered a disgrace to speak disrespectfully of a rooster. Brigham Young's coat of arms is a rooster."

An Eastern contemporary says: "It is easy enough to find villages in New England where there are twenty admirable girls under thirty years of age, and not one marriageable young man."

A tree in West Philadelphia, more than five hundred years old, fell with a crash the other day. The cause seems to have been old age and decay.

The village of Cores is situated in two States and two Counties—a part in Allegheny county, N. Y., and a part in McKean county, Pa.

MARRIED: On Thursday, September 17th, 1868, by Rev. A. W. Guyer, Mr. FRANK A. FLEMING, of Curwensville, and Miss T. G. BROWN, of Lawrenceport.

DIED: In Girard township, on December 28th, 1868, BLANCHE, daughter of Jonathan and Alice J. Spackman, of Decota, Illinois, formerly of Clearfield County, Pa., aged 5 months and 12 days.

I take these little lambs, he said, And lay them in my breast; Protection they shall find in me, In me be ever blest.

HOOFLAND'S GERMAN BITTERS,

AND HOOFLAND'S GERMAN TONIC.

THE GREAT REMEDIES For all diseases of the Liver, Stomach, or digestive organs.

Hoofland's German Bitters is composed of the pure juices (or, as they are occasionally termed, extracts) of Roots, Herbs and Bark, making a preparation highly concentrated, and entirely free from alcoholic admixture of any kind.

HOOFLAND'S GERMAN TONIC, is a combination of all the ingredients of the Bitters, with the purest quality of Santa Cruz Rum, and is the most pleasant and agreeable remedy ever offered to the public.

Those preferring a Medicine free from Alcohol admixture, will use HOOFLAND'S GERMAN BITTERS.

Those who have objection to the combination of the Bitters, as stated, will use HOOFLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal action, the difference between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is unable to derive its nourishment from the food. The Liver, sympathizing with it, becomes diseased, and the result is that the sufferer suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Pains, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Dizziness, Faintness or Weight in the Stomach, Sour Eructations, Sinking or Fluctuating at the Pit of the Stomach, Swimming of the Head, Headache or Difficult Breathing, Fluctuating at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dizziness or Watery Sight, Dull Pain in the Head, Debility of Perception, Yellowness of the Skin and Eyes, Pains in the Side, Back, Chest, Limbs, etc., Sudden Swellings of Heat, Burning in the Flesh, Constant Imaginations of Evil, and great depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his own investigations and inquiries to be free from injurious ingredients, and has established for itself a reputation for the cure of these diseases. In the purchase of a medicine we would submit those well-known remedies—

Hoofland's German Bitters, and Hoofland's German Tonic, prepared by Dr. C. M. Hoofland, without fail.

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Dropsy, Diarrhoea, Diseases of the Kidneys, and all Diseases arising from a disordered Liver, Stomach, or Intestines.

DEBILITY. Resulting from any cause whatever; prostration of the system, induced by severe labor, hardships, exposure, fevers, etc.

There is no medicine equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE, And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir which will infuse new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

It is a well established fact that fully one-half of the female portion of the race are afflicted with the use of their own organs. "never feel well." They are languid, devoid of all energy, extremely nervous, and have an appetite for food, and a class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK AND DELICATE CHILDREN Are made strong by the use of either of these remedies. They will cure every case of MARASMS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. Those will be observed, are most of great value, and of such standing that they should be believed.

TESTIMONIALS.

Hon. George B. Woodward, Chief Justice of the Supreme Court of Pennsylvania, Philadelphia, March 16, 1867.

"I find 'Hoofland's German Bitters' is a good tonic, useful in all diseases of the digestive system, and of great benefit in cases of nervous debility, and want of nervous action in the system. Yours truly, GEO. W. WOODWARD."

Hon. James Thompson, Judge of the Supreme Court of Pennsylvania, Philadelphia, April 25, 1866.

"I consider 'Hoofland's German Bitters' a valuable medicine in cases of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect, JAMES THOMPSON."

From Rev. Joseph H. Kennard, D. D., Pastor of the Third Baptist Church, Philadelphia. Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicine, but regarding the practice as one of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but used judiciously, it will be very beneficial to those who suffer from the above cases. Yours, very respectfully, J. H. KENNARD, 5th and Chestnut.

From Rev. E. D. Fendall, Assistant Editor Christian Advocate, Philadelphia. I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, and also as a purgative in general debility or from diseases arising from derangement of the liver. Yours truly, E. D. FENDALL.

CAUTION. Hoofland's German Remedies are counterfeited. See that the signature of C. M. JACKSON is on the wrapper of each bottle. All others are counterfeits. Price of each bottle, 50 cents. For sale by the Philadelphia Medicine Store, No. 631 ARCH Street, Philadelphia, Pa.
