IMPORTANT.—Mr. Blattenberger, as will be seen by reference to our advertising columns, offers for sale a very valuable property in the Borough of Osceola. The property situated in the business part of the town, and worthy the attention of those who desire to obtain a good location for business.

MARKET CAR.—By reference to our advertising columns, it will be seen that Mr. Rohm, will be at the Railroad depot in this place, regularly every Thursday, with marketing of all kinds. Such of our citizens as are in want of articles in his line, should call at the depot between the hours of 12 and 2 to-morrow.

THE COUNTY INSTITUTE.—THE DISCUSSION.—We are in receipt of another communication from Mr. C. O'Brangan, on this subject. As the communication is a reprint of what has already been said, and owing to its great length and the crowded state of our columns, we omit its publication.

THE WILLIAMSPORT SCHUTE.—For the formation of rivermen, we would state that Mr. Bauger, the Secretary of the Williamsport Boat Company, has informed Messrs. Wright, Boynton and Graham, that the Schute at that place is now completed and in good order, and that lumbermen will experience no trouble there in the future.

FIRE IN ALTOONA.—A destructive fire occurred in Altoona on Railroad street, Friday morning. The fire broke out in the rear office of the "Indicator" at 1:45 A. M., and raged until six o'clock before the flames were subdued. The "Indicator" building was burned, together with the grocery store of J. Berkowitz. The office and frame dwelling of R. A. O. Kerr was destroyed, and the flames also communicated to the banking house of Mr. Kerr, which was slightly damaged by fire. The total loss is estimated at \$25,000.

FOR TRAVELERS.—The Bellefonte Watchman says: "A new accommodation track has been established by Mr. J. S. Gray, proprietor of the Moshannon House, to run regularly between Philadelphia and Port Mahoning, connecting with all the trains, East and West. This is a great accommodation, as by the change in the railroad time, passengers would otherwise not be able to get through in less than two days. It is now "through in daylight" of the same day, and passengers owe Gray a vote of thanks and their patronage."

We direct special attention, to day to advertisement of the "National Bitters" manufactured by Messrs. Walton & Zag, Philadelphia. These gentlemen are men of large experience, energy and high character and the success attending the introduction of their Bitters shows that they have hit upon an excellent remedy for the ills with which a large majority of people are afflicted. Why be constantly suffering with the "Blues" when a bottle of the "National Bitters" will give you health, strength and cheerfulness. As a remedy for Dyspepsia, Liver Complaint &c. no preparation has been found equal to the Bitters manufactured by Messrs. Walton & Zag, No. 9 N. 7th St., Philadelphia.
