CLOTHING.—The advertisement of H. Bridge, relating to his stock of new clothing, is published to-day. Mr. Bridge has on hand a very excellent selection of goods in his line, to which he asks the attention of the public. Don't fail to call and examine his stock.

A GOOD ONE.—Recently a gentleman inquired of a photographer, "what will you charge to make a picture of me and another woman?" Evidently he belonged to the Democratic persuasion, and was in doubts as to whether "me" or the "other woman" were the breeches.

TEMPERANCE LECTURE.—Rev. Combs, of Philadelphia, will lecture on Temperance, in Curwensville, on Monday and Tuesday evenings, May 23 and 24th. Rev. C. is a fine speaker, and it is hoped that our temperance people, throughout the county, may be present. N. E. AROLD, W. R.

A WORD OF CAUTION.—At this season, we'll mitigate warm and cold days, don't take off the overcoats, or the thick shoes, or the under clothes, too soon. One indiscretion of this kind now, while the constitution is run down by the winter's confinement, may entail upon you life long suffering.

ALMOST A FIGHT.—On Monday afternoon, two big fighters quarreled in our streets, clubbed each other, and were only prevented from coming to blows by some bystanders interfering. They then started to go out of town and settle the matter; but, on reaching the "Dutch Gap," they concluded to settle the matter in the "Allegheny House" and compromise the difficulty by raising a glass of lager. "Dat ish goot."

TWENTY-FIVE DOLLARS FINE FOR KILLING A SMALL BIRD.—By an act of the General Assembly of Pennsylvania, passed the 31st of March, A. D. 1868, a penalty of twenty five dollars is imposed for the killing of any insectivorous bird, one half of the fine to be paid to the informer. Here is an opportunity to make twelve dollars and a half, and render the community effective service, by killing the pretty little songsters that warble beneath our windows and gladen our hearts. It is the duty of every good citizen to prevent their destruction and this may be done by prosecuting those who violate the law. The birds that are classed under the head of insectivorous birds are Robins, Martins, Swallows, Blue Birds, Woodpeckers, &c., in fact all the various small birds generally seen in this latitude.

STAMBED AFRAY.—On Friday afternoon last, a man named Miller, got into a quarrel with Ed Williams (colored) of this place, which resulted in a rencontre, during which the former stabbed the latter in the left breast with a pocket knife—inflicting a wound nearly two inches deep. When Ed found he was stabbed, he picked up a stone and threw it at Miller, but dropped it at the soitation of several citizens who hastened to the spot, whereupon Miller again rushed upon the larky with his knife, and but for the interference of bystanders would have again stabbed Williams. The wound inflicted a rather serious one—being in the region of the heart—but is not considered very dangerous. Miller, we are informed by a person who was present, was the instigator of the quarrel and made the first assault, and yet no special effort was made to arrest him. Anropose: The supineness and indifference so often manifested on the part of public officers in not promptly arresting the violator of the law, has, in our opinion, a tendency to encourage evil disposed persons in the commission of violence and crime; and hence, it is to be hoped that, in the future, more active vigilance and exertion will be exercised by them, and that all violators of the peace and safety of the community will be promptly arrested and punished—otherwise, the lives of our citizens will be in constant jeopardy, and their property subject to certain destruction. "A word to the wise is sufficient."

AN EXCELLENT APPOINTMENT.—We are highly gratified to learn that our fellow-townsmen, Zachariah McNaull, has been appointed by President Grant, and confirmed by the Senate, Agent to the Sac and Fox Indians. There he combined in Mr. McNaull all the elements to make him a popular and efficient agent. His business qualifications are of a high order. His well-established reputation for integrity and honesty of purpose, both at home and abroad, is such as to make his appointment all the more desirable. We, therefore, heartily congratulate him upon his appointment. As we are aware that the appointment was neither sought nor asked for by Mr. McNaull, but was brought about by influential "Friends" who knew his fitness for the position, we wish him a pleasant and successful mission. And we have no hesitancy in saying that the Government will find in him a faithful and honest officer; and the Indians a kind friend, who will do all in his power to redress their grievances and see that justice is done them. CURWENSVILLE.

A TOPER'S OPINION.—An exchange is guilty of the following: A veteran toper has been reading a series of articles on liquor adulteration in New York—the analysis of the liquor shows an average of about sixty-five parts of water to thirty-five of spirits. "They don't give the spirits a fair chance," said the aged bacchanal; "they'll keep on fooling with water till it depletes the earth again."

LOCAL NORMAL.—A local Normal School, will be opened by Prof. W. W. Watson, in Curwensville, on Monday next, May 3rd.

MARRIED: On March 25th, 1869, by Rev. W. B. Purdy, at the residence of the bride's father, Mr. JAMES WALKER, in Indiana county, and Miss ALMIRA S. PITTMAN, of Clearfield county.

On April 21st, 1869, by J. M. Calderwood, Esq., at Tyrene, Mr. D. R. FULLERTON and Miss LUCY DOUGHERTY both of Clearfield, Pa.

The happy couple have our best wishes for their future welfare. And may they remember that, although subject to many perplexities and troubles, much pleasure is in store for them if they will but exercise a loving forbearance towards each other in their journey through life.
