COUNTY SUPERINTENDENT.—The election for County Superintendent came off at the Court House yesterday (Tuesday) afternoon, and resulted in the re-election of Geo. W. Snyder. The vote stood Geo. W. Snyder 51; C. B. Sandford 35. The salary was fixed at \$1,200.

STOLEN CLOTHING.—We inadvertently omitted to call attention to the new advertisement of Messrs. Nivling & Showers, last week. They have just received their stock of Spring goods, which they propose to sell at low prices. Now is the time for buyers to call and make their selections.

RECOVERED.—Two horses, stolen from Mr. Neff and Mr. Johnson, Greenbush, Huntingdon county, were recovered by their owners near Mr. Copelin's Hotel, in this county, on Monday evening of last week. The thieves, when overtaken, jumped from the horses and made their escape into the woods.

A BIG DAYS WORK.—The Phillipsburg Journal says: "A sawyer employed in the mill of J. J. Zimmerman & Co. has borne off the palm for rapidity in sawing—having on Friday last, April 30th, cut 31,108 feet of inch lumber in ten hours. The greatest number feet cut in the same length of time, in these parts, previously, was 25,000."

ESCAPED.—Another of the prisoners confined in our jail made good his escape one day last week. Being unwell and under the care of a physician, he solicited the privilege of going into the yard, but not returning as soon as anticipated, search was made, when it was discovered that a new bed cord had been thrown over the wall, by means of which he succeeded in scaling it. He has not been seen since.

SERIOUS ACCIDENT.—We learn from the Bellefonte papers that, on April 21st, Mr. George W. Williams, of Huston township, was seriously, if not fatally injured, while working on a steam saw-mill, by being struck on the head with a piece of slab, which caught on the teeth of the saw and was thrown with such force that a portion of it penetrated the right eye to the depth of two and a quarter inches.

FOUND DEAD.—We learn from the Phillipsburg Journal, that Mr. John G. White, one of the pioneers of that town, was found dead in his room, on the morning of April 20th. It appears that he fell down the stairway leading from his room, on the Saturday previous. The injuries sustained were supposed to be slight, but seen to have produced hemorrhage, as his bed was found to be saturated with blood. The coroner's inquest returned a verdict in accordance with the above facts.

LETTERS REMAINING UNCLAIMED in the Post Office at Clearfield, May 1st, 1869: Mrs. Mattie Askey; Wm. Barron; Nicholas Barnes; Melchior Bak; Harry Brown; Daniel Cunningham; M. A. Dale; (2); A. Robinson; Miss Mary J. Klingler; George Franks; Bernard Gilman; Albert J. Gilman; Wm. T. Hamilton; Mrs. Andrew Hahn; Miss Clement Hoover; Albert Hooper; Jas. F. Hutchison; Miss Mattie Hookenberry; Robert James; D. P. Johnston; T. Kennedy; A. T. Livingston; Geo. J. Mering; Wilson H. Mills; Miss Susan M. Dermott; (2); Enoch O. Rogers; M. T. E. Rogers; O. Sear; Miss Lucy Smith; Mrs. Rosie Schaefer; W. Thompson; Miss Hanna Walker; John A. Westbroth; S. A. Wharton; James White.

DROWNED MAN FOUND.—Some time in March last, a man was drowned at Moshannon Falls, in this county—having fallen off a raft. We heard of the occurrence at the time, but could ascertain no particulars. However on Monday evening, April 26th, the body was discovered in the river near Salt Lick. Upon examination, by an inquest, some papers were found in the pocket of his clothing, upon one of which could be distinguished the name "O'Byan, Steuben county, New York." Whether it is the name of the drowned man or not, is not known. There were also found upon the body a Pass over the Penna. Railroad, a gold watch worth about \$75, and \$87.09 in money. The body was buried on the bank of the river, near where it was found.

TRADE AT HOME.—A contemporary says: Every man's interest is consulted by encouraging his home trade. Supposing he can as well supply his own wants in his own city, county, or State, as elsewhere, he wrongs himself when he goes elsewhere to spend his money. When it is known that this is his rule of action every fair dealer in his neighborhood will aim to trade with him so as to enable him to realize the worth of his money. It is an injury to the place in which you live to use your spare money for the benefit of a place elsewhere, and thus create a rival. Build up your own home interests, thereby you increase the value of your own property. You will share in the profits if you want to sell and remove at any time. A lively, thriving town, invites new settlers, enterprise and capital, which are but additions to the aggregate wealth of our home. If one is to enjoy life, and is fit for it, he must desire to see those around him prosper. His law is "live and let live."

A NEW JAIL.—It will be recollected that, at the last Court, the Grand Jury confirmed the recommendation of the former Grand Inquest for the building of a new jail in this county. There seems to be some diversity of opinion as to where it should be built. Some favor its erection on the lots where the present one stands, while many urge its location elsewhere. The argument used against the building of a new jail on the present site, is owing to the fact that water constantly stands in the cellar underneath the present structure and thus rendering it unfit for the confinement of prisoners. If this be the fact, the County Commissioners should exercise great caution in deciding upon the location for the new building. Under the circumstances, perhaps it would be better to sell the present lots and buy others. We throw out these suggestions for the consideration of the people of the county, as upon their prompt and speedy action will depend the decision of the Commissioners as to where the new jail shall be erected.

THIEVES ABOUT.—Thieving seems to be on the increase in our midst—no less than three thieves having been committed in and near this place, last week: On Tuesday night, April 27th, some scoundrels entered the house of Mr. John McGaughy, in the southern part of this Borough, and stole therefrom all Mr. McG's best clothing and boots. A hand-trunk was also taken, which the thieves cut open and left lying on the road a short distance from the house. It contained nothing of value. . . . On the same night, the house of Mr. George Hall, two miles above town, was entered and robbed of a small sum of money, a revolver, and several small articles, no doubt by the same persons who were at McGaughy's. . . . The spring-house of Mr. Milton McBride, two miles east of town, was also relieved of some twelve or fifteen dollars worth of butter. The frequent petty thefts occurring should stimulate our citizens to greater exertions to ferret out the thieves and have them punished—otherwise the depredators will be emboldened to make more extensive raids upon their property.

For the Raftsmen's Journal. The Buffalo and Washington Railroad. Citizens of Clearfield county, awake to your interests! The friends of the contemplated Buffalo, Rochester, St. Mary's, Reynoldsville and Washington city Railroad, will hold a Convention at St. Mary's, on Wednesday, May 12th. The citizens of Buffalo, Rochester, and Western New York, have for years been anxious to reach the great coal-fields in Pennsylvania, and it seems, they are now about to realize their wishes. The route of the contemplated road, after reaching the Pennsylvania line, will be up Potato creek to Smithport, in McKean county; thence by Bishop's summit, to McKean, to St. Mary's, in Elk county; thence from St. Mary's south of Conterville and along the Western slope of Boone's mountain, crossing the Bennett's Branch Railroad, to west of the tunnel at Hickory summit; thence by the Bennett's Branch route to the Reynoldsville coal-fields, and from thence to the Pennsylvania Central road at or near Tipton, Blair county. And from Tipton south by way of Bedford to the Potomac at or near Martinsburg, Va., and from thence by Harpers Ferry and Leesburgh to Washington city. The citizens of Buffalo, and Rochester, as well as those of Western New York generally, being deeply interested in reaching the coal-fields in this State, are pledged to furnish at once, the necessary means to build the road at the earliest possible date to the Reynoldsville coal-mines. Now let the citizens of Clearfield arise to a sense of their interests, by extending the road to their county seat. From where the above contemplated road will cross the Bennett's Branch at Sandy, west of the summit, (connecting the waters of Sandy and Anderson creek by a short tunnel), by way of Curwensville to Clearfield is about 27 miles. From the summit to Tyrone and Tipton the distance is about the same. Hence by going to Clearfield, the building of forty miles of road could be dispensed with for the present, that number of miles being now in operation between Clearfield and Tyrone. Curwensville is a thriving borough situated on the left bank of the Susquehanna river, and at the mouth of Anderson creek. Clearfield is the county seat, and is located on the right bank of the river, six miles below Curwensville. The water power is most excellent at both places, and there is an abundance of coal and other minerals in their immediate vicinity, besides large quantities of white pine and other timber. Annually hundreds of thousands of dollars worth of lumber, logs, and manufactured lumber is sent to the eastern markets from this section, and with the proper railroad facilities for transportation, both Curwensville and Clearfield are destined, at no very distant day, to become very important and extensive manufacturing centres.

The writer of the above was formerly a resident of Clearfield county, and hence, feeling a warm interest in the welfare of its citizens, would urge the citizens of Curwensville and Clearfield to send delegates to the St. Mary's Convention. Their interests demand it. YOURS TRULY, A TRUE FRIEND OF CLEARFIELD.

A Great Remedy for the Cure of Throat and Lung Diseases.—Doctor Whistler's Pine Tree Tar Cordial. It is the vital principle of the Pine Tree, obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained.

It is the only safeguard and reliable remedy which has ever been prepared from the juice of the Pine Tree. It invigorates the digestive organs and restores the appetite. It strengthens the debilitated system. It purifies and enriches the blood, and expels from the system the corruption which scrofula breeds on the lungs.

It is the most useful and remarkable medicine for the cure of Consumption, Coughs, Colds, and other Pulmonary Affections. It is a healthy matter collected about the throat and bronchial tubes, causing irritation and cough.

Seeewed Tonic and Mandrake Pills will cure Consumption, Liver Complaint and Dyspepsia, if taken according to directions. It is a healthy matter collected about the throat and bronchial tubes, causing irritation and cough.

These three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an expectoration for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

Dr. Schenck, in his treatment does not try to stop a cough, night sweats chills or fever. Remove the cause and they will all stop of their own accord. No one can be cured of Consumption, liver complaint, dyspepsia, catarrh, canker, ulcerated throat, unless the liver and stomach are made healthy.

DR. J. H. SCHENCK, 15 N. 6th St., Phila., Pa. Price of the Pulmonic Syrup and Seaweed Tonic and Mandrake Pills, \$6.50 a half-dozen. Mandrake Pills 25 cents a box. For sale by all druggists. [ap 7, 69-1y]
