A TERRIBLE accident occurred on the Tyrone and Clearfield Railroad, on Monday afternoon last. As a freight train was passing the switch at Sandy Ridge, the engine jumped off the main track and run into another train standing on the sidling. John Adams, an engineer, was instantly killed, and a fireman so badly scalded that his recovery is doubtful. Several others were slightly injured. One engine and some eight or ten freight cars were badly smashed. This is the first accident, of a serious charcter, that has occurred on this road.

Schenck's Pulmonic Syrup, Seeweed Tonic and Mandrake PHIs, will cure Consumption, Liver Conplaint and Dyspepsia, if ta-ken according to directions. They are all three to be taken at the same time. The jail is a disgrace to the county, in every sense of the word.

The jail is a diseased matter ripens in the logs and the patient outgrows the disease and gets well. This is the only way to cure the consumption.

To these three medicines Dr. J. II. Schenck, of Philadelphia, owes his unrivalled success in treatment of pulmonary consumption. The monic Syrap ripens the morbid matter in the lungs, nature throws it of by an easy expectoration for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heat. To do this the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good

causes of Consumption. Schenck's Scawced Ton ic is a gentle stinulant and alterative, and the alkali in the Scawced, which this preparation is made of assists the stomach to throw out the gas trie juice to dissolve the food with the Pulmonie Syrup and it is made into good blood without fer-mentation or souring in the stomach. The great reason why physicians do noten; e consumption is they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretion and eventually the patient sinks and dies. Dr. Schenck, in his treatment, does not try to stop a cough, night sweats chills or fever. Re-move the cause and they will all stop of their own accord No one can be cured of consumption, liv er complaint, dyspepsia. catarrh. canker. ulcer-ated throat unless the liver and stomach are made

If a person has consumption of course the lungs in some way are diseased, either tubercles, a scesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflamation and fast decaying. In such cases what must be done? only the lungs that are wasted, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines which will bring up a tone to the stomach, the patient will begin want food, it will digest easily and make good blood; then the patient begins to gain in flesh and as soon as the body begins to grow, the lungs beg n to henl up, and the patient gets fleshy and well.
